## Preface

---

This Cumulative Supplement to Replacement Volume 2B contains the general laws of a permanent nature enacted at the 1965, 1966 and 1967 Sessions of the General Assembly, which are within the scope of such volume, and brings to date the annotations included therein.

Amendments of former laws are inserted under the same section numbers appearing in the General Statutes, and new laws appear under the proper chapter headings. Editors' notes point out many of the changes effected by the amendatory acts.

Chapter analyses show new sections and also old sections with changed captions. An index to all statutes codified herein appears in the Cumulative Supplement to Replacement Volumes 4B and 4C.

A majority of the Session Laws are made effective upon ratification but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after thirty days after the adjournment of the session" in which passed. All legislation appearing herein became effective upon ratification, unless noted to the contrary in an editor's note or an effective date note.

The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes or in this Supplement, and any suggestions they may have for improving the General Statutes, to the Division of Legislative Drafting and Codification of Statutes of the Department of Justice, or to The Michie Company, Law Publishers, Charlottesville, Virginia.

- (1) The proposed corporation is formed for any other than legitimate banking business; or
- (2) That the character, general fitness, and responsibility of the persons proposed as stockholders in such corporation and directors, officers, and other managerial officials are not such as to command the confidence of the community in which said bank is proposed to be located; or

- (5) That the proposed name is the same as the one already adopted or appropriated by an existing bank in this State, or so similar thereto as to be likely to mislead the public.

**Editor's Note.—**

Minors' deposits and safe-deposit agreements.**—(a) Deposits.—A bank may operate a deposit account in the name of a minor or in the name of two or more persons, one or more of whom are minors, with the same effect upon its liability as if such minors were of full age. This section shall not affect the law governing transactions with minors in cases outside the scope of this section.

(b) Dealings with Minor.—A bank may lease a safe-deposit box to and in connection therewith deal with a minor with the same effect as if leasing to and dealing with a person of full legal capacity. Safe-deposit boxes; unpaid rentals; procedure; escheats.**—(a) If the rental due on a safe-deposit box has not been paid for one year, the lessor may send a notice by registered mail to the last known address of the lessee stating that the safe-deposit box will be opened and its contents stored at the expense of the lessee unless payment of the rental is made within 30 days. If the rental is not paid within 30 days from the mailing of the notice, the box may be opened in the presence of an officer of the lessor and of a notary public who is not a director, officer, employee or stockholder of the lessor. The contents shall be sealed in a package by the notary public who shall write on the outside the name of the lessee and the date of the opening. The notary public shall execute a certificate reciting the name of the lessee, the date of the opening of the box and

a list of its contents. The certificate shall be included in the package and a copy of the certificate shall be sent by registered mail to the last known address of the lessee. The package shall then be placed in the general vaults of the lessor at a rental not exceeding the rental previously charged for the box.

(b) Any documents or writings of a private nature, and having little or no apparent value need not be offered for sale, but shall be retained, unless claimed by the owner, for the period specified for unclaimed deposits, after which they may be destroyed.

The time, place and manner of sale shall also be posted conspicuously on the premises of the lessor and advertised once in a newspaper of general circulation in the community. If the articles are not claimed, they may then be sold in accordance with the notice.

(d) The balance of the proceeds, after deducting accumulated charges, including the expense of advertising and conducting the sale, together with any money discovered in the box shall be deposited to the credit of the lessee in any account maintained by him, or if none, shall be deemed a deposit account with the bank or trust company operating the safe-deposit facility, or in the case of a subsidiary safe-deposit company, a bank or trust company owning stock therein, and shall be identified on the books of the bank as arising from the sale of contents of a safe-deposit box. When any such deposit is surrendered as unclaimed deposits, the lessor shall also send to the Commissioner a copy of the certificate and an itemized statement of the amount received and the deductions. Any items remaining unsold may be destroyed.

(e) The deposits or proceeds from sales referred to in the preceding paragraph shall be subject to all the provisions of G.S. 116-24, relating to the escheat of bank deposits.

**Editor's Note.**—

The 1967 amendment substituted "debt obligations" for "interest-bearing securities" and "obligations of the United States, or agency thereof, or other obligations guaranteed by the United States Government" for "interest-bearing obligations of the United States, obligations issued

under authority of the Federal Farm Loan Act, as amended, or issued by the Federal Home Loan Banks, or the Home Owners' Loan Corporation" near the beginning of the section, and deleted at the end of the section a former proviso relating to certain stocks or bonds lawfully acquired prior to February 25, 1927.

**§ 53-48. Loans, limitations of.**—The total direct and indirect liability of any person, firm or corporation, other than a municipal corporation for money

(1921, c. 4, s. 29; 1923, c. 148, s. 6; C. S., s. 220(d); 1925, c. 119, s. 1; 1927, c. 47, s. 7; 1937, c. 419; 1943, c. 204; 1945, c. 127, s. 1; 1967, c. 789, s. 9.)

The 1967 amendment inserted "or an agency of the United States, or other obligations guaranteed by the United

States Government" and "or agency thereof, or other obligations guaranteed by the United States Government" in the first proviso.

**§ 53-50. Requirement of reserve fund.**—(a) A bank which is not a member of the Federal Reserve System shall maintain at all times a reserve fund in an amount equal to at least fifteen percent (15%) of the aggregate amount of its demand deposits and five percent (5%) of the aggregate amount of its other deposits. The amount of the required reserve for each day shall be computed on the basis of average daily deposits covering such biweekly or shorter periods as shall be fixed by regulation of the Banking Commission.

(b) A bank which is a member of the Federal Reserve System shall maintain at all times a reserve fund in accordance with the requirements applicable to a member bank under the laws of the United States.

(c) A bank shall give written notice to the Commissioner of Banks, in the manner prescribed by the Commissioner for such notice, of any deficiency in the reserve fund required under subsection (a) or (b) of this section within three business days after the close of any scheduled averaging period during which such deficiency occurs. (1921, c. 4, s. 31; C. S., s. 220(f); 1967, c. 789, s. 10.)

**Editor's Note.**—The 1967 amendment rewrote this section.

**§ 53-52. Forged check, payment of.**

**Cross Reference.**—As to bank customer's duty to discover and report unauthorized signature or alteration under Uniform Commercial Code, see § 25-4-406.

**Receipt of Statement by Agent Who Is Forger Is Receipt by Depositor.** — The mailing of a bank statement, with cancelled checks, and the acceptance thereof from the post office by the depositor in person or through his authorized agent, constitutes a receipt by the depositor of such docu-

ments within the meaning of this section, and the depositor's failure to give the required notice to the bank, within the specified time thereafter, bars his right of recovery even though the "authorized agent" so receiving the bank statement, is the forger and, again, is unfaithful to his trust by concealing the voucher from the depositor. *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 267 N.C. 528, 148 S.E.2d 693 (1966).

**But Rule Does Not Apply Where Account Is Unauthorized and Unknown.**— See *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 267 N.C. 528, 148 S.E.2d 693 (1966).

There is no duty upon the depositor to examine endorsements upon his genuine checks. *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 267 N.C. 528, 148 S.E.2d 693 (1966).

**Section Is Inapplicable If Checks Are Not Forgeries or Notice Is Given.**— If checks drawn by an agent of the depositor are not forgeries, this section has no application; if the checks are forgeries, the defense of the statute is not available to the bank when the depositor gives notice to the bank within the time provided by the statute. *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 267 N.C. 528, 148 S.E.2d 693 (1966) (not deciding whether check signed in name of depositor by one claiming to be agent, but without authority to sign, is a forgery).

Only those checks returned more than sixty days prior to the protest are proper credits under this section. *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 262 N.C. 79, 136 S.E.2d 202 (1964).

This section does not require notice in any specified form. *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 267 N.C. 528, 148 S.E.2d 693 (1966).

**Sufficiency of Notice.**—It is sufficient that within the time allowed by this sec-

tion the depositor gives to the bank notice sufficient in content to advise the bank that the debits charged to the depositor's account are based upon checks which are "forged." *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 267 N.C. 528, 148 S.E.2d 693 (1966).

Notice to the bank that the entire account is unauthorized and unknown to the person in whose name it is opened necessarily advises the bank that any check charged thereto, which check purports to be drawn in the name of such account holder, was drawn without authority and with fraudulent intent—a forgery within the contemplation of a stipulation that checks drawn on the account were forgeries and not checks or drafts of the plaintiff. *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 267 N.C. 528, 148 S.E.2d 693 (1966).

**The burden, etc.**—

The burden is on the bank seeking the protection afforded by this section to show delivery of the voucher to the depositor more than sixty days before the claim is made. *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 267 N.C. 528, 148 S.E.2d 693 (1966).

The burden is on a bank, in order to avail itself of the provisions of this section, to show when the checks were returned to the depositor. *Nationwide Homes of Raleigh, N.C., Inc. v. First-Citizens Bank & Trust Co.*, 262 N.C. 79, 136 S.E.2d 202 (1964).

posits and collections, see §§ 25-4-101 to 25-4-504.

## § 53-62. Establishment of branches or tellers' windows.

(b) Any bank doing business under this chapter may establish branches or teller's windows in the cities or towns in which they are located, or elsewhere, after having first obtained the written approval of the Commissioner of Banks, which approval may be given or withheld by the Commissioner of Banks, in his discretion. The Commissioner of Banks, in exercising such discretion, shall take into account, but not by way of limitation, such factors as the financial history and condition of the applicant bank, the adequacy of its capital structure, its future earnings prospects, and the general character of its management. Such approval shall not be given until he shall find (i) that the establishment of such branch or teller's window will meet the needs and promote the convenience of the community to be served by the bank, and (ii) that the probable volume of business and reasonable public demand in such community are sufficient to assure and maintain the solvency of said branch or teller's window and of the existing bank or banks in said community.

(c) Such branch banks shall be operated as branches of and under the name of the parent bank, and under the control and direction of the board of directors and executive officers of said parent bank. The board of directors of the parent bank

shall elect a cashier or such other officers as may be required to properly conduct the business of such branch, and a board of managers or loan committee shall be responsible for the conduct and management of said branch, but not of the parent bank or of any branch save that of which they are officers, managers, or committee: Provided, that the Commissioner of Banks shall not authorize the establishment of any branch or teller's window, the capital of whose parent bank is not sufficient in an amount to provide for the capital of at least one hundred thousand dollars (\$100,000.00) for the parent bank, and a capital of at least one hundred thousand dollars (\$100,000.00) for each branch or teller's window which it is proposed to establish in cities or towns of three thousand population or less; at least one hundred fifty thousand dollars (\$150,000.00) in cities or towns whose population exceeds three thousand, but does not exceed ten thousand; at least two hundred thousand dollars (\$200,000.00) in cities or towns whose population exceeds ten thousand, but does not exceed twenty-five thousand; at least two hundred fifty thousand dollars (\$250,000.00) in cities or towns whose population exceeds twenty-five thousand, but does not exceed fifty thousand; at least three hundred thousand dollars (\$300,000.00) in cities or towns whose population exceeds fifty thousand. The provisions of this subsection shall not be retroactive with respect to branches or teller's windows established or approved by the State Banking Commission prior to June 11, 1963. If a bank which hereafter proposes to establish a branch or teller's window is deficient in capital stock as measured by the above set-forth formula, it shall not be necessary for such bank to provide or allocate additional capital for branches or teller's windows established or approved by the State Banking Commission prior to June 11, 1963, until such a time as such bank makes application for an additional branch or teller's window. At that time sufficient capital and surplus must be allocated to bring the parent bank and all branches and teller's windows into compliance with the above requirements. The bank may, at its option, allocate capital stock and unimpaired surplus, or either, to its branches and teller's windows and may determine the proportion of each, or may allocate all capital stock or all unimpaired surplus. In applying this section, population shall be ascertained by the last preceding national census; provided, however, with respect to any branch or teller's windows established or approved by the State Banking Commission before June 11, 1963, population shall be ascertained by the last national census preceding the establishment of such branch.

(e) A bank may discontinue a branch office or teller's window upon resolution of its board of directors or board of managers. Upon the adoption of such a resolution, the bank shall file a certification with the Commissioner of Banks specifying the location of the branch office or teller's window to be discontinued and the date upon which it is proposed that the discontinuance shall be effective. This certificate must state the reasons for the closing of such branch or teller's window and indicate that the needs and conveniences of the community would still be adequately met. Notice stating the intention to discontinue said branch or teller's window shall be published in a newspaper serving such community once a week for four consecutive weeks before any certificate requesting discontinuance is filed with the Commissioner of Banks. No such branch or teller's window may be discontinued until approved by the Commissioner of Banks, who shall first hold a public hearing thereon, if so requested by any interested party.

(f) Any action taken by the Commissioner of Banks pursuant to this section shall be subject to review by the State Banking Commission which shall have the authority to approve, modify or disapprove any action taken or recommended by the Commissioner of Banks. (1921, c. 4, s. 43; Ex. Sess. 1921, c. 56, s. 2; C. S., s. 220(r); 1927, c. 47, s. 8; 1931, c. 243, s. 5; 1933, c. 451, s. 1; 1935, c. 139; 1947, c. 990; 1953, c. 1209, ss. 2, 5; 1963, c. 793, s. 3; 1967, c. 789, s. 11.)

**Editor's Note.—**

The 1967 amendment substituted "he shall find" for "he shall have ascertained to his satisfaction" near the beginning

of the last sentence of subsection (b), substituted "or" for "and" following the word "cashier" near the beginning of the second sentence of subsection (c), in-

serted present subsection (e), and redesignated former subsection (e) as subsection (f).

As subsections (a) and (d) were not changed by the amendment, they are not set out.

**Prior Approval of Branch by Comptroller of Currency Not Required.** — Assuming arguendo that this section demands as a

condition precedent to the approval of a branch, an ascertainment of need and convenience, with discretion in decision nevertheless always retained by the Commissioner of Banks, this command has not been extended to the Comptroller of the Currency of the United States by the National Banking Act. *First Nat'l Bank v. Saxon*, 352 F.2d 267 (4th Cir. 1965).

**§ 53-67. Boards of directors, banks controlled by.** — The corporate powers, business, and property of banks doing business under this chapter shall be exercised, conducted, and controlled by its board of directors, which shall meet at least quarterly. Such board shall consist of not less than five directors, to be chosen by the stockholders, and shall hold office for one year, and until their successors are elected and qualified. The annual meeting of stockholders for the election of directors shall be held at such time as may be designated by the charter or the bylaws of the bank but shall be held not later than the thirty-first day of March in each year. In addition to the foregoing powers relating to the fixing of the number and the election of directors, the stockholders of a bank, at any stockholders' meeting, special or annual, may authorize not more than two additional directorships which may be left unfilled and to be filled in the discretion of the directors of the institution during the interval between such stockholders' meetings. (1921, c. 4, s. 48; C. S., s. 220(w); 1925, c. 170; 1965, c. 188; 1967, c. 789, s. 12.)

**Editor's Note.—**

The 1965 amendment substituted the present third sentence for one providing for holding the annual meeting during the month of January.

The 1967 amendment added the last sentence.

**§ 53-77.2. Additional provision for operation of banks on five-day week basis.**

(g) After a five-day week basis has been ordered pursuant to this section with respect to any bank or banks, the above procedure shall be applicable with respect to any subsequent request to revert to a six-day week basis, and such reversion may be ordered by the Commissioner if he shall find that the best interest of the commercial banks and the public will be served by a six-day week for commercial banks.

(h) This section shall not replace or be in lieu of the provisions of G.S. 53-77.1 but shall constitute an additional provision relating to the operation of banks on a five-day week basis. (1957, c. 358; 1967, c. 789, s. 13.)

**Editor's Note.—**The 1967 amendment inserted present subsection (g) and redesignated former subsection (g) as subsection (h).

As the rest of the section was not changed by the amendment, only subsections (g) and (h) are set out.

## ARTICLE 7.

### *Officers and Directors.*

**§ 53-84. Depositories, designated by directors.**—By resolution of the board of directors, other banks organized under the laws of this State, or of another state, or of the National Banking Act of the United States, shall be designated as depositories or reserve banks in which a part of such bank's reserve shall be deposited, subject to payment on demand. A copy of such resolution shall, upon its adoption, be forthwith certified to the Commissioner of Banks and the depository so designated shall be subject to the approval of the Commis-

sioner of Banks. For causes which he may deem adequate, the Commissioner of Banks shall have authority at any time to withdraw such approval.

A bank may deposit funds in a bank of a foreign country, but such deposits shall not constitute any part of its reserve as defined in G.S. 53-51. (1921, c. 4, s. 55; C. S., s. 221(g); 1931, c. 243, s. 5; 1967, c. 789, s. 14.)

**Editor's Note.—**

The 1967 amendment added the second paragraph.

**§ 53-91. Officers and employees may borrow, when.**—No officer or employee of a bank, nor a firm or partnership of which such officer or employee is a member, nor a corporation in which such officer or employee owns a controlling interest, shall borrow any amount whatever from the bank of which he is an officer or employee, except upon good collateral or other ample security or endorsement; and no such loan shall be made until the same has been approved by a majority of the board of directors and a resolution, duly entered upon the minutes of the board of directors and signed by them, showing the amount of the loan, the directors approving the same and a brief description of the security upon which said loan is made; and a certified copy of such resolution shall be attached to the instrument evidencing the indebtedness: Provided, however, this section shall not apply to directors who are neither officers nor employees of the bank; provided, further, that it shall not be necessary to require collateral or other security with respect to loans, the total of which to an individual borrower, does not exceed twenty-five hundred dollars (\$2500.00) made pursuant to this section; provided, further, that in no event shall a loan in excess of twenty-five hundred dollars (\$2500.00) be made by any bank to any officer of such bank. (1921, c. 4, s. 62; C. S., s. 221(n); 1925, c. 119, s. 2; 1927, c. 47, s. 12; 1967, c. 789, s. 15.)

**Editor's Note.—**

The 1967 amendment added the second and third provisos.

**ARTICLE 8.**

*Commissioner of Banks and Banking Department.*

**§ 53-92. Appointment of Commissioner of Banks; State Banking Commission.**—On or before April first, one thousand nine hundred and thirty-one, after the ratification of this section, and quadrennially thereafter, the Governor, with the advice and consent of the Senate, shall appoint a Commissioner of Banks who shall hold his office for a term of four years or until his successor has been appointed and has qualified, subject, however, to the provisions herein made as to his removal. The Commissioner of Banks shall, before entering upon the discharge of his duties, enter into bond with some surety company authorized to do business in the State of North Carolina, in the sum of not less than fifty thousand dollars, conditioned upon the faithful and honest discharge of all duties and obligations imposed by statute upon him.

The State Banking Commission, which has heretofore been created, shall hereafter consist of the State Treasurer, who shall serve as an ex officio member thereof, and ten (10) members who shall be appointed by the Governor. Not more than five members of the said Commission shall be practical bankers, and the remainder of the membership of the said Commission shall be selected so as to fully represent the consumer, industrial, manufacturing, professional, business and farming interests of the State. The terms of office of the two additional mem-

bers who are now to be appointed shall expire on the first day of April, 1957, and thereafter their successors shall be appointed by the Governor for terms of four years each and shall serve until their successors are appointed and qualified. One member shall be appointed for a four (4) year term commencing April 1, 1961, and his successor shall be appointed quadrennially thereafter. Successors to members whose terms expired on the first of April, 1953, shall be filled by the Governor for the unexpired portion of the four-year terms which began on said date. Members of the Commission whose present terms expire on the first day of April, 1955, shall continue in office until the expiration of their respective terms and until their successors are appointed and qualified. As the terms of office of the appointive members of the Commission expire, their successors shall be appointed by the Governor for terms of four years each. Any vacancy occurring in the membership of the Commission shall be filled by the Governor for the unexpired term. The appointive members of said Commission shall be filled by the Governor for the unexpired term. The appointive members of said Commission shall receive as compensation for their services the same per diem and expenses as is paid to the members of the Advisory Budget Commission, which compensation shall be paid from the fees collected from the examination of banks as provided by law.

The Banking Commission shall meet at such time or times, and not less than once every three months, as the Commission shall, by resolution, prescribe, and the Commission may be convened in special session at the call of the Governor, or upon the request of the Commissioner of Banks. The State Treasurer shall be chairman of the said Commission.

No member of said Commission shall act in any matter affecting any bank in which he is financially interested, or with which he is in any manner connected. No member of said Commission shall divulge or make use of any information coming into his possession as a result of his service on such Commission, and shall not give out any information with reference to any facts coming into his possession by reason of his services on such Commission in connection with the condition of any state banking institution, unless such information shall be required of him at any hearing at which he is duly subpoenaed, or when required by order of a court of competent jurisdiction.

The Commissioner of Banks shall act as the executive officer of the Banking Commission, but the Commission shall provide, by rules and regulations, for hearings before the Commission upon any matter or thing which may arise in connection with the banking laws of this State upon the request of any person interested therein, and review any action taken or done by the Commissioner of Banks.

The Banking Commission is hereby vested with full power and authority to supervise, direct and review the exercise by the Commissioner of Banks of all powers, duties, and functions now vested in or exercised by the Commissioner of Banks under the banking laws of this State; any party to a proceeding before the Banking Commission may, within twenty days after final order of said Commission and by written notice to the Commissioner of Banks, appeal to the Superior Court of Wake County for a final determination of any question of law which may be involved. The cause shall be entitled "State of North Carolina on Relation of the Banking Commission against (here insert name of appellant)". It shall be placed on the civil issue docket of such court and shall have precedence over other civil actions. In the event of an appeal the Commissioner shall certify the record to the clerk of Superior Court of Wake County within fifteen days thereafter. (1931, c. 243, s. 1; 1935, c. 266; 1939, c. 91, s. 1; 1949, c. 372; 1953, c. 1209, ss. 4, 6; 1961, c. 547, s. 2; 1967, c. 789, s. 16.)

**Editor's Note.—**

The 1967 amendment rewrote the second sentence of the second paragraph. Section 16, Session Laws 1967, c. 789, provides:

"The amendment contained in this section shall not apply to members currently serving under appointments made prior to the effective date of this act, but shall ap-

ply to their successors only." The amendatory act was ratified June 15, 1967, and made effective on ratification.

*Bank Examiners.*

**§ 53-117. Appointment by Commissioner of Banks.** — The Commissioner of Banks, for the purpose of carrying out the provisions of this chapter, shall appoint from time to time such State bank examiners, assistant State bank examiners, clerks and stenographers as may be necessary to make a thorough examination of and into the affairs of every bank doing business under this chapter, as often as the Commissioner of Banks may deem necessary, and at least once each year, provided the Commissioner of Banks may extend this period to 15 months when, in his opinion, an emergency condition exists that necessitates such action. The Commissioner of Banks may at any time remove any person appointed by him under this chapter. (1921, c. 4, s. 72; C. S., s. 223(a); 1931, c. 243, s. 5; 1967, c. 789, s. 17.)

*Industrial Banks.*

**§ 53-139. Capital stock.**—The amount of capital stock with which any industrial bank shall commence business shall not be less than fifty percent (50%) of that which would be required of a commercial bank under the provisions of G.S. 53-2. (1923, c. 225, s. 4; C. S., s. 225(d); 1967, c. 789, s. 18.)

**Editor's Note.**—The 1967 amendment rewrote this section.

**§ 53-141. Powers.**

- (4) To establish branch offices or places of business within the county in which its principal office is located, and elsewhere in the State, after having first obtained the written approval of the Commissioner of Banks, which approval may be given or withheld by the Commissioner of Banks in his discretion. The Commissioner of Banks, in exercising such discretion, shall take into account, but not by way of limitation, such factors as the financial history and condition of the applicant bank, the adequacy of its capital structure, its future earnings pros-

pects, and the general character of its management. Such approval shall not be given until he shall find

- a. That the establishment of such branch or teller's window will meet the needs and promote the convenience of the community to be served by the bank, and
- b. That the probable volume of business and reasonable public demand in such community are sufficient to assure and maintain the solvency of said branch or teller's window and of the existing bank or banks in said community.

Provided, that the Commissioner of Banks shall not authorize the establishment of any branch the paid-in capital of whose parent bank is not sufficient in amount to provide for capital in an amount equal to that required with respect to the establishment of branches of commercial banks under the provisions of G.S. 53-62. For the purposes of this paragraph, the provisions of G.S. 53-62 as to the meaning of the word "capital" shall be applicable.

A bank may discontinue a branch office upon resolution of its board of directors or board of managers. Upon the adoption of such a resolution, the bank shall file a certification with the Commissioner of Banks specifying the location of the branch office to be discontinued and the date upon which it is proposed that the discontinuance shall be effective. This certificate must state the reasons for the closing of such branch and indicate that the needs and convenience of the community would still be adequately met. Notice stating the intention to discontinue the said branch shall be published in a newspaper serving said community once a week for four consecutive weeks before a certificate requesting a discontinuance is filed with the Commissioner of Banks. No such branch may be discontinued until approved by the Commissioner of Banks, who shall first hold a public hearing thereon, if so requested by any interested party.

- (7) Subject to the approval of the State Banking Commission, to solicit, receive and accept money or its equivalent on deposit subject to check; provided, however, no such approval shall be given unless and until such industrial bank meets the capital requirements of a commercial bank as set forth in G.S. 53-2. (1923, c. 225, s. 6; C. S., s. 225(f); 1925, c. 199, s. 1; 1931, c. 243, s. 5; 1935, c. 81, s. 2; 1939, c. 244, ss. 1, 2; 1943, c. 233; 1945, c. 283; 1949, c. 952, ss. 1, 2; 1959, c. 365; 1967, c. 789, s. 19.)

#### Editor's Note.—

The 1967 amendment rewrote subdivision (4) and added the proviso to subdivision (7).

As the rest of the section was not changed by the amendment, only subdivisions (4) and (7) are set out.

#### *Banks Acting in a Fiduciary Capacity.*

§ 53-160. **License to do business.** — Before any such bank is authorized to act in any fiduciary capacity without bond, it must be licensed by the Commissioner of Banks of the State. For such license the licensee shall pay to the State Banking Commission an annual license fee of two hundred dollars (\$200.00), which shall be remitted to the State Treasurer for the use of the Commissioner of Banks in the supervision of banks acting in a fiduciary capacity, insofar as it may be necessary, and the surplus, if any, shall remain in the State treasury for the use of the general fund of the State: Provided, however, that a national bank which has been granted trust powers by the Comptroller of the Currency or his duly authorized agent shall be annually licensed as required in this section and shall

be granted a certificate of solvency which will meet the provisions of § 53-162 without examination by the Commissioner of Banks as required in § 53-161. (1945, c. 743, s. 1; 1967, c. 789, s. 20.)

#### § 53-166. Scope of article; evasions; penalties; loans in violation of article void.

All loan agencies subject to the provisions of § 105-88 are not subject to the provisions of the Consumer Finance Act. Section 105-88 applies to all the loan agencies specified therein, irrespective of the amounts which they loan or the interest they charge. *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

**And Act Does Not Apply to Insurance Premium Finance Companies.** — Had the legislature intended to subject to the provisions of the Consumer Finance Act those

who make loans solely to finance insurance premiums, surely it would not have enacted article 4 of chapter 58 in the first instance since it exempts from its provisions those subject to the Consumer Finance Act. The legislature did not deem it necessary for both the Commissioner of Banks and the Commissioner of Insurance to supervise an insurance premium financing company. *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

#### § 53-167. Expenses of supervision.

**Fee Is in Addition to Privilege Tax.**—In addition to the fee required by this section, each licensee under the Consumer Finance Act also pays the \$750.00 privilege tax exacted by § 105-88. *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

**And Is Intended to Pay Expenses of Supervision.**—The fees exacted of insur-

ance premium financiers by § 58-56 and of persons engaged in business under the Consumers Finance Act by this section are intended to pay the necessary expenses of licensing, regulating, and supervising the business. *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

**§ 53-172. Conduct of other business in same office.**—No licensee subject to the provisions of this article shall conduct its business as a licensee in an office, or annex to an office, of any other business, but shall maintain an office in which only its business as a licensee shall be conducted. Installment paper dealers as defined in G.S. 105-83, and the collection by a licensee of loans legally made in North Carolina, or another state by another government-regulated lender or lending agency, shall not be considered as being any other business within the meaning of this section. This section shall not be construed as authorizing the collection of any loans or charges in violation of the prohibitions contained in G.S. 53-190. The books, records, and accounts relating to loans shall be kept in such manner as the Commissioner of Banks prescribes as to delineate clearly the loan business from any installment dealer paper transactions. (1961, c. 1053, s. 1; 1967, c. 769, s. 1.)

**Editor's Note.**—The 1967 amendment inserted "and the collection by a licensee of loans legally made in North Carolina, or another state by another government-

regulated lender or lending agency" in the second sentence and inserted the third sentence.

The credit union division and the Administrator of Credit Unions shall be under the general direction and supervision of the Commissioner of Agriculture, and there shall be such assistants to the Administrator of Credit Unions as may be necessary and the salaries of the Administrator and assistants shall be fixed by the State Personnel Council.

Wherever the word or term "superintendent" appears in subchapter III of chapter 54 of Volume 2B (Replacement, 1965) of the General Statutes of North Carolina the same is hereby stricken out and deleted and there is inserted in lieu thereof the word or term "Administrator." (1915, c. 115, s. 1; C. S., s. 5208; 1925, c. 73, s. 4; 1935, c. 87; 1965, c. 956, s. 1.)

**Editor's Note.—**

**§ 54-75. Duties of Administrator.** — The duties of the Administrator of Credit Unions shall be as follows:

- (1) To organize and conduct in the State Department of Agriculture, a bureau of information in regard to co-operative associations and rural and industrial credits.
- (2) Upon the application of three persons residing in the State of North Carolina, to furnish, without cost, such printed information and blank forms as, in his discretion, may be necessary for the formation and establishment of any local credit union in the State.
- (3) To maintain an educational campaign in the State looking to the promotion and organization of credit unions. Upon the written request of twelve bona fide residents of any particular locality in this State expressing a desire to form a local credit union at or in such locality, the Administrator of Credit Unions, or one of his assistants, shall proceed as promptly as may be convenient to such locality and make an investigation in order that the Administrator may determine whether or not a local credit union should be established according to the standards set forth and provided in this subchapter. The Administrator shall notify the applicants of his decision within thirty days after receipt of the written request. Before refusing the establishment of a credit union the Administrator shall afford the applicants an opportunity to be heard therewith in person or by counsel and at least sixty days prior to the date set for a hearing on any such matter shall notify in writing the applicants of the date of said hearing and assign therein the grounds for the action contemplated to be taken and as to which inquiry shall be made on the date of such hearing. The determination of the Administrator shall be subject to judicial review in all respects according to the provisions and procedures set forth in article 33 of chapter 143 of the General Statutes of North Carolina, as amended.
- (4) To examine at least once a year, and oftener if such examination be deemed necessary by the Administrator or his assistant, the credit unions formed under this subchapter. A report of such examination shall be filed with the State Department of Agriculture, and a copy mailed to the credit union at its proper address.
- (5) The Administrator of Credit Unions is authorized, empowered, and directed to require that every person employed, appointed or elected by any credit union to any position requiring the receipt, payment or custody of money or personal property owned by a credit union or in its custody or control as collateral or otherwise, to give bond in a corporate surety company authorized to do business in North Carolina. Any such bond or bonds shall be in a form approved by the Administrator of Credit Unions with a view to providing surety coverage to the credit union with reference to loss by reason of acts of fraud or dishonesty including forgery, theft, embezzlement, wrongful abstraction or misapplication on the part of the person, directly or through connivance with others, and such other surety coverages as the Administrator of Credit Unions may determine to be reasonably appropriate or as elsewhere required by the chapter. Any such bond

or bonds shall be in an amount in relation to the money or other personal property involved or in relation to the assets of the credit union as the Administrator may from time to time prescribe by regulation for the purpose of requiring reasonable coverage. In lieu of individual bonds the Administrator may approve the use of a form of schedule or blanket bond which covers all boards and committee members and employees of a credit union whose duties include the receipt, payment, or custody of money or other personal property for or on behalf of the credit union. The Administrator may also approve the use of a form of excess coverage bond whereby a credit union may obtain an amount of coverage in excess of the basic surety coverage. No agreement, compromise or settlement of any claim or claims filed by a credit union with any surety or any surety company, for less than the full amount of said claim or claims, shall be entered into or made by the board of directors of any credit union unless and until the said claim or claims shall have been submitted to the Administrator of Credit Unions and his advice thereon given or transmitted to the board of directors of said credit union.

The following schedule shall be deemed as the minimum fidelity and faithful performance bond requirements only:

<i>Assets</i>	<i>Minimum Coverage</i>
\$0,000 to \$5,000	\$1,000
5,001 to 10,000	2,000

500,001 to 750,000	85,000
750,001 to 1,000,000	100,000

Over \$1,000,000 minimum amount, \$100,000 plus \$50,000 for each additional million or fraction thereof of assets.

It shall be the duty of the board of directors of each credit union to provide proper protection to meet any circumstances by obtaining adequate bond (and insurance) coverage in excess of the above minimum schedule. The treasurer and all other persons handling credit union funds or records before entering upon his or their duties shall give a proper bond with good and sufficient surety, in an amount and character to be determined by the board in compliance with regulations conditioned upon the faithful performance of his or their trust.

The Administrator may require additional coverage for any credit union when, in his opinion, the surety bonds in force are insufficient to provide adequate surety coverage, and it shall be the duty of the board of directors of any credit union to obtain such additional coverage within sixty days after the date of written notice by the Administrator to such board of directors. For good cause shown the Administrator may extend the time to obtain additional coverage. (1915, c. 115, s. 1;

### *Members and Officers.*

§ 54-98. **Who may become members.**—The membership of the corporation shall consist of those persons who have been duly elected to membership and who have subscribed for one or more shares and have paid for the same in whole or in part, together with the entrance fee as provided in the bylaws, and have complied with such other requirements as the bylaws may contain: Provided,

that credit union membership shall be limited to groups having a common bond of occupation or association or residents within a well defined neighborhood community, or rural district, employees of a common employer, or members of a bona fide fraternal, religious, co-operative, labor, rural, educational or similar organization.

The provisions of this subsection shall not prohibit a credit union from maintaining offices from locations other than its main office if the maintenance of such offices shall be reasonably necessary to furnish service to its membership. Provided, however, no such additional offices shall be established to serve persons who are not entitled to membership as defined in the preceding paragraph and would not be entitled to services of the credit union at its main office. Provided further that the establishment of additional offices shall be subject to the approval of the Administrator of Credit Unions.

No credit union shall ever pay any commission or offer compensation for the securing of members or on the sale of shares. (1915, c. 115, s. 6; C. S., s. 5230; 1925, c. 73, s. 3; 1935, c. 87; 1965, c. 956, s. 18.)

**Editor's Note.** — The 1965 amendment added the proviso at the end of the first sentence, inserted the second paragraph, and transferred the former second sentence to appear as the present third paragraph.

**§ 54-101. Election of directors and committees.**—(a) Number Elected.—At the annual meeting the members shall elect a board of directors of not less than five (5) members and a credit committee of not less than three (3) members. However, in credit unions whose business offices are located in places other than incorporated cities, the board of directors may also be the credit committee. Except as herein specified, no member of the board of directors shall be a member of the credit committee or of the supervisory committee, hereinafter provided, nor shall one person be a member of more than one such committee. All members of committees and all directors, as well as all officers whom they may elect, shall be sworn, and shall hold their several offices for such terms as may be determined by the bylaws. The board of directors may appoint a membership committee or membership officer from the members of the credit union, other than the treasurer, and assistant treasurers, or a loan officer, and authorize such membership committee or membership officer to approve applications for membership under such conditions as the board may prescribe, except that such membership committee or membership officer so authorized shall submit to the board at each monthly meeting a list of approved or pending applications for membership received since the previous monthly meeting, together with such other related information as the bylaws or board may require.

(b) Oath of Office.—The oath required of each director, officer, and member of committee shall be the oath of the individual taking the same that he will, so far as the duty devolves on him, diligently and honestly administer the affairs of such corporation, and will not knowingly violate or willingly permit to be violated any of the provisions of law applicable to such corporation, and that he is the owner in good faith and in his own right on the books of the corporation of at least one share therein. Such oath shall be subscribed by the individual making it and certified by the officer before whom it is taken, and shall immediately be transmitted to the Administrator of Credit Unions and filed and preserved in his office. (1915, c. 115, s. 9; C. S., s. 5233; 1925, c. 73, s. 3; 1935, c. 87; 1965, c. 956, ss. 1, 19.)

**Editor's Note.** — The 1965 amendment deleted a former reference to the supervisory committee in the first sentence of subsection (a), substituted "directors may also" for "directors as such may also" in the second sentence of that subsection, substituted "the credit committee or of the su-

pervisory committee, hereinafter provided" for "either of such committees" in the third sentence thereof, and added the last sentence. It also substituted "Administrator of Credit Unions" for "Superintendent of Credit Unions" near the end of subsection (b).

**§ 54-102. Duties of board of directors.**

(b) General Management.—The board of directors shall have the general management of the affairs, funds, and records of the corporation, shall meet as often as may be necessary, and, unless the bylaws shall specifically reserve all or any of these duties to the members, it shall be the special duty of the directors:

- (1) To act upon all applications for membership and the expulsion of members.
- (2) To fix the amount of the surety bond which shall be required of every person employed, appointed or elected by the credit union to any position requiring the receipt, payment or custody of money or personal property owned by the credit union or in its custody or control as collateral or otherwise, in accordance with the provisions of subdivision (5) of G.S. 54-75.
- (3) To determine from time to time the rate of interest which shall be allowed on deposits and charged on loans.
- (4) To fix the maximum number of shares which may be held by and the maximum amount which may be lent to any one member; to declare dividends; and to recommend amendments to the bylaws.
- (5) To fill vacancies in the board of directors or in the credit committees until the election and qualification of successors.
- (6) To have charge of the investment of the funds of the corporation except loans to members, and to perform such other duties as the members may from time to time authorize.
- (7) The board of directors at its first meeting after its election shall appoint a supervisory committee, (no more than one of whom may be a member of the board of directors and none a member of the credit committee), of not less than three members who shall serve for such terms as may be fixed by the bylaws. The board of directors may remove or suspend any member of the supervisory committee for neglect of duty, misfeasance, malfeasance, official misconduct, or for other good cause shown.

**§ 54-103. Duties of credit committee; appointment, powers and duties of loan officers.**—The credit committee shall meet as often as may be required after due notice has been given to each member. The credit committee shall approve every loan or advance made by the corporation to members, except as hereinafter provided in this section. Every application for a loan shall be made in writing and shall state the purpose for which the loan is desired and the security offered. No loan shall be made unless it has received the unanimous approval of those members of the committee who were present when it was considered, who shall constitute at least a majority of the committee, but the applicant for a loan may appeal from the decisions of the credit committee to the board of directors. When authorized by bylaws approved by the Administrator of Credit Unions, the credit committee, with the approval of the board of directors, may appoint one or more loan officers, and delegate to him or them the power to approve loans up to the unsecured limit, or in excess of such limit if such excess is fully secured by unpledged shares in the credit union. Each loan officer shall furnish to the credit committee a record of each loan approved or not approved by him within seven (7) days of the date of filing of the application therefor. All loans not approved by a loan officer shall be acted upon by the credit committee. No individual shall have authority to disburse funds of the credit union for any loan which has been approved by him in his capacity as a loan officer. Not more than one member of the credit committee may be ap-

pointed as a loan officer. (1915, c. 115, s. 11; C. S., s. 5235; 1961, c. 1187, s. 22; 1965, c. 956, s. 1.)

**Editor's Note.—**

The 1965 amendment substituted "Administrator of Credit Unions" for "Super-

intendent of Credit Unions" near the middle of the section.

**§ 54-104. Duties of supervisory committee.**—The supervisory committee shall examine the securities, cash and accounts of the corporation, and evaluate the acts of the board of directors, credit committee, and employees at least quarterly. Any violation of this subchapter or of the bylaws or any practice of the corporation which, in the opinion of the said committee, is unsafe, unsound, or unauthorized shall be reported to the board of directors and Administrator of Credit Unions within seven days after its discovery.

At least once during each fiscal year the supervisory committee shall make, or cause to be made, a thorough audit of the receipts, disbursements, income, assets, and liabilities of the corporation, which shall include verification of members' accounts, and shall make a full report thereon to the directors; and a copy shall be sent to the Administrator of Credit Unions. This report shall be read at the annual meeting of the members and shall be filed and preserved with the records of the corporation. (1915, c. 115, s. 12; C. S., s. 5236; 1965, c. 956, s. 21.)

All corporations organized under the provisions of this subchapter shall be subject to the management, control and supervision of the Administrator of Credit Unions as to their conduct, organization, management, business practices and their financial and fiscal matters. (1915, c. 115, s. 7; C. S., s. 5237; 1925, c. 73, s. 3; 1935, c. 87; 1957, c. 989, s. 6; 1965, c. 956, ss. 1, 22.)

**Editor's Note.—**

The 1965 amendment substituted "Administrator of Credit Unions" for "Super-

Unions, including credit unions in process of voluntary liquidation, shall pay into the office of the Administrator of Credit Unions supervisory fees as follows:

- (1) Ninety cents (90¢) for each one thousand dollars (\$1,000.00) of assets, or fraction thereof, up to and including seven hundred fifty thousand dollars (\$750,000.00), and sixty cents (60¢) for each additional thousand dollars (\$1,000.00) of assets or fraction thereof, in excess of seven hundred fifty thousand dollars (\$750,000.00) payable during the month of July each year on the basis of total assets as shown by its report of condition made to the Administrator of Credit Unions as of the previous June 30th or the date most nearly approximating same of each year, provided, that the minimum fee for said period shall not be less than fifteen dollars (\$15.00).

No credit union shall be required to pay any supervisory fee until the expiration of twelve months from the date of the issuance of a certificate of incorporation to such credit union.

(d) Any such corporation which neglects to make semiannual reports as provided in subsection (a) of this section, or any of the other reports required by the Administrator of Credit Unions at the time fixed by the Administrator, shall forfeit to the Administrator of Credit Unions five dollars (\$5.00) for each day such neglect continues; and, furthermore, the Administrator of Credit Unions shall have authority, in his discretion, to revoke the certificate of incorporation and take possession of the assets and business of any corporation failing to pay the fees required in this section after serving notice of at least fifteen (15) days upon such corporation of his intention so to do.

Whenever the cost of making the annual examination exceeds more than two

times the annual fees paid by the credit union to the State, the Administrator may charge the credit union fifty dollars (\$50.00) per day, per man for each day required to complete the examination. The Administrator may designate an independent auditing firm to do the work under his direction and supervision, with the cost to be paid by the credit union involved, except the extra cost of two times the annual fee shall not exceed more than ten per cent (10%) of the reserve fund. (1915, c. 115, s. 7; C. S., s. 5239; 1925, c. 73, s. 3; 1935, c. 87; 1965, c. 956, ss. 1, 25.)

Revocation of certificate; liquidation.**—If any such corporation shall neglect to make its annual report, as provided in this article, or any other report required by the Administrator of Credit Unions for more than fifteen days, or shall fail to pay the charges required, including the fines for delay in filing reports, the Administrator of Credit Unions shall give notice to such corporation of his intention to revoke the certificate of approval of the corporation for such neglect or failure, and if such neglect or failure continues for fifteen days after such notice, the said Administrator shall, at his discretion, personally or by an agent appointed by him, take possession of the property and business of the corporation and retain possession until such time as he may permit it to resume business, or until its affairs be finally liquidated as provided in § 54-92 of this subchapter. (1915, c. 115, s. 7; C. S., s. 5240; 1925, c. 73, ss. 3, 8; 1935, c. 87; 1957, c. 989, s. 8; 1965, c. 956, s. 1.)

**Editor's Note.**—The 1965 amendment substituted "Administrator" for "Superintendent" throughout this section.

**§ 54-109. When Administrator of Credit Unions may take possession of credit union business and property.**—The Administrator of Credit Unions may forthwith take possession and control of the business and property of any credit union to which this subchapter is applicable whenever he shall find that such credit union:

The Administrator of Credit Unions upon taking possession of the property and business of any credit union for the reasons above set forth shall retain such possession until such time as he may permit it to resume business or he may order that its affairs be finally liquidated, as provided in § 54-92 of this subchapter. ### *Execution and Filing of Certain Corporate Documents.*

**§ 55-4. Execution of corporate documents for filing; filing, recording and effectiveness.**—(a) Whenever the provisions of this chapter require any document relating to a corporation to be executed and filed in accordance with this section, unless otherwise specifically stated in this chapter:

- (1) There shall be an original executed document and also one conformed copy.
- (2) The said original document shall, if required to be executed by the corporation, be signed by the president or a vice-president and also by the secretary or an assistant secretary, with or without the corporate seal. In the case of a banking corporation, a cashier or an assistant cashier may act in lieu of a secretary or assistant secretary. If required to be executed by designated individuals, each of them shall sign.
- (3) Except where the provisions of this chapter specifically require acknowledgment, the said original document shall be verified by each of the individuals signing, whether in a representative capacity or otherwise, by a statement under oath, made before and certified by an official who is authorized under the laws of this State to take acknowledgments, declaring that he signed the said document, that the statements therein are true, and, in the case of an individual who signed in a representative capacity, declaring the capacity in which he signed and that he was authorized so to sign.
- (4) The conformed copy may either extend its conformation with the original document through all the verifications (or acknowledgments, as the case may be) or may in lieu of such extension contain the legend, after the name of the signers substantially as follows: "Original duly verified (acknowledged) by all signers."

- (5) The original document so signed and verified (or acknowledged, as the case may be), together with the conformed copy, shall be delivered to the Secretary of State. Unless he finds that it does not conform to law, the Secretary of State shall, when the proper taxes and fees have been tendered, endorse upon the original the word "filed" and the hour, day, month, and year of the filing thereof and shall file the same in his office. The Secretary of State, shall thereupon immediately compare the copy with the original and if he finds that they are identical he shall make upon the conformed copy the same endorsement which appears on the original and shall attach to the copy a certificate stating that attached thereto is a true copy of the document, designated by an appropriate title, filed in his office and showing the date of such filing. He shall thereupon return the copy so certified to the corporation or its representative.
- (6) The copy, certified as aforesaid, shall, within sixty days after the receipt by the corporation or its representative be delivered to the register of deeds of the county wherein the corporation has its registered office, and, when the proper fees shall have been tendered, it shall be recorded and properly indexed in a book to be known as the Record of Incorporations. Promptly after the recordation, the register of deeds shall note the fact of recordation on the said copy and return it to the corporation or its representative.

(b) Any such document required to be filed shall be completely effective when endorsed by the Secretary of State as provided in subsection (a)(5) above and the transaction to be effectuated thereby shall thereupon be deemed to be completely consummated as if all the required recording had been perfected, provided, however, that in lieu of the time of such endorsement by the Secretary of State, such document may fix an hour, day, month and year not more than twenty days subsequent to the endorsement of the Secretary of State and the transaction shall be deemed to be completely consummated at the time fixed by such document as if all the required recording had been perfected. Unless otherwise provided in this chapter with respect to some specific document, failure to deliver it for recording in the office of the register of deeds shall only subject the corporation to a penalty of one hundred dollars (\$100.00) to be collected by the Secretary of State.

(c) It shall be the duty of the Secretary of State, whenever so requested and upon tender of the proper fees, to certify as aforesaid any true copy of any such document on file in his office or, if such be the request, to make or cause to be made typewritten or photostatic copies of such documents and to certify the same as aforesaid. **§ 55-8. Corporate existence; filing of articles of incorporation; effect.**—The time when corporate existence begins is determined by the provisions of G.S. 55-4, and a copy of the articles certified by the Secretary of State shall be conclusive evidence that all conditions precedent required to be performed by the incorporators have been complied with and that the corporation has been incorporated under this chapter, except as against this State in a proceeding to annul or

revoke the articles of incorporation. (1901, c. 2, s. 10; Rev., s. 1140; C. S., s. 1116; G. S., s. 55-4; 1955, c. 1371, s. 1; 1957, c. 550, s. 3; 1967, c. 13, s. 3.)

**Editor's Note.—**

The 1967 amendment rewrote this section.

**§ 55-14. Change of registered office or registered agent.**

(e) In lieu of the procedure set out in subsection (a) above the location of the registered office of a domestic corporation may be changed from one address to another in the same city or town in this State upon the change of the business office of its registered agent, upon the making and executing by the registered agent of such corporation of a certificate, duly acknowledged before an officer authorized by the laws of this State to take acknowledgments of deeds, setting forth the name of each corporation represented by such registered agent and the address at which such registered agent has maintained a registered office for each of such corporations and further certifying to the new address to which such registered office will be transferred on a given day and at which new address such registered agent will thereafter maintain the registered office of each of the corporations recited in the certificate. Such certificate shall be filed in duplicate in the office of the Secretary of State who shall then furnish a certified copy of the same, showing the date of such filing, and shall return the copy so certified to the registered agent, and the copy, certified as aforesaid, shall, within 60 days after the receipt by the registered agent be delivered to the register of deeds of the county wherein the corporation has its registered office, and, when the proper fees shall have been tendered, it shall be recorded and properly indexed in a book to be known as the Record of Incorporations. Promptly after the recordation, the register of deeds shall note the fact of recordation on the said copy and return it to the registered agent. The fee to be charged by the Secretary of State for the filing of such certificate shall be a fee of three dollars (\$3.00) for each corporation listed in said certificate. (1901, c. 2, s. 31; Rev., s. 1176; C. S., s. 1133; G. S., s. 55-34; 1955, c. 1371, s. 1; 1957, c. 979, ss. 6, 7; 1965, c. 298, s. 1; 1967, c. 823, s. 17.)

**Editor's Note.—**

The 1965 amendment added subsection (e).

The 1967 amendment, effective Jan. 1, 1968, substituted "register of deeds" for "clerk of the superior court" in the second

sentence and for "clerk" in the third sentence of subsection (e).

As only subsection (e) was affected by the amendments, the rest of the section is not set out.

### *Powers and Management.*

#### **§ 55-17. General powers.**

##### **I. IN GENERAL.**

As a general rule, a corporation may use or adopt any seal. *Security Nat'l Bank v. Educators Mut. Life Ins. Co.*, 265 N.C. 86, 143 S.E.2d 270 (1965).

**And May Adopt Seal for Special Occasion.** — If a corporation adopts a seal different from its corporate seal for a special occasion, or if it has no corporate seal, the seal adopted is the corporate seal for the time and the occasion. *Security Nat'l Bank v. Educators Mut. Life Ins. Co.*, 265 N.C. 86, 143 S.E.2d 270 (1965).

##### **Any Device, etc.—**

A corporate seal may consist of anything found upon a paper and which appears to have been put there by due authority or to have been adopted and used by such authority as and for the seal of the corporation. *Security Nat'l Bank v. Educators Mut. Life Ins. Co.*, 265 N.C. 86, 143 S.E.2d 270 (1965).

**Burden of Proof as to Seal on Contract and Statute of Limitations.**—The burden is upon plaintiffs to prove that the action accrued within the time limited by § 1-47,

by showing that the company adopted the seal appearing on the contract for the special occasion or for all similar occasions, or that such seal became the seal of the corporation by reason of some other rule of law, or that the regular corporate seal was impressed or attached to the original

of the contract, or that there are facts and circumstances which exclude the operation of the 3-year statute, § 1-52, other than the matter of a seal. *Security Nat'l Bank v. Educators Mut. Life Ins. Co.*, 265 N.C. 86, 143 S.E.2d 270 (1965).

### § 55-18. Defense of ultra vires.

**The doctrine of ultra vires, etc.—**

This section has curtailed to a considerable degree the doctrine of ultra vires.

*Piedmont Aviation, Inc. v. S & W Motor Lines, Inc.*, 262 N.C. 135, 136 S.E.2d 658 (1964).

### § 55-24. Board of directors.

**Directors' Right of Management Is Subject to Stockholders Lawful Agreements.**

—Under subsection (a) the board of directors is given the right to manage the affairs of the corporation subject to the provisions of the charter, the bylaws or agreements between the shareholders otherwise lawful. *Wilson v. McClenny*, 262 N.C. 121, 136 S.E.2d 569 (1964).

plated agreements providing for the future management and control of a corporation be "otherwise lawful." *Wilson v. McClenny*, 262 N.C. 121, 136 S.E.2d 569 (1964).

**Such Agreements on Voting Are Valid Unless There Is Fraud or Prejudice.** —

The Business Corporation Act clearly aligns North Carolina with the majority of jurisdictions which hold that a contract entered into between corporate stockholders by which they agree to vote their stock in a specified manner—including agreements for the election of directors and corporate officers—is not invalid, unless it is inspired by fraud or will prejudice the other stockholders. *Wilson v. McClenny*, 262 N.C. 121, 136 S.E.2d 569 (1964).

**When Such Agreements Will Be Declared Invalid.** — Agreements providing for the future management and control of a corporation which violate the express charter or statutory provision, contemplate an illegal object, involve any fraud, oppression or wrong against other stockholders, or are made in consideration of a private benefit to the promisor, will be declared invalid. *Wilson v. McClenny*, 262 N.C. 121, 136 S.E.2d 569 (1964).

**Same Good Faith Required of Promoters as Directors.** — The promoters of a corporation occupy a relation of trust and confidence towards the corporation which they are calling into existence as well as to each other, and the law requires of them the same good faith it exacts from directors and other fiduciaries. *Wilson v. McClenny*, 262 N.C. 121, 136 S.E.2d 569 (1964).

**Agreements for Future Management Must Be "Otherwise Lawful."**—Both this section and § 55-73 require that contem-

**§ 55-26. Staggered board of directors.**—When the board of directors shall consist of nine or more members, in lieu of electing the whole number of directors annually, it may be provided in the charter or in the bylaws adopted by the shareholders that the directors be staggered by division into either two or three classes, each class to be as nearly equal in number as possible, the term of office of directors of the first class to expire at the first annual meeting of shareholders after their election, that of the second class to expire at the second annual meeting after their election, and that of the third class, if any, to expire at the third annual meeting after their election. At each annual meeting after such classification the number of directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there be two classes, or until the third succeeding annual meeting, if there be three classes. No such classification of directors shall, unless made in the charter, be effective prior to the first annual meeting of shareholders. Boards of directors may also be classified otherwise than by staggering. Corporations having a lawfully staggered or otherwise classified board of directors when this chapter goes into effect may continue their

existing classification even though not conforming to this section. (1901, c. 2, ss. 14, 44; Rev., ss. 1147, 1148; C. S., s. 1144; 1937, c. 179; 1945, c. 200; 1949, c. 917; G. S., s. 55-48; 1955, c. 914, s. 1; 1955, c. 1371, s. 1; 1959, c. 1316, s. 7.)

**Editor's Note.—**

This section is set out to correct a typographical error in the replacement volume.

**§ 55-27. Vacancies and removal of directors.**

(c) Unless the charter or the bylaws otherwise provide, vacancies may be filled by a majority of the remaining directors even though less than a quorum or by a sole remaining director. If a vacancy occurs with respect to a director who had been elected by the votes of a particular class of shares voting as a class, the vacancy shall be filled by the remaining directors or the remaining sole director elected by that class. A vacancy created by an increase in the authorized number of directors shall be filled only by election at an annual meeting or at a special meeting of shareholders called for that purpose, except as provided in G.S. 55-25 (a).

(1959, c. 1316, s. 34.)

**Editor's Note.—**

Subsection (c) is set out to correct a typographical error in the replacement volume.

As the rest of the section was not affected, it is not set out.

**§ 55-30. Director's adverse interest.**

The words "corporate transaction" were intended to apply to a situation where the corporate director is dealing directly with the corporation. *Smith v. Robinson*, 343 F.2d 793 (4th Cir. 1965).

A corporate officer acts in a fiduciary capacity and cannot profit at the expense of the corporation. *Smith v. Robinson*, 343 F.2d 793 (4th Cir. 1965).

**Adversely Interested Party Must Prove Transaction Was Fair.**—While it is true that the North Carolina law and the general law do not prohibit corporate officers from dealing with the corporation, the adversely interested party must prove that the transaction was fair, just and reasonable when entered into. *Smith v. Robinson*, 243 F.2d 793 (4th Cir. 1965).

**§ 55-32. Liability of directors in certain cases.**

**Primary Right to Enforce Liabilities Lies in Corporation.**—North Carolina statutory law has not changed, but rather has codified the rule that the primary right of enforcement of liabilities to the corporation lies in the corporation, and as such the corporation is the real party in interest and a necessary party to such action. *Underwood v. Stafford*, 270 N.C. 700, 155 S.E.2d 211 (1967).

**Creditor or Stockholder Cannot Maintain**

**Action without First Demanding Suit by Corporation.**—Where the alleged breach or injuries are based on duties owed to the corporation and not to any particular creditor or stockholder, the creditor or stockholder cannot maintain the action without a demand on the corporation, or its receiver if insolvent, to bring the suit and a refusal to do so, and a joinder of the corporation as a party. *Underwood v. Stafford*, 270 N.C. 700, 155 S.E.2d 211 (1967).

**§ 55-33. Jurisdiction over and service on nonresident director.**

**Interpretation and Validity of Section Depend on Facts.**—Questions as to the interpretation and validity of this section must be considered in relation to specific factual situations. *Lane Trucking Co. v. Haponski*, 260 N.C. 514, 133 S.E.2d 192 (1963).

**Subsection (c) Refers to Actions against Director as Such.**—Subsection (c) refers to (1) actions in which a former resident of this State who was and is a director of a domestic corporation is a necessary or

proper party in his capacity as such director; and (2) actions by shareholders or creditors against a director for violation of his duty as such director. *Lane Trucking Co. v. Haponski*, 260 N.C. 514, 133 S.E.2d 192 (1963).

**It Is Inapplicable to Action against One Not Director or for Actions after Removal.**—Subsection (c) has no application to an action against a person who is not a director of a corporation at the time the action is instituted, or to an action which

seeks recovery against a director for alleged wrongful conduct subsequent to his removal from office as director. *Lane Trucking Co. v. Haponski*, 260 N.C. 514, 133 S.E.2d 192 (1963).

### § 55-37. Books and records.

**Application to Building and Loan Associations.**—

The provisions of this section concerning shareholders' lists, and § 55-64, concerning voting lists, are applicable to savings and

loan associations, and mandamus is expressly authorized by subsection (b) of this section to compel compliance. *Cooke v. Outland*, 265 N.C. 601, 144 S.E.2d 835 (1965).

### § 55-38. Examination and production of books, records and information.

(i) Provided that nothing in this section shall be construed to authorize a shareholder of a banking corporation to examine the deposit records or loan records of a bank customer, except upon order of a court of competent jurisdiction for good cause shown. (1901, c. 2, s. 49; Rev., s. 1179; C. S., s. 1172; G. S., s. 55-109; 1955, c. 1371, s. 1; 1965, c. 609.)

**Editor's Note.**—The 1965 amendment added subsection (i).

As the other subsections were not changed by the amendment, they are not set out.

For note on the 1965 amendments to this chapter, see 44 N.C.L. Rev. 1106 (1966).

**The purpose of this section** was to define with some definiteness the rights of inspection of shareholders and to impose some safeguards against fishing expeditions, especially by recent transferees. *Cooke v. Outland*, 265 N.C. 601, 144 S.E.2d 835 (1965).

**It Applies to Banks.**—The 1965 amendment to this section shows that the General Assembly considered the provisions of this section applicable to banking corpora-

tions. *Cooke v. Outland*, 265 N.C. 601, 144 S.E.2d 835 (1965).

**Stockholders Have Right to Inspect Books.**—Since the stockholders are, in a sense, the beneficial owners of the corporate assets, and thus the persons primarily interested in seeing that the concern is efficiently and profitably managed, it has generally been held that they are entitled to inspect the books and records in order to investigate the conduct of the management, determine the financial condition of the corporation, and generally take an account of the stewardship of the officers and directors, at least where there are circumstances justifying some suspicion of mismanagement. *Cooke v. Outland*, 265 N.C. 601, 144 S.E.2d 835 (1965).

**But Fishing Expedition Is Not Authorized.**—This section does not give a stockholder an absolute right of inspection and examination for a mere fishing expedition, or for a purpose not germane to the protection of his economic interest as a shareholder in the corporation. *Cooke v. Outland*, 265 N.C. 601, 144 S.E.2d 835 (1965).

**When Mandamus Proper.**—The writ of mandamus should not be granted for speculative purposes, or to gratify idle curiosity, or to aid a blackmailer, but it may not be denied to the stockholder who seeks the information for legitimate purposes. *Cooke v. Outland*, 265 N.C. 601, 144 S.E.2d 835 (1965).

#### ARTICLE 5.

#### *Corporate Finance.*

#### § 55-50. Dividends in cash or property.

(i) As used in this subsection, net profits mean such net profits as can lawfully be paid in dividends to a particular class of shares after making allowance for the prior claims of shares, if any, entitled to preference in the payment of dividends, but in the determination of such profits the provisions of subsection (d) of this section shall not apply. If during its immediately preceding fiscal period a corporation has paid to any class of shares dividends in cash or property amounting to less than one-third of the net profits of said period allocable to that class, the holder or holders of twenty per cent (20%) or more of the shares of that class may, within four months after the close of said period, make written demand upon the corporation for the payment of additional dividends for that period. After a corporation has received such a demand, the directors shall, during the then current fiscal period or within three months after the close thereof, cause dividends in cash or property to be paid to the shareholders of that class in an amount equal to the difference between the dividends paid in said preceding fiscal period to shareholders of that class and one-third of the net profits of said period allocable to that class, or in such lesser amount as may be demanded. A corporation shall not, however, be required to pay dividends pursuant to such demand insofar as such payment would exceed fifty per cent (50%) of the net profits of the current fiscal period in which such demand is made or insofar as the net profits are being retained to eliminate a deficit. Upon receipt of such a demand a corporation may elect to treat any dividend previously paid in the current fiscal period as having been paid in the preceding fiscal period, in which event the corporation shall so notify all shareholders. If a dividend is paid in satisfaction of a demand made in accordance with this subsection it shall be deemed to have been paid in the period for which it was demanded, and all shareholders shall be so informed concurrently with such payment. This subsection shall not apply to any corporation having total assets of one million dollars (\$1,000,000) or more and whose shareholders number seven hundred and fifty (750) or more.

(1965, c. 726.)

#### **Editor's Note.**—

The 1965 amendment added the last sentence in subsection (i).

As the rest of the section was not affected by the amendment, only subsection (i) is set out.

For note on the 1965 amendments to this chapter, see 44 N.C.L. Rev. 1106 (1966).

**Joinder of Suit for Failure to Declare Dividends with Cause of Action for Liquidation.** — A stockholder in a corporation may sue the corporation, and join its directors as defendants, for failure to de-

clare adequate dividends from the corporation's earnings; and may join therewith a second cause of action for liquidation and involuntary dissolution of the corporation based upon bad faith management in suppressing dividends and in deflating the value of the corporation's assets, thus precluding the plaintiff stockholder from obtaining either a fair dividend or a fair market for his stock. *Dowd v. Charlotte Pipe & Foundry Co.*, 263 N.C. 101, 139 S.E.2d 10 (1964).

#### § 55-52. Acquisition by a corporation of its own shares.

(c) Subject to the provisions of subsections (e) and (f) of this section, a cor-

poration may, by the action of its board of directors, purchase and pay for its shares, but only out of surplus and only in the following cases:

- (1) Pro rata from all its shareholders or all of a class of shareholders.
- (2) On an organized securities exchange, if the board of directors shall have obtained authorization so to purchase, within a period of one year preceding the purchase, by the vote of the holders of a majority of the shares of the class to be purchased, after full disclosure to them of the specific purpose of the proposed purchase.
- (3) From any shareholder of any class, if the board of directors shall have obtained authorization so to purchase, within a period of one year preceding the purchase, by a vote of a majority of the holders of the class of shares of the corporation which are entitled to vote, after full disclosure to the holders of the class of shares entitled to vote of the specific purpose of the proposed purchase, together with a statement of the class of shares proposed to be purchased. Authorization of the stockholders shall not be required for each specific purchase, provided the total number of shares purchased shall not exceed the maximum number of shares authorized in the authorization of the stockholders.
- (4) From any shareholder in the exercise of the corporation's right to purchase the shares pursuant to restrictions upon the transfer thereof.
- (5) In connection with stabilizing operations authorized by the Securities and Exchange Commission or other regulatory authority.
- (6) From any shareholder shares which at the time are listed and traded on a securities exchange regulated or supervised by the Securities and Exchange Commission or other regulatory authority of the United States government or of a corporation which is subject to and regulated by the Securities Act of 1933 as amended.

(1967, c. 1163.)

Editor's Note.—

The 1967 amendment added the language following "United States government" at the end of subsection (c) (6).

As the rest of the section was not affected by the amendment, it is not set out.

porate securities in North Carolina, see 44 N.C.L. Rev. 290 (1966).

### § 55-73. Shareholders' agreements.

**Agreement as to Voting Is Valid Unless There Is Fraud or Prejudice.**—The Business Corporation Act clearly aligns North Carolina with the majority of jurisdictions which hold that a contract entered into between corporate stockholders by which they agree to vote their stock in a specified manner—including agreements for the election of directors and corporate officers—is not invalid, unless it is inspired by fraud or will prejudice the other stockholders. *Wilson v. McClenny*, 262 N.C. 121, 136 S.E.2d 569 (1964).

**Agreements for Future Management Must Be "Otherwise Lawful."**—Both this

section and § 55-24 require that contemplated agreements providing for the future management and control of a corporation be "otherwise lawful." *Wilson v. McClenny*, 262 N.C. 121, 136 S.E.2d 569 (1964).

**When Such Agreements Held Invalid.**—Agreements providing for the future management and control of a corporation which violate the express charter or statutory provision, contemplate an illegal object, involve any fraud, oppression or wrong against other stockholders, or are made in consideration of a private benefit to the promisor, will be declared invalid.

Wilson v. McClenny, 262 N.C. 121, 136 S.E.2d 569 (1964).

The promoters of a corporation occupy a relation of trust and confidence towards the corporation which they are calling in-

to existence as well as to each other, and the law requires of them the same good faith it exacts from directors and other fiduciaries. Wilson v. McClenny, 262 N.C. 121, 136 S.E.2d 569 (1964).

§ 55-109. **Articles of merger or of consolidation.**—(a) After the approval by the shareholders as required by G.S. 55-108, articles of merger or of consolidation shall be executed by each corporation and be filed as provided in G.S. 55-4, except that a copy thereof certified by the Secretary of State shall also be recorded in the office of the register of deeds of each county wherein the constituent corporations have their registered offices.

(1967, c. 823, s. 18.)

**Cross Reference.**—See Editor's note to § 53-5.

**Editor's Note.** — The 1967 amendment, effective Jan. 1, 1968, substituted "register of deeds" for "clerk of the superior court" in subsection (a).

As subsections (b) and (c) were not changed by the amendment, they are not set out.

### § 55-110. **Effect of merger or consolidation.**

(b) Such surviving or new corporation shall thereupon and thereafter, to the extent consistent with its charter as established or changed by the merger or consolidation, possess all the rights, privileges, immunities, and franchises, as well of a public as of a private nature, of each of the merging or consolidating corporations; and all property, real, personal and mixed, and all debts due on whatever account, and all other choses in action, and all and every other interest, of or belonging to or due to each of the corporations so merged or consolidated, shall be taken and deemed to be transferred to and vested in such single corporation without further act or deed; and the title to any real estate or any interest therein, vested in any of such corporations shall not revert or be in any way impaired by reason of such merger or consolidation. The provisions of this subsection are subject to the provisions of G.S. 47-18.1, with regard to the registration of certificates of merger or consolidation if the title to real property is affected.

(1967, c. 950, s. 1.)

**Editor's Note.** — The 1967 amendment, effective Oct. 1, 1967, added the last sentence in subsection (b).

As only subsection (b) was affected by the amendment, the rest of the section is not set out.

*Dissolution and Liquidation.***§ 55-125. Power of courts to liquidate and decree involuntary dissolution.**

**Showing Required under Subsection (a) (4).**—When the power of the court in the exercise of its equitable jurisdiction is invoked to liquidate and decree involuntary dissolution under subsection (a) (4), there must be a showing that the liquidation is reasonably necessary for the protection of the rights or interests of the complaining shareholder. *Dowd v. Charlotte Pipe & Foundry Co.*, 263 N.C. 101, 139 S.E.2d 10 (1964).

**Joinder of Suit for Failure to Declare Dividends with Cause of Action for Liquidation.**—A stockholder in a corporation may sue the corporation, and join its directors as defendants, for failure to declare adequate dividends from the corporation's earnings; and may join therewith a second cause of action for liquidation and involuntary dissolution of the corporation based upon bad faith management in suppressing dividends and in deflating the value of the corporation's assets, thus precluding the plaintiff stockholder from

obtaining either a fair dividend or a fair market for his stock. *Dowd v. Charlotte Pipe & Foundry Co.*, 263 N.C. 101, 139 S.E.2d 10 (1964).

**Directors are Proper Parties to Shareholder's Suit.**—Directors are proper parties to a suit to dissolve the corporation upon the complaint of one shareholder, even though no relief is sought against them personally. *Dowd v. Charlotte Pipe & Foundry Co.*, 263 N.C. 101, 139 S.E.2d 10 (1964).

**They May Be Joined or Become Parties on Own Application.**—The implication in this section is that directors and other interested shareholders may be made, or, on their own application, may become parties to a complaining shareholder's action to liquidate and dissolve the corporation. Certainly, the directors are not improper parties. *Dowd v. Charlotte Pipe & Foundry Co.*, 263 N.C. 101, 139 S.E.2d 10 (1964).

**§ 55-127. Procedure in liquidation of corporation by court.**

Applied in *Dowd v. Charlotte Pipe & Foundry Co.*, 263 N.C. 101, 139 S.E.2d 10 (1964).

**§ 55-129. Duties of officials as to decrees and orders concerning dissolution.**—A court decree effecting or canceling a dissolution of a corporation or a court order declaring liquidation completed shall contain a direction to the clerk of that court promptly to file one certified copy of such decree or order with the Secretary of State and also to file a certified copy thereof with the register of deeds of the county wherein the corporation has its registered office. The fees for the preparation, certificates, and filing of such decree or order shall be taxed as a part of the costs in the action. (1955, c. 1371, s. 1; 1967, c. 823, s. 19.)

**Cross Reference.**—See Editor's note to § 53-5.

**Editor's Note.** — The 1967 amendment, effective Jan. 1, 1968, substituted "register

of deeds" for "clerk of the superior court" in the first sentence and deleted "unless the decree or order was entered in that court" at the end of such sentence.

## ARTICLE 10.

*Foreign Corporations.***§ 55-131. Right to transact business.**

**Editor's Note.**—

For comment on the duty to register the transfer of investment securities, see 44 N.C.L. Rev. 854 (1966).

**Substituted Service Proper against Domesticated Foreign Corporation Wherever Cause of Action Arose.**—A foreign cor-

poration which has complied with this article and has been duly authorized to do business in this State, may be sued in this State by substituted service on the Secretary of State on a cause of action arising either inside or outside the State. *Atlantic Coast Line R.R. v. J. B. Hunt*

& Sons, 260 N.C. 717, 133 S.E.2d 644 (1963).

More soliciting or procuring orders through employees or agents, where such orders require acceptance without this State before becoming binding contracts, does not constitute "transacting business"

### § 55-138. Application for certificate of authority.

**Section Inapplicable Where Foreign Corporation Has Complied with Requirements for Domestication.**—Where a foreign corporation has complied with the statutory requirements for domestication it is not required to file with the Secretary of State

in this State. *Schnur & Cohan, Inc. v. McDonald*, 220 F. Supp. 9 (M.D.N.C. 1963), appeal dismissed, 328 F.2d 103 (4th Cir. 1964).

**Stated in** *Westarc Leasing Corp. v. Capital Sign Serv., Inc.*, 268 N.C. 601, 151 S.E.2d 204 (1966).

### § 55-142. Change of registered office or registered agent of foreign corporation.

(d) In lieu of the procedure set out in subsection (a) above, the location of the registered office of a foreign corporation may be changed from one address to another in the same city or town in this State upon the change of the business office of its registered agent, upon the making and executing by the registered agent of such corporation of a certificate, duly acknowledged before an officer authorized by the laws of this State to take acknowledgments of deeds, setting forth the name of each corporation represented by such registered agent and the address at which such registered agent has maintained a registered office for each of such corporations and further certifying to the new address to which such registered office will be transferred on a given day and at which new address such registered agent will thereafter maintain the registered office of each of the corporations recited in the certificate. The fee to be charged by the Secretary of State for the filing of such certificate shall be a fee of three dollars (\$3.00) for each corporation listed in said certificate. (1955, c. 1371, s. 1; 1957, c. 979, ss. 9, 10; 1965, c. 298, s. 2.)

#### Editor's Note.—

The 1965 amendment added subsection (d).

As only subsection (d) was affected by the amendment, the rest of the section is not set out.

For note on the 1965 amendments to this chapter, see 44 N.C.L. Rev. 1106 (1966).

### § 55-143. Suits against foreign corporations authorized to transact business in this State.

#### Editor's Note.—

Subsection (c) of this section changed the rule laid down in *Central Motor Lines, Inc. v. Brooks Transp. Co.*, 225 N.C. 733, 36 S.E.2d 271, 162 A.L.R. 1419 (1945); *Hamilton v. Atlantic Greyhound Corp.*, 220 N.C. 815, 18 S.E.2d 367 (1942); and *King v. Robinson Transfer Motor Lines, Inc.*, 219 N.C. 223, 13 S.E.2d 233 (1941). *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**Domesticated Foreign Corporation May Be Sued Like Domestic Corporation.**—The policy of this section is to treat the foreign corporation which is authorized to transact business in this State just as a domestic corporation is treated, insofar as suability

is concerned. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

#### Secretary of State Becomes Process Agent if There Is No Registered Agent.—

If a foreign corporation fails to appoint or maintain a registered agent in this State, or whenever such agent cannot be found, then the Secretary of State becomes an agent upon whom process may be served. *Atlantic Coast Line R.R. v. J.B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**Express consent to substituted service** is required at the time the foreign corporation domesticates, and such express consent has been held to cure the constitutional difficulty presented by transitory

causes of action. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**Thus, Domesticated Foreign Corporation May Be Sued by Substituted Service on Transitory Cause of Action.**—A foreign corporation which has complied with this article and has been duly authorized to do business in this State, may be sued in this State by substituted service on the Secretary of State on a cause of action arising either inside or outside the State. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**Whether or Not Suit Relates to Business Transacted in State.**—This section sanctions a suit in this State against a foreign corporation authorized to transact business in this State by service on the registered agent, or on the Secretary of State if there is no such agent, whether or not it relates to business transacted in this State. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**But Section Is Inapplicable to Undo-**

**§ 55-144. Suits against foreign corporations transacting business in the State without authorization.**

**Editor's Note.**—

For case law survey on conflict of laws, see 43 N.C.L. Rev. 895 (1965).

For case law survey on trial practice, see 43 N.C.L. Rev. 938 (1965).

For note on jurisdiction over foreign corporations not qualified to transact business in North Carolina, see 44 N.C.L. Rev. 449 (1966).

**Section Preserves Rule as to Substituted Service on Undomesticated Foreign Corporations.**—The rule as to substituted service on foreign corporations which transact business in this State without domesticating is preserved by this section. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**Such Corporation May Not Be Sued on Transitory Foreign Cause of Action.**—A foreign corporation which has done business in the State without complying with the law may not be brought into court on a transitory foreign cause of action. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**This Section Gives No Jurisdiction of Such Causes of Action.**—This section provides no jurisdiction in this State for foreign transitory causes of action. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

The provisions of this section are not available for transitory foreign causes of action. *Abney Mills v. Tri-State Motor*

**Transit Co., 265 N.C. 61, 143 S.E.2d 235 (1965).**

**Undomesticated Foreign Corporations.**—This section applies to service of process on a foreign corporation only in those instances in which the corporation has domesticated here, regardless of whether or not the cause of action arose in this State and regardless of whether the action relates to business transacted in this State, and this section has no application to a foreign corporation which has not domesticated here. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**Substituted Service in Action against Such Corporation for Tort Committed outside State Is Unauthorized.**—No statute in North Carolina authorizes service upon the Secretary of State in an action against an undomesticated foreign corporation doing business in this State or a tort committed outside this State. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**Cited in** *Abney Mills v. Tri-State Motor Transit Co.*, 268 N.C. 313, 150 S.E.2d 585 (1966).

*Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

**Thus, There Cannot Be Substituted Service on Such Corporation in Action on Foreign Tort.**—If a foreign corporation, not domesticated in North Carolina, were transacting business in this State, it could not be brought into court in this State under this section by service of process upon the Secretary of State in an action based on a tort occurring in Virginia. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

No statute in this State authorizes service upon the Secretary of State in an action against an undomesticated foreign corporation doing business in this State for a tort committed outside this State. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

While defendant was doing business in this State during the time its agent was here managing a domestic carrier, the cause of action did not arise out of business so transacted in this State, and therefore service of process under this section by service on the Secretary of State was a nullity. *Abney Mills v. Tri-State Motor Transit Co.*, 268 N.C. 313, 150 S.E.2d 585 (1966).

**Cause of Action Must Arise in This State for Substituted Service.**—An action based upon substituted service on the Secretary of State may be maintained against an undomesticated foreign corporation only

on causes arising within the State. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**But Service Is Not Authorized in Every Case Where Cause of Action Arose in This State.**—This section does not authorize service of summons upon the Secretary of State in all cases where the cause of action arose in this State. *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

**And This Section Limits Such Service to Causes of Action from Business Transacted in State.**—This section expressly limits substituted service upon the Secretary of State where the foreign corporation has not domesticated, to suits upon a cause of action arising out of business transacted in this State. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

This section applies only when the cause of action against a foreign corporation arises out of business conducted by it in this State, and therefore, when a transitory cause of action arises in another state, this section can have no application. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

For the service of process upon the Secretary of State to be valid and binding upon defendant, two things must exist, by reason of the express provisions of this section: (1) Defendant must have transacted business in this State, and (2) the cause of action here must have arisen out of such business. *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

**This section requires more "contacts," etc.**—

This section concerns "foreign corporations transacting business in the State" and, therefore, necessarily seems to be more restrictive in its application than § 55-145, the latter section dealing with "foreign corporations not transacting business" in the State. The foreign corporation must have more contacts with the forum state in order to come within the statutory limits of this section. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**Effect of Change from, etc.**—

In accord with original. See *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

The present North Carolina statute was enacted after the landmark decision in *International Shoe Co. v. Washington*, 326 U.S. 310, 66 Sup. Ct. 154, 90 L. Ed. 95 (1945), wherein the old jurisdictional tests

of "consent," "presence," and "doing business" were discarded and a qualitative test of "minimum contacts" was established for determining the constitutional limits on a state court's jurisdictional reach. North Carolina's previous statute had used the phrase "doing business," and in July 1957 this was replaced with the present § 55-144 and its "transacting business" phraseology. In *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965), this present language was held to be more liberal than the previous "doing business." *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

The meaning of the expression "doing business in this State," as used in former § 55-38, is also accurate as to the meaning of "shall transact business in this State," as used in this section. *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

**What Constitutes Doing Business.**—

In accord with 1st paragraph in original. See *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

Doing business in this State means doing some of the things or exercising some of the functions in this State for which the corporation was created. *Spartan Equip. Co. v. Air Placement Equip. Co.*, 263 N.C. 549, 140 S.E.2d 3 (1965); *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

The business done by the corporation in this State must be of such nature and character as to warrant the inference that the corporation has subjected itself to the local jurisdiction and is, by its duly authorized officers and agents, present within the State. *Spartan Equip. Co. v. Air Placement Equip. Co.*, 263 N.C. 549, 140 S.E.2d 3 (1965); *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

Transacting business within the State is defined as the transaction within the State of some substantial part of a party's ordinary business, which must be continuous in the sense that it is distinguished from merely casual or occasional transactions, and must be of such a character as will give rise to some form of legal obligations. *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

In *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965), "transacting business" was construed as activities in North Carolina which are "'substantial,' 'continuous and systematic,' and 'regular,' as distinguished from 'casual,' 'single' or 'isolated acts.'"

*Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

Presence in the State has never been doubted when the activities of the corporation there have not only been continuous and systematic, but also give rise to the liabilities sued on, even though no consent to be sued or authorization to an agent to accept service of process has been given. *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

**Same—Invocation of Benefits of Law of Forum.**—A relevant inquiry is whether defendant engaged in some act or conduct by which it may be said to have invoked the benefits and protections of the law of the forum. *United States v. Atlantic Contractors, Inc.*, 231 F. Supp. 356 (E.D.N.C. 1964).

**Same—Continuity of Conduct.**—

Where a foreign corporation has been continuously and systematically for several years doing business in North Carolina and exercising in this State some of the functions for which it was created, and has such substantial contacts within the State that the maintenance of a suit in personam does not offend traditional notions of fair play and substantial justice, it is proper to refuse to quash service of process. *Spartan Equip. Co. v. Air Placement Equip. Co.*, 263 N.C. 549, 140 S.E.2d 3 (1965).

**Same — Employment of Soliciting Agent.**—

While the salesmen did some promotional work, and attempted to create good will for their company, and perhaps on occasions rendered engineering service or advice to customers, their principal and significant duties consisted of soliciting orders for acceptance at the home office and this did not constitute transacting business. *Schnur & Cohan, Inc. v. McDonald*, 220 F. Supp. 9 (M.D.N.C. 1963), appeal dismissed, 323 F.2d 103 (4th Cir. 1964).

**Same—Single-Item Sales Contract Following Engineering Consultant Services.**—The facts amount to two intermittent acts: (1) The contract to supply engineering consultant services to a furniture manufacturer. The work was not shown to have been performed within the State of North Carolina; performance in that contract was completed at least a year prior to the events involved in the case at bar; and the action here in suit did not arise out of that consultant contract. (2) The negotiation of the single-item sales contract involved in the case at bar. These activities fall outside this section. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**Same—Ownership or Control of Subsidiary Doing Business in State.**—Generally, it has been held or recognized that the mere ownership or control by a foreign corporation through a majority stock ownership of the stock of another corporation which is doing business within a state, either resident or domiciled, does not, in and of itself, constitute doing business within the state by the foreign corporation for the service of process so as to subject it to the state's jurisdiction, where the foreign corporation is not created for the very purpose of holding such stock and the two corporations remain distinct entities. *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

**Same—Transacting Business of Domestic Subsidiary in State.**—Where a foreign corporation acquires and holds controlling stock interest in a domestic corporation, and comes into the state where the domestic corporation is created and doing business, and there itself by its officer or officers transacts business of the domestic corporation and manages and controls its internal affairs, then such foreign corporation is doing business within the domestic state and is subject to the jurisdiction of its courts. *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

**Same—Question of Fact.**—

It is to be distinctly understood that no all-embracing rule as to what is the meaning of "shall transact business in this State" has been formulated. This question must be determined largely according to the facts of each individual case rather than by the application of fixed, definite, and precise rules. *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

The validity of service of summons under this section, as well as the satisfaction of due process, must be largely determined by a factual evaluation of the nature and extent of the business of the defendant. *Schnur & Cohan, Inc. v. McDonald*, 220 F. Supp. 9 (M.D.N.C. 1963), appeal dismissed, 328 F.2d 103 (4th Cir. 1964).

Whether the type of activity conducted within the State is adequate to satisfy the "transacting business" requirements depends upon the facts of the particular case. *United States v. Atlantic Contractors, Inc.*, 231 F. Supp. 356 (E.D.N.C. 1964).

The question of whether a company is transacting business within the State cannot be answered by applying a mechanical formula or rule of thumb, but only by ascertaining what is fair and reasonable and

just in the circumstances. *United States v. Atlantic Contractors, Inc.*, 231 F. Supp. 356 (E.D.N.C. 1964).

Findings of fact should be made so that it could be determined whether or not activities by the defendant in this State were "substantial," "continuous and systematic," and "regular," as distinguished from "casual," "single" or "isolated acts," and that defendant by such activities was

transacting business in this State under the relevant rules of law and within the intent and meaning of this section. *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965).

The federal court in a diversity action is bound by the jurisdictional limits placed on the North Carolina courts by the State legislature. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

### § 55-145. Jurisdiction over foreign corporations not transacting business in this State.

#### Editor's Note.—

For case law survey on conflict of laws, see 43 N.C.L. Rev. 895 (1965).

For note on jurisdiction over foreign corporations not qualified to transact business in North Carolina, see 44 N.C.L. Rev. 449 (1966).

The jurisdiction created by this section pertains only to local actions and has no application to any cause of action arising outside the State. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

**But Applies to Foreign Corporations Not Transacting Business in State.**—This section governs jurisdiction over foreign corporations not transacting business in this State. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

Foreign corporations are by this section made subject to local suits by residents of this State in some situations where they have engaged in specified activity giving rise to a cause of action locally, even though they are not so "transacting business" as to be required to obtain a certificate of authority. *Atlantic Coast Line R.R. v. J. B. Hunt & Sons*, 260 N.C. 717, 133 S.E.2d 644 (1963).

By its terms, this section applies to foreign corporations not transacting business in North Carolina and so seems to be intended to take advantage of the liberal constitutional limits provided by the decision in *International Shoe Co. v. Washington*, 326 U.S. 310, 66 Sup. Ct. 154, 90 L. Ed. 95 (1945). *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**And Authorizes Personal Judgment.**—Where a cause of action stated in a complaint or a cross action arises out of a transaction which falls within the terms of this section and service of process is had under § 55-146, the defendant is brought within the jurisdiction of the court for purposes of an in personam judgment. *Farmer v. Ferris*, 260 N.C. 619, 133 S.E.2d 492 (1963).

The federal court in a diversity action is bound by the jurisdictional limits placed on the North Carolina courts by the State legislature. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**Sufficiency of Contacts and Manner of Service Present Question of Due Process.**—Whether a foreign corporation has sufficient contacts within the State to subject it to service of process in an action in personam, and whether the manner of service is a reasonable method of notification to it of the action, present a question of due process which must be decided in accordance with the decisions of the Supreme Court of the United States upon the facts of each particular case upon the basis of what is fair and reasonable and just under the circumstances. *Farmer v. Ferris*, 260 N.C. 619, 133 S.E.2d 492 (1963).

**Substantial Contacts Make Exercise of Jurisdiction Just.**—Direct, substantial and uninterrupted contacts by a foreign corporation with this State make it reasonable and just for the court to exercise its jurisdiction over such foreign corporation as authorized by this section. *Farmer v. Ferris*, 260 N.C. 619, 133 S.E.2d 492 (1963).

When the activities of the foreign corporation in the forum state have not only been continuous and systematic, but also give rise to the liabilities sued on, the forum state does not violate due process by taking jurisdiction of the suit instituted by a resident of such state, even though no consent to be sued or authorization to an agent to accept service of process has been given. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**Defendant Must Have Purposely Availed Itself of Privilege of Conducting Activities.**—It is essential in each case that there be some act by which the defendant purposefully avails itself of the privilege of conducting activities within the forum state, thus invoking the benefits and protection of its law. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

To the extent that a corporation exercises the privilege of conducting activities within a state, it enjoys the benefits and protection of the laws of that state. The exercise of that privilege may give rise to obligations, and, so far as those obligations arise out of and are connected with the activities within the state, a procedure which requires the corporation to respond to a suit brought to enforce them can, in most instances, hardly be said to be undue. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**Cause of Action Must Arise in State Out of One of Delineated Activities.**—This section confers jurisdiction over any cause of action arising out of any one of four specific and well-delineated activities. If one of these four activities is present but the cause of action arises elsewhere, or if none of the four activities is present although others may be present, there is no jurisdictional grant. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**Contract Substantially Connected with State Is Sufficient.**—It is sufficient for the purposes of due process if the suit is based on a contract which has substantial connection with the forum state. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

An agent was acting in behalf of defendant in this State in negotiating a contract with plaintiff, and it was reasonable to infer that plaintiff's letter to defendant, in response to the advertisement in the local paper, was referred to the agent by defendant. The agent wrote plaintiff on defendant's stationery and arranged a meeting. When plaintiff's signature to the contract was obtained, defendant accepted it and thereby accepted the benefits of the agent's activities and ratified them. Defendant, as its initial step in performing the contract, sent a representative to this State to assist in procuring a location for plaintiff's "Cibo House." It was held that it did not lie in the mouth of defendant to say that it had no contacts with this State. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**But Not Casual Presence of Agent.**—The casual presence of the corporate agent or even his conduct of single or isolated activity in a state in the corporation's behalf are not enough to subject it to suit on causes of action unconnected with the activities there. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**A contract made in this State is one which is executed in this State, i.e., where the "final act necessary to make it a bind-**

ing obligation was done" in this State. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**But Contract Is Made Elsewhere When Final Act Is Done Out of State.**—There was sufficient evidence to support the finding of the court below that the final act of executing a sales contract was the signature by the seller in Wisconsin, and thus the contract was to be considered made in Wisconsin. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**Subsection (a) (1) Only Applies to Contracts to Be Performed Here to Substantial Degree.** — States which have sought to bring within the jurisdiction of their courts foreign corporations which contract with residents of the State, whether the whole or any part of the contract is to be performed in the forum state, have drafted their "long arm" statutes to read "to be performed in whole or in part" in the State. North Carolina has not chosen to use this broader language in its statute, and so subsection (a) (1) of this section must be construed as relating only to those contracts that are to be performed to a substantial degree within the forum state. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

This was a sales contract for a machine with delivery f.o.b. the seller's plant in Wisconsin. Almost the entire performance of the contract was to occur at the seller's manufacturing plant, the buyers to accept delivery there and pay all shipping costs to their North Carolina business site. The seller was to provide one technician for one day at the buyers' plant to advise appellants on how they were to install the machine. After the buyers had completed the installation, seller's technician was to return to North Carolina and inspect the installation and supervise the initial production run on the machine. The substantial portion of the overall contract performance therefore occurred at appellee's manufacturing plant in Wisconsin, and subsection (a) (1) did not apply. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**Size of Claim Is Pertinent.** — When claims are small or moderate, individual claimants frequently cannot afford the cost of bringing an action in a foreign forum, thus placing the foreign corporation beyond the reach of the claimant. Whether this is the situation in a given case is pertinent. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**As Is Presence of Witnesses and Evidence.**—Consideration should be given to

the question whether the crucial witnesses and material evidence are to be found in the forum state. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**And Inconvenience to Corporation.**—An estimate of the inconveniences which would result to the corporation from a trial away from its home or principal place of business is relevant. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**And Whether State's Courts Are Open to Suits by Foreign Corporation.** — Consideration should be given to the question whether the courts of the forum state are open to the foreign corporation to enforce obligations of residents of such state created by the activities and contacts of the corporation. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**As They Are in This State.**—The courts of the State have been and now are open to a foreign corporation for protection of its activities and to enforce the valid obligations which a resident or residents of this State have assumed by reason of defendant's contacts and activities. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

Consideration should be also given to any legitimate interest the State has in protecting its residents with respect to the activities and contacts of the foreign corporation. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

This State has a legitimate interest in the establishment and operation of enterprises and trade within its borders and the protection of its residents in the making of contracts with persons and agents who enter the State for that purpose. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**Form of Substituted Service Must Give Reasonable Assurance of Notice.** — The form of substituted service adopted by the forum state must give reasonable assurance that the notice to defendant will be actual. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**Burden of Suing Away from Home Need Not Always Fall on Plaintiff.**—There

is almost always some hardship to the party required to litigate away from home. But there is no constitutional requirement that this hardship must invariably be borne by the plaintiff whenever the defendant is a nonresident. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**But Failure to Provide for Service on Foreign Corporations Does Not Deny Due Process.**—It is essential to determine the extent to which the legislature of the forum state has given authority to its courts to entertain litigation against foreign corporations. Provisions for making foreign corporations subject to service in the forum state is a matter of legislative discretion, and a failure to provide for such service is not a denial of due process. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

**Subsection (a) (3) Is Inapplicable Where Machine Sold Never Enters State.**—Subsection (a) (3) of this section was not applicable to an action for breach of a sales contract by a seller in Wisconsin, where the machine sold to North Carolina buyers under the contract had never entered North Carolina nor been used there. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**Plea Insufficient to Bring Action within Subsection (a) (4).** — In an action for breach of a sales contract, the buyers sought to bring their action within subsection (a) (4) of this section by alleging that the seller never intended to perform the contract, but planned to deceive the buyers and cause them to act to their detriment. This plea was insufficient to bring the action within subsection (a) (4). The theme of the action was contract and not tort. *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

**Applied in Spartan Equip. Co. v. Air Placement Equip. Co.**, 263 N.C. 549, 140 S.E.2d 3 (1965); *Schnur & Cohan, Inc. v. McDonald*, 220 F. Supp. 9 (M.D.N.C. 1963), appeal dismissed, 328 F.2d 103 (4th Cir. 1964).

## § 55-146. Service on foreign corporations by service on Secretary of State.

**Service on the Secretary of State, etc.**—

In accord with original. See *Spartan Equip. Co. v. Air Placement Equip. Co.*, 263 N.C. 549, 140 S.E.2d 3 (1965).

**Such Service Authorizes in Personam Judgment.**—Where a cause of action stated

in a complaint arises out of a transaction which falls within the terms of § 55-145 and service of process is had under this section, the defendant is brought within the jurisdiction of the court for purposes of an in personam judgment. *Farmer v.*

Ferris, 260 N.C. 619, 133 S.E.2d 492 (1963).

**Stipulation Held to Concede Service Reasonably Assures Notice.** — Where the parties stipulated that “the mechanics of service and return set forth in subsections (a) and (b) of § 55-146 of the General Statutes of North Carolina were in all respects complied with,” it was held that it was conceded that this section gives rea-

sonable assurance that the notice to defendant will be actual, and in this case was actual. *Byham v. National Cibo House Corp.*, 265 N.C. 50, 143 S.E.2d 225 (1965).

Cited in *Abney Mills v. Tri-State Motor Transit Co.*, 265 N.C. 61, 143 S.E.2d 235 (1965); *Bowman v. Curt G. Joa, Inc.*, 361 F.2d 706 (4th Cir. 1966).

### § 55-146.1. Alternative jurisdiction over and service of process on foreign corporations.

**Section Effective July 1, 1969.**—Session Laws 1967, c. 954, s. 3, effective July 1, 1969, will add a new section reading as follows:

“In addition to the procedures set out in this chapter, foreign corporations may be served with process and subjected to the jurisdiction of the courts of this State pursuant to applicable provisions of chapter 1 and chapter 1A of the General Statutes.”

The Rules of Civil Procedure (§ 1A-1)

### § 55-154. Transacting business without certificate of authority.

Applied in *State ex rel. Glamorgan Pipe & Foundry Co. v. Benfield*, 266 N.C. 342, 145 S.E.2d 912 (1966).

and the jurisdiction statute (§ 1-75.1 et seq.) which accompanies them seek to secure for the courts of North Carolina the full extent of jurisdiction constitutionally allowable to them, and accordingly there is duplication of some of the “long arm” statutes already in force in this State with regard to corporations and insurers. It is the purpose of this section and §§ 55A-68.1 and 58-153.2 to allow service of process and the obtaining of jurisdiction under either procedure.

Stated in *Westarc Leasing Corp. v. Capital Sign Serv., Inc.*, 268 N.C. 601, 151 S.E.2d 204 (1966).

and “G.S. 161-10” for “G.S. 2-26” in subsection (c).

**§ 55A-3. Applicability of chapter.**—(a) The provisions of this chapter relating to domestic corporations shall apply to:

- (1) All corporations hereafter organized under this chapter.
- (2) All nonprofit corporations heretofore organized under any act hereby repealed, except nonprofit corporations having capital stock.
- (3) All nonprofit corporations without capital stock heretofore or hereafter organized under any other act, unless there is some other specific statutory provision particularly applicable to such corporations or inconsistent with some provisions of this chapter, in which case that other provision prevails. Nothing herein shall apply to hospital and medical service corporations as defined in chapter 57 of the General Statutes which were incorporated prior to July 1, 1957 or repeal or modify the provisions of G.S. 54-138.

(b) The provisions of this chapter relating to foreign corporations shall apply to all such corporations conducting affairs in this State for purposes for which a corporation might be organized under this chapter. (1955, c. 1230; 1967, c. 659.)

**Editor's Note.**—The 1967 amendment substituted "as defined in chapter 57 of the General Statutes which were incorpo- rated prior to July 1, 1957" for "regulated by chapter 57 of the General Statutes" in subdivision (3) of subsection (a).

**ARTICLE 2.**

*Execution and Filing of Certain Corporate Documents.*

**§ 55A-4. Execution of corporate documents for filing; filing, recording and effectiveness.**—(a) Whenever the provisions of this chapter require any document relating to a corporation to be executed and filed in accordance with this section, unless otherwise specifically stated in this chapter:

- (1) There shall be an original executed document and also one conformed copy.
- (2) The said original document shall, if required to be executed by the corporation, be signed by the president or a vice-president and also by the secretary or an assistant secretary, with or without the corpo-

- rate seal. If required to be executed by designated individuals each of them shall sign.
- (3) Except where the provisions of this chapter specifically require acknowledgment, the said original document shall be verified by each of the individuals signing, whether in a representative capacity or otherwise, by a statement under oath, made before and certified by an official who is authorized under the laws of this State to take acknowledgments, declaring that he signed the said document, that the statements therein are true, and, in the case of an individual who signed in a representative capacity, declaring the capacity in which he signed and that he was authorized so to sign.
  - (4) The conformed copy may either extend its conformation with the original document through all the verifications (or acknowledgments, as the case may be) or may in lieu of such extension contain the legend, after the name of the signers, substantially as follows:  
"Original duly verified (acknowledged) by all signers."
  - (5) The original document so signed and verified (or acknowledged, as the case may be), together with the conformed copy, shall be delivered to the Secretary of State. Unless he finds that it does not conform to law, the Secretary of State shall, when the proper taxes and fees have been tendered, endorse upon the original the word "filed" and the hour, day, month, and year of the filing thereof, and shall file the same in his office. The Secretary of State shall thereupon immediately compare the copy with the original and if he finds that they are identical he shall make upon the conformed copy the same endorsement which appears on the original and shall attach to the copy a certificate stating that attached thereto is a true copy of the document, designated by an appropriate title, filed in his office and showing the date of such filing. He shall thereupon return the copy so certified to the corporation or its representative.
  - (6) The copy, certified as aforesaid, shall be promptly delivered to the register of deeds of the county wherein the corporation has its registered office, and, when the proper fees shall have been tendered, it shall be recorded and properly indexed in a book to be known as the Record of Incorporations. Promptly after recordation, the register of deeds shall note the fact of recordation on the said copy and return it to the corporation or its representative.

(b) Any such document required to be filed shall be completely effective when endorsed by the Secretary of State as provided in subsection (a) (5) above and the transaction to be effectuated thereby shall thereupon be deemed to be completely consummated as if all the required recording had been perfected, provided, however, that in lieu of the time of such endorsement by the Secretary of State, such document may fix an hour, day, month and year not more than twenty days subsequent to the endorsement of the Secretary of State and the transaction shall be deemed to be completely consummated at the time fixed by such document as if all the required recording had been perfected. Unless otherwise provided in this chapter with respect to some specific document, failure to deliver it for recording in the office of the register of deeds shall only subject the corporation to a penalty of one hundred dollars (\$100.00) to be collected by the Secretary of State.

(c) It shall be the duty of the Secretary of State, whenever so requested and upon tender of the proper fees, to certify as aforesaid any true copy of any such document on file in his office or, if such be the request, to make or cause to be made typewritten or photostatic copies of such documents and to certify the same as aforesaid. (1955, c. 1230; 1967, c. 13, s. 2; c. 823, s. 21.)

Cross Reference.—See Editor's note to § 53-5.

Editor's Note.—The first 1967 amendment rewrote subsection (b).

The second 1967 amendment, effective Jan. 1, 1968, substituted "register of deeds" for "clerk of the superior court" in the first sentence and for "clerk" in the second

sentence of subdivision (6) of subsection (a) and for "clerk of the superior court" in subsection (b).

### ARTICLE 3.

#### *Formation, Name and Registered Office.*

**§ 55A-8. Corporate existence; filing of articles of incorporation; effect.**—The time when corporate existence begins is determined by the provisions of G.S. 55A-4, and a copy of the articles certified by the Secretary of State shall be conclusive evidence that all conditions precedent required to be performed by the incorporators have been complied with and that the corporation has been incorporated under this chapter, except as against this State in a proceeding to annul or revoke the articles of incorporation. (1955, c. 1230; 1967, c. 13, s. 4.)

**Editor's Note.**—The 1967 amendment rewrote this section.

### ARTICLE 6.

#### *Fundamental Changes.*

**§ 55A-37.1. Restated charter.** — (a) At any time after its charter has been amended, a corporation may by action of its board of directors, without necessity of vote of the members, cause to be prepared a document entitled "Restated Charter," which shall integrate into one document its original articles of incorporation (or articles of consolidation) and all amendments thereto, including those affected by articles of merger or consolidation, except that: In lieu of the address of the initial registered office and the name of the initial registered agent, the restated charter shall state the address of the then registered office and the name of its then registered agent.

(b) The restated charter shall also set forth that it purports merely to restate but not to change the provisions of the original articles of incorporation as supplemented and amended and that there is no discrepancy, other than as expressly permitted by this section, between the said provisions and the provisions of the restated charter.

(c) The restated charter shall be executed by the corporation and be filed as provided in G.S. 55A-4.

(d) A copy of the restated charter certified by the Secretary of State shall be presumed, until otherwise shown, to be the full and true charter of the corporation as in effect on the date when so certified.

(e) A corporation may also integrate its articles of incorporation and all amendments thereto by the procedure provided in this chapter for amending the charter. (1965, c. 762.)

**§ 55A-41. Articles of merger or consolidation.** — (a) Upon such approval, articles of merger or articles of consolidation shall be executed by each corporation and filed as provided in G.S. 55A-4, except that a copy thereof certified by the Secretary of State shall also be recorded in the office of the register of deeds of each county wherein the constituent corporations have their registered offices.

(1967, c. 823, s. 22.)

**Cross Reference.**—See Editor's note to § 53-5.

**Editor's Note.** — The 1967 amendment, effective Jan. 1, 1968, substituted "register of deeds" for "clerk of the superior court" in subsection (a).

As subsections (b) and (c) were not changed by the amendment, they are not set out.

**§ 55A-42. Effect of merger or consolidation.**

- (4) Such surviving or new corporation shall thereupon and thereafter, to the extent consistent with its charter as established or changed by the merger or consolidation, possess all the rights, privileges, immunities, and franchises, as well of a public as of a private nature, of each of the merging or consolidating corporations; and all property, real, personal, and mixed, and all debts due on whatever account, and all other choses in action, and all and every other interest, of or belonging to or due to each of the corporations so merged or consolidated, shall be taken and deemed to be transferred to and vested in such single corporation without further act or deed; and the title to any real estate, or any interest therein, vested in any of such corporations shall not revert or be in any way impaired by reason of such merger or consolidation. The provisions of this subdivision are subject to the provisions of G.S. 47-18.1, with regard to the registration of certificates of merger or consolidation if the title to real property is affected.

(1967, c. 950, s. 2.)

**Editor's Note.** — The 1967 amendment, effective Oct. 1, 1967, added the last sentence in subdivision (4).

As the rest of the section was not affected by the amendment, it is not set out.

ARTICLE 7.

*Dissolution and Liquidation.*

**§ 55A-56. Duties of officials as to decrees and orders concerning dissolution.**—A court decree effecting or canceling a dissolution of a corporation or a court order declaring liquidation completed shall contain a direction to the clerk of that court promptly to file one certified copy of such decree or order with the Secretary of State and also to file a certified copy thereof with the register of deeds of the county wherein the corporation has its registered office. The fees for the preparation, certificates, and filing of such decree or order shall be taxed as a part of the costs in the action. (1955, c. 1230; 1967, c. 823, s. 23.)

**Cross Reference.**—See Editor's note to § 53-5.

**Editor's Note.** — The 1967 amendment, effective Jan. 1, 1968, substituted "register

of deeds" for "clerk of the superior court" in the first sentence and deleted, at the end of that sentence, "unless the decree or order was entered in that court."

ARTICLE 8.

*Foreign Corporations.*

**§ 55A-68.1. Alternative jurisdiction over and service of process on foreign corporations.**

**Section Effective July 1, 1969.**—Session Laws 1967, c. 954, s. 3, effective July 1, 1969, will add a new section reading as follows:

"In addition to the procedures set out in this chapter foreign corporations may be

See note to § 55-146.1.

ARTICLE 9.

*Fees and Taxes.*

**§ 55A-77. Fees.**

As subsections (a) and (b) were not changed by the amendment, they are not set out.

## Chapter 57.

### Hospital, Medical and Dental Service Corporations.

Sec.

57-1. Regulation and definitions; application of other laws; profit and foreign corporations prohibited.

§ 57-1. Regulation and definitions; application of other laws; profit and foreign corporations prohibited. — Any corporation heretofore or hereafter organized under the general corporation laws of the State of North Carolina for the purpose of maintaining and operating a nonprofit hospital and/or medical and/or dental service plan whereby hospital care and/or medical and/or dental service may be provided in whole or in part by said corporation or by hospitals and/or physicians and/or dentists participating in such plan, or plans, shall be governed by this chapter and shall be exempt from all other provisions of the insurance laws of this State, heretofore enacted, unless specifically designated herein, and no laws hereafter enacted shall apply to them unless they be expressly designated therein.

The term "hospital service plan" as used in this chapter includes the contracting for certain fees for, or furnishing of, hospital care, laboratory facilities, X-ray facilities, drugs appliances, anesthesia, nursing care, operating and obstetrical equipment, accommodations and/or any and all other services authorized or permitted to be furnished by a hospital under the laws of the State of North Carolina and approved by the North Carolina Hospital Association and/or the American Medical Association.

The term "medical service plan" as used in this chapter includes the contracting for the payment of fees toward, or furnishing of, medical, obstetrical, surgical and/or any other professional services authorized or permitted to be furnished by a duly licensed physician, except that in any plan in any policy of insurance governed by this chapter that includes services which are within the scope of practice of a duly licensed optometrist and a duly licensed physician, then the insured or beneficiary shall have the right to choose the provider of the care or service, and shall be entitled to payment of or reimbursement for such care or service, whether the provider be a duly licensed optometrist or a duly licensed physician notwithstanding any provision to the contrary contained in such policy. The term "medical services plan" also includes the contracting for the payment of fees toward, or furnishing of, professional medical services authorized or permitted to be furnished by a duly licensed provider of health services licensed under chapter 90 of the General Statutes.

The term "dental service plan" as used in this chapter includes contracting for the payment of fees toward, or furnishing of dental and/or any other professional services authorized or permitted to be furnished by a duly licensed dentist.

The insured or beneficiary of every "medical service plan" and of every "dental service plan," as those terms are used in this chapter, or of any policy of insurance issued thereunder, that includes services which are within the scope of practice of both a duly licensed physician and a duly licensed dentist shall have the right to choose the provider of such care or service, and shall be entitled to payment of

or reimbursement for such care or service, whether the provider be a duly licensed physician or a duly licensed dentist notwithstanding any provision to the contrary contained in any such plan or policy.

The term "hospital service corporation" as used in this chapter is intended to mean any nonprofit corporation operating a hospital and/or medical and/or dental service plan, as herein defined. Any corporation heretofore or hereafter organized and coming within the provisions of this chapter, the certificate of incorporation of which authorizes the operation of either a hospital or medical and/or dental service plan, or any or all of them, may, with the approval of the Commissioner of Insurance, issue subscribers' contracts or certificates approved by the Commissioner of Insurance, for the payment of either hospital or medical and/or dental fees, or the furnishing of such services, or any or all of them, and may enter into contracts with hospitals for physicians and/or dentists, or any or all of them, for the furnishing of fees or services respectively under a hospital or medical and/or dental service plan, or any or all of them.

No foreign or alien hospital or medical and/or dental service corporation as herein defined shall be authorized to do business in this State. (1941, c. 338, s. 1; 1943, c. 537, s. 1; 1953, c. 1124, s. 1; 1961, c. 1149; 1965, c. 396, s. 1; c. 1169, s. 1; 1967, c. 690, s. 1.)

**Cross Reference.—**

As to false or fraudulent statements in connection with claims for insurance benefits, see § 14-112.1.

**Editor's Note.—**

The first 1965 amendment, effective July 1, 1965, added the exception at the end of the first sentence of the third paragraph. Section 4 of the act provides that it shall not be construed to equate optometrists with physicians except to the extent that each must be duly licensed.

The second 1965 amendment, effective Jan. 1, 1966, inserted the present fifth paragraph. Section 4 of the act provides that the right to payment or reimburse-

ment notwithstanding any provision to the contrary contained in any plan or policy shall be applicable only to those plans and policies entered into, issued, or renewed after the effective date of the act, there being no legislative intent to impair or enlarge obligations under any existing contracts.

The 1967 amendment, effective July 1, 1967, added the second sentence of the third paragraph.

Session Laws 1967, c. 690, s. 4, provides: "Nothing in this act shall be construed to equate podiatrists with physicians except to the extent that each must be duly licensed."

**§ 57-14. Taxation.**—Every corporation subject to the provisions of this chapter is hereby declared to be a charitable and benevolent corporation and all of its funds and property shall be exempt from every State, county, district, municipal and school tax or assessment, and all other taxes and license fees, from the payment of which charitable and/or benevolent institutions are now or shall be hereafter exempt. Provided, however, nothing herein contained shall prevent or prohibit corporations subject to the provisions of this chapter from paying for services rendered by municipalities and counties. For the purpose of raising revenues sufficient to defray the expenses of the administration of this chapter, and in lieu of all other taxes, an annual franchise or privilege tax is hereby levied upon every corporation subject to the provisions of this chapter at the rate of one third of one per cent of the gross annual collections from membership dues exclusive of receipts from cost plus plans. The General Assembly of North Carolina does hereby appropriate the sum of four thousand dollars (\$4,000.00) annually from its general funds to be paid over to the Department of Insurance of this State for its use in the discharge of the duties by this chapter imposed upon the Commissioner of Insurance of this State. (1941, c. 338, s. 14; 1965, c. 1128.)

**Editor's Note.—**

The 1965 amendment, effective July 1, 1965, inserted the present second sentence.

**§ 57-19. Merger or consolidation, proceedings for.**—Any two (2) or more hospital and/or medical and/or dental service corporations organized under

and/or subject to the provisions of this chapter as determined by the Commissioner of Insurance may, as shall be specified in the agreement hereinafter required, be merged into one of such constituent corporations, herein designated as the surviving corporation, or may be consolidated into a new corporation to be formed by the means of such consolidation of the constituent corporations, which new corporation is herein designated as the resulting or consolidated corporation, and the directors and/or trustees, or a majority of them, of such corporations as desire to consolidate or merge, may enter into an agreement signed by them and under the corporate seals of the respective corporations, prescribing the terms and conditions of consolidation or merger, the mode of carrying the same into effect and stating such other facts as can be stated in the case of a consolidation or merger, stated in such altered form as the circumstances of the case require, and with such other details as to conversion of certificates of the subscribers as are deemed necessary and/or proper.

Said agreement shall be submitted to the certificate holders of each constituent corporation, at a separate meeting thereof, called for the purpose of taking the same into consideration; of the time, place and object of which meeting due notice shall be given by publication once a week for two consecutive weeks in some newspaper published in Raleigh, North Carolina, and in the counties in which the principal offices of the constituent corporations are located, and if no such paper is published in the county of the principal office of such constituent corporations, then said notice shall be posted at the courthouse door of said county or counties for a period of two weeks.

Said printed or posted notices shall be in such form and of such size as the Commissioner of Insurance may approve. A true copy of said notices shall be filed with the Commissioner of Insurance.

Such publication and filing of notices shall be completed at least fifteen (15) days prior to the date set therein for the meeting, and due proof thereof shall be filed with the Commissioner of Insurance at least ten days prior to the date of such meeting.

At this meeting those present in person or represented by proxy shall constitute a quorum and said agreement shall be considered and voted upon by ballot in person or by proxy or both taken for the adoption or rejection of the same; and if the votes of two thirds of those at said meeting voting in person or by proxy shall be for the adoption of the said agreement, then that fact shall be certified on said agreement by the president and secretary of each such corporation, under the seal thereof.

The agreement so adopted and certified shall be signed by the president or vice-president and secretary or assistant secretary of each of such corporations under the corporate seals thereof and acknowledged by the president or vice-president of each such corporation before any officer authorized by the laws of this State to take acknowledgment of deeds to be the respective act, deed, and agreement of each of said corporations.

The said agreement shall be submitted to and approved by the Commissioner of Insurance, in advance of the merger or consolidation and his approval thereof shall be indicated by his signature being affixed thereto under the seal of his office.

The Commissioner shall not approve any such plans, unless, after a hearing, he finds that it is fair, equitable to certificate holders and members, consistent with law, and will not conflict with the public interest.

The agreement so certified and acknowledged with the approval of the Commissioner of Insurance noted thereon, shall be filed in the office of the Secretary of State, and shall thenceforth be taken and deemed to be the agreement and act of consolidation or merger of said corporations; and a copy of said agreement and act of consolidation or merger duly certified by the Secretary of State under the seal of his office shall also be recorded, in the office of the register of deeds of the county of this State in which the principal office of the sur-

viving or consolidated corporation is, or is to be established, and in the office of the registers of deeds of the counties of this State in which the respective corporations so merging or consolidating shall have their original certificates of incorporation recorded, and also in the office of the register of deeds in each county in which either or any of the corporations entering into merger or consolidation owns any real estate; and such record, or a certified copy thereof, shall be evidence of the agreement and act of consolidation or merger of said corporations, and of the observance and performance of all acts and conditions necessary to have been observed and performed precedent to such consolidation or merger. When an agreement shall have been signed, authorized, adopted, acknowledged, approved, and filed and recorded as hereinabove set forth in this section, for all purposes of the laws of this State, the separate existence of all constituent corporations, parties to said agreement, or of all such constituent corporations, except the one into which the other or others of such constituent corporations have been merged, as the case may be, shall cease and the constituent corporations shall become a new corporation, or be merged into one of such corporations, as the case may be, in accordance with the provisions of said agreement, possessing all the rights, privileges, powers and franchises as well of a public as of a private nature, of each of said constituent corporations, and all and singular, the rights, privileges, powers and franchises of each of said corporations, and all property, real, personal and mixed, and all debts due to any of said constituent corporations on whatever account, shall be vested in the corporation resulting from or surviving such consolidation or merger, and all property, rights, privileges, powers, and franchises and all and every other interest shall be thereafter as effectually the property of the resulting or surviving corporation as they were of the several and respective constituent corporations, and the title to any real estate, whether vested by deed or otherwise, under the laws of this State, vested in any such constituent corporations shall not revert or be in any way impaired by reason of such consolidation or merger; provided, however, that all rights of creditors and all liens upon the property of either of or any of said constituent corporations shall be preserved, unimpaired, limited in lien to the property affected by such lien at the time of the merger or consolidation, and all debts, liabilities, and duties of the respective constituent corporations shall thenceforth attach to said resulting or surviving corporation, and may be enforced against it to the same extent as if said debts, liabilities, and duties had been incurred or contracted by it; and further provided that notice of any said liens, debts, liabilities, and duties is given in writing to the resulting or surviving corporation within six months after the date of the filing of the agreement of merger in the office of the Secretary of State. All such liens, debts, liabilities, and duties of which notice is not given as provided herein are forever barred. The certificate of incorporation of the surviving corporation shall be deemed to be amended to the extent, if any, that the changes in its certificates of incorporation are stated in the agreement of merger. All certificates theretofore issued and outstanding by each constituent corporation in good standing upon the date of the filing of such agreement with the Secretary of State without reissuance thereof by the resulting or surviving corporation shall be the contract and agreement of the resulting or surviving corporation with each of the certificate holders thereof and subject to all terms and conditions thereof and of the agreement of merger filed in the office of the Secretary of State.

Any action or proceeding pending by or against any of the corporations consolidated or merged may be prosecuted to judgment as if such consolidation or merger had not taken place, or the corporations resulting from or surviving such consolidation or merger may be substituted in its place.

The liability of such constituent corporations to the certificate holders thereof, and the rights or remedies of the creditors thereof, or persons doing or transacting business with such corporations, shall not, in any way, be lessened or im-

paired by the consolidation or merger of two or more of such corporations under the provisions of this section, except as provided in this section.

When two or more corporations are consolidated or merged, the corporation resulting from or surviving such consolidation or merger shall have the power and authority to continue any contracts which any of the constituent corporations might have elected to continue. All contracts entered into between any constituent corporations and any other persons shall be and become the contract of the resulting corporations according to the terms and conditions of said contract and the agreement of consolidation or merger.

For the filing of the agreement as hereinabove provided, the Secretary of State is entitled to receive such fees only as he would have received had a new corporation been formed.

Any agreement for merger and/or consolidation as shall conform to the provisions of this section, shall be binding and valid upon all the subscribers, certificate holders and/or members of such constituent corporations, provided only that any subscriber, certificate holder and/or member who shall so indicate his disapproval thereof to the resulting, consolidated or surviving corporation within ninety days after the filing of said agreement with the Secretary of State shall be entitled to receive all unearned portions of premiums paid on his certificate from and after the date of the receipt of the application therefor by the resulting, surviving, or consolidated corporation; each subscriber, certificate holder and/or member who shall not so indicate his or her disapproval of said agreement and said merger within said period of ninety days is deemed and presumed to have approved said agreement and said merger and/or consolidation and shall have waived his or her right to question the legality of said merger and/or consolidation.

No director, officer, subscriber, certificate holder and/or member as such of any such corporation, except as is expressly provided by the plan of merger or consolidation, shall receive any fee, commission, other compensation or valuable consideration whatever, for in any manner aiding, promoting or assisting in the merger or consolidation. ARTICLE 3B.

*Unauthorized Insurers False Advertising Process Act.*

§ 58-54.14. **Purpose; construction.**—(a) The purpose of this article is to subject to the jurisdiction of the Commissioner of Insurance and to the jurisdiction of the courts of this State, insurers not authorized to transact business in this State which place in or send into this State any false advertising designed to induce residents of this State to purchase insurance from insurers not authorized to transact business in this State. The General Assembly declares it is in the interest of the citizens of this State who purchase insurance from insurers which solicit insurance business in this State in the manner set forth in the preceding sentence that such insurers be subject to the provisions of this article. In furtherance of such interest, the General Assembly in this article provides a method of substituted service of process upon such insurers and declares in so doing, it exercises its power to protect its residents and also exercises powers and privileges available to the State by virtue of Public Law 15, 79th Congress of the United States, chapter 20, 1st Session, § 340, which declares that the business of insurance and every person engaged therein shall be subject to the laws of the several states; the authority provided herein to be in addition to any existing powers of this State.

(b) The provisions of this article shall be liberally construed. (1965, c. 910.)

§ 58-54.15. **Definitions.**—As used in this article:

- (1) "Residents" shall mean and include person, partnership or corporation, domestic, alien or foreign.
- (2) "Unfair Trade Practice Act" shall mean article 3A of this chapter. (1965, c. 910.)

§ 58-54.16. **Unlawful advertising; notice to unauthorized insurer and domiciliary insurance supervisory official.**—No unauthorized foreign or alien insurer shall make, issue, circulate or cause to be made, issued or circulated, to residents of this State any estimate, illustration, circular, pamphlet, or letter, or cause to be made in any newspaper, magazine or other publication or over any radio or television station, any announcement or statement to such residents misrepresenting its financial condition or the terms of any contracts issued or to be issued or the benefits or advantages promised thereby, or the dividends or share of the surplus to be received thereon in violation of the Unfair Trade Practice Act, and whenever the Commissioner shall have reason to believe that any such insurer is engaging in such unlawful advertising, it shall be his duty to give notice of such fact by registered mail to such insurer and to the insurance supervisory official of the domiciliary state of such insurer. For the purpose of this section, the domiciliary state of an alien insurer shall be deemed to be the state of entry or the state of the principal office in the United States. (1965, c. 910.)

§ 58-54.17. **Action by Commissioner under Unfair Trade Practice Act.**—If after thirty days following the giving of the notice mentioned in § 58-54.16 such insurer has failed to cease making, issuing, or circulating such false misrep-

sentations or causing the same to be made, issued or circulated in this State, and if the Commissioner has reason to believe that a proceeding by him in respect to such matters would be to the interest of the public, and that such insurer is issuing or delivering contracts of insurance to residents of this State or collecting premiums on such contracts or doing any of the acts enumerated in § 58-54.18, he shall take action against such insurer under the Unfair Trade Practice Act. (1965, c. 910.)

(b) Service of a statement of charges and notices under said Unfair Trade Practice Act shall be made by any deputy or employee of the Insurance Department delivering to and leaving with the Commissioner or some person in apparent charge of his office, two copies thereof. Service of process issued by any court in any action, suit or proceeding to collect any penalty under said Act provided, shall be made by delivering and leaving with the Commissioner, or some person in apparent charge of his office, two copies thereof. The Commissioner shall forthwith cause to be mailed by registered mail one of the copies of such statement of charges, notices or process to the defendant at its last known principal place of business, and shall keep a record of all statements, charges, notices and process so served. - (3) Collecting or receiving in this State any premium for insurance;

and a copy of such statement of charges, notices or process is sent within ten days thereafter by registered mail by or on behalf of the Commissioner to the defendant at the last known principal place of business of the defendant, and the defendant's receipt, or the receipt issued by the post office with which the letter is registered,

showing the name of the sender of the letter, the name and address of the person to whom the letter is addressed, and the affidavit of the person mailing the same showing a compliance herewith, are filed with the Commissioner in the case of any statement of charges or notices, or with the clerk of the court in which such action is pending in the case of any process, on or before the date the defendant is required to appear or within such further time as the court may allow.

(d) No cease or desist order or default judgment under this section shall be entered until the expiration of thirty days from the date of the filing of the affidavit of compliance.

(e) Service of process and notice under the provisions of this article shall be in addition to all other methods of service provided by law, and nothing in this article shall limit or prohibit the right to serve any statement of charges, notices or process upon any insurer in any other manner now or hereafter permitted by law. (1965, c. 910.)

§ 58-54.19. **Short title.**—This article may be cited as the Unauthorized Insurers False Advertising Process Act. (1965, c. 910.)

### ARTICLE 3C.

#### *Unauthorized Insurers.*

§ 58-54.20. **Purpose of article.**—It is the purpose of this article to abate and prevent the practices of unauthorized insurers within the State of North Carolina, and to provide methods for effectively enforcing the laws of this State against such practices. The General Assembly finds that there is within this State a substantial amount of insurance business being transacted by insurers who have not complied with the laws of this State and have not been authorized by the Commissioner of Insurance to do business. These practices by unauthorized insurers are deemed to be harmful and contrary to public welfare of the citizens of this State. The difficulties which arise from the acts and practices of unauthorized insurers is compounded by the fact that such companies are licensed in foreign jurisdictions and conduct a long-range business without having personal representatives or agents in proximity to insureds. The General Assembly further declares that it is a subject of vital public interest to the State that unlicensed and unauthorized companies have been and are now engaged in soliciting by way of direct mail and other advertising media, insurance risks within this State, and that such companies enjoy the many benefits and privileges provided by the State as well as the protection afforded to citizens under exercise of the police powers of the State, without themselves being subject to the laws designed to protect the insurance consuming public. The provisions of this article are in addition to all other statutory provisions of chapter 58 relating to unauthorized insurers and do not replace, alter, modify or repeal such existing provisions. (1967, c. 909, s. 1.)

**Editor's Note.** — Section 4, c. 909, Session Laws 1967, provides: "This act shall be effective on and after July 1, 1967, but the same shall not apply to any contracts of insurance in effect before the effective date of this act."

§ 58-54.21. **Transacting business without certificate of authority prohibited; exceptions.**—Except as hereinafter provided, it shall be unlawful for any company to enter into a contract of insurance as an insurer or to transact insurance business in this State as set forth in § 58-54.22 of this article, without a certificate of authority issued by the Commissioner of Insurance. This section shall not apply to the following acts or transactions:

- (1) The procuring of a policy of insurance upon a risk within this State where the applicant is unable to procure coverage in the open market with admitted companies and is otherwise in compliance with § 58-53.1;
- (2) Contracts of reinsurance;

- (3) Transactions in this State involving a policy lawfully solicited, written and delivered outside of this State covering only subjects of insurance not resident, located or expressly to be performed in this State at the time of issuance, and which transactions are subsequent to the issuance of such policy;
- (4) Transactions in this State involving group or blanket insurance and group annuities where the master policy of such group insurance was lawfully issued and delivered in a state where the company was authorized to transact business;
- (5) Transactions in this State involving all policies of insurance issued prior to July 1, 1967;
- (6) The procuring of contracts of insurance issued to an "industrial insured" as hereinafter defined.

For the purposes of this section, an "industrial insured" is an insured (i) who procures the insurance of any risk or risks by use of the services of a full-time employee acting as an insurance manager or buyer, (ii) whose aggregate annual premiums for insurance on all risks total at least twenty-five thousand dollars (\$25,000.00), and (iii) who has at least 25 full-time employees: Provided, nothing herein shall relieve such industrial insured from complying with the provisions of § 58-53.1. (1967, c. 909, s. 1.)

**§ 58-54.22. Acts or transactions deemed to constitute transacting insurance business in this State.**—The following acts, if performed in this State, shall be included among those deemed to constitute transacting insurance business in this State:

- (1)
  - a. Maintaining any agency or office where any acts in furtherance of an insurance business are transacted, including, but not limited to the execution of contracts of insurance with citizens of this or any other state;
  - b. Maintaining files or records of contracts of insurance; or
  - c. Receiving payments of premiums for contracts of insurance.
- (2) Likewise, any of the following acts in this State, whether effected by mail or otherwise by an unauthorized insurer, is included among those deemed to constitute transacting insurance business in this State;
  - a. The issuance or delivery of contracts of insurance to residents of this State or to corporations authorized to do business therein;
  - b. The soliciting of applications for contracts of insurance through the use of the United States mail or any other media, method or device;
  - c. The collections of premiums, membership fees, assessments or other considerations for such contracts; or
  - d. The transaction of any matters prior to or subsequent to the execution of such contracts in contemplation thereof or arising out of them.

Any company violating any of the provisions of this section, by doing any of the foregoing acts or transactions while not authorized to do business within this State, shall be subject to penalty of not less than one hundred dollars (\$100.00) nor more than one thousand dollars (\$1,000.00) for each offense; such penalty shall be payable to the Commissioner of Insurance, who shall in turn forward the same to the county or counties wherein the violation or violations occur, for the use of the public schools of such county or counties: Provided, that each day in which a violation occurs shall constitute a separate offense. The Attorney General of the State of North Carolina at the request of and upon information from the Commissioner of Insurance shall initiate a civil action in behalf of the Commissioner in any county of the State wherein a violation under this section occurs

to recover the penalty provided. Service of process upon the unauthorized insurer shall be had as is provided in § 58-54.25. (1967, c. 909, s. 1.)

**Editor's Note.** — By virtue of Session Laws 1943, c. 170, "Commissioner of Insurance" has been substituted for "Insurance Commissioner" in the next to the last sentence of the section.

**§ 58-54.23. Validity of acts or contracts of unauthorized company shall not impair obligation of contract as to the company; maintenance of suits; right to defend.**—The failure of a company to obtain a certificate of authority shall not impair the validity of any acts or contracts of the company. Any person or insured holding contracts of insurance of an unauthorized insurer may bring an action in the courts of this State under the provisions of G.S. 58-153.1, known as the "Unauthorized Insurers Process Act," for the enforcement of any rights pursuant to the contract of insurance. The failure of the insurance company to obtain a certificate of authority shall not prevent such company from defending any action at law or suit in equity in any court of this State so long as the said company fully complies with the provisions of § 58-153.1 (c), but no company transacting insurance business in this State without a certificate of authority shall be permitted to maintain an action at law or in equity in any court of this State to enforce any right, claim or demand arising out of the transaction of such business until such company shall have obtained a certificate of authority. Nor shall an action at law or in equity be maintained in any court of this State by any successor or assignee of such company on any such right, claim or demand originally held by such company until a certificate of authority shall have been obtained by the company or by a company which has acquired all or substantially all of its assets. Nothing in this section shall be construed to abrogate the conditions of admission into this State nor to impair the authority of the Commissioner of Insurance with respect to the issuance of certificates of authority. The Commissioner of Insurance in considering the issuance of a certificate of authority shall take into consideration the acts or transactions which an unauthorized company has engaged in in this State prior to its application for a certificate of authority. (1967, c. 909, s. 1.)

**§ 58-54.24. Commissioner empowered to enjoin unauthorized companies.**—Whenever the Commissioner of Insurance, from evidence satisfactory to him, has reasonable grounds for believing that any foreign or alien company is violating or is about to violate the provisions of § 58-54.21, the Commissioner may through the Attorney General of this State cause a complaint to be filed in the Superior Court of Wake County to enjoin and restrain such company from continuing such violations or engaging therein, or doing any act in furtherance thereof. The court shall have jurisdiction of the proceedings and shall have the power to make and enter an appropriate order or judgment granting preliminary or final injunctive relief as in its discretion is proper: Provided, however, that the company alleged to be in violation shall have been served with process as is provided hereinafter. (1967, c. 909, s. 1.)

**§ 58-54.25. Service of process upon unauthorized company by Commissioner of Insurance.**—(a) Any act of entering into a contract of insurance as an insurer or transacting insurance business in this State, as set forth in G.S. 58-54.22 by an unauthorized, foreign or alien company, shall be equivalent to and shall constitute an appointment by such company of the Secretary of State to be its true and lawful attorney upon whom may be served all lawful process in any action or proceeding against it arising out of a violation of G.S. 58-54.21, and any of said acts shall be a signification of its agreement that any such process against it, which is so served, shall be of the same legal force and validity as if in fact served upon the company.

(b) Service of process on the Secretary of State shall be made by the sheriff delivering to and leaving with the Secretary of State duplicate copies of such process, notice or demand. Service shall be deemed complete when the Secretary of State is so served. The Secretary of State shall endorse upon both copies the time of receipt and shall forthwith send one of such copies by registered mail, with return receipt requested, to such insurer at its last known principal place of business as shown on the process, notice or demand served on the Secretary of State. The Commissioner of Insurance and the Attorney General shall see that such address is included on the process, notice or demand which is served upon the Secretary of State. A copy of the complaint or order of the clerk extending the time for filing the complaint must be mailed to the insurer with the copy of the summons. When a copy of the complaint is not mailed with the summons, the Secretary of State shall mail a copy of the complaint when it is served on him in the same manner as the copy of summons is required to be mailed.

(c) Upon the return to the Secretary of State of the requested return receipt showing delivery and acceptance of such registered mail, or upon the return of such registered mail showing refusal thereof by such foreign or alien insurer, the Secretary of State shall note thereon the date of such return to him and shall attach either the return receipt or such refused mail including the envelope, as the case may be, to the copy of the process, notice or demand theretofore retained by him and shall mail the same to the clerk of the court in which such action or proceeding is pending and in respect of which such process, notice or demand was issued. Such mailing, in addition to the return by the sheriff, shall constitute the due return required by law. The clerk of the court shall thereupon file the same as a paper in such action or proceeding.

(d) Service made under this section shall have the same legal force and validity as if the service had been made personally in this State. The refusal of any such foreign or alien insurer to accept delivery of the registered mail provided for in subsection (b) of this section or the refusal to sign the return receipt shall not affect the validity of such service; and any foreign or alien insurer refusing to accept delivery of such registered mail shall be charged with knowledge of the contents of any process, notice or demand contained therein.

(e) Whenever service of process is made upon the Secretary of State as herein provided the defendant foreign or alien insurer shall have 30 days from the date when the defendant receives or refuses to accept the registered mail containing the copy of the complaint sent as in this section provided in which to appear and answer the complaint in the action or proceeding so instituted. Entries on the defendant's return receipt or the refused registered mail shall be sufficient evidence of such date. If the date of acceptance or refusal to accept the registered mail cannot be determined from the entries on the return receipt or from notations of the postal authorities on the envelope, then the date when the defendant accepted or refused to accept the registered mail shall be deemed to be the date that the return receipt or the registered mail was received back by the Secretary of State.

(f) The court in any action or proceeding in which service is made in the manner provided in the above paragraph may, in its discretion, order such postponement as may be necessary to afford such company reasonable opportunity to defend such action or proceeding.

(g) The Secretary of State shall keep a summarized record of all processes, notices and demands served upon him under this section, and shall record therein the time of such service and his action with reference thereto.

(h) Nothing herein contained shall limit or affect the right to serve any process, notice or demand to be served upon an insurer in any other manner now or hereafter permitted by law.

(i) No judgment by default shall be entered in any such action or proceeding until the expiration of 30 days from the date of the filing of the affidavit of compliance. (1967, c. 909, s. 1.)

**Editor's Note.**—By virtue of Session Laws 1943, c. 170, "Commissioner of Insurance" has been substituted for "Insurance Commissioner" in subsection (b).

**§ 58-54.25:1. Certain life insurance companies and contracts excepted from application of §§ 58-54.21 and 58-54.22.**—The provisions of § 58-54.21 and § 58-54.22 shall not apply to a life insurance company already organized as a corporation or association and operating without profit to any private shareholder or individual, exclusively for the purpose of aiding educational or scientific institutions by providing directly from the home office of such corporation or association, without agents or representatives in this State, contracts of insurance and annuities to educational or scientific institutions organized and operated without profit to any private shareholder or individual or to individuals engaged in the service of such educational or scientific institution; nor shall the provisions of §§ 58-54.21 and 58-54.22 apply to any insurance or annuity contracts issued by such life insurance company. (1967, c. 909, s. 1.)

#### ARTICLE 3D.

##### *Unauthorized Insurance by Domestic Companies.*

**§ 58-54.26. Purpose of article.**—It is the purpose of this article to effectively control and regulate the activities of domestic insurance companies so as to prevent them from engaging in and transacting insurance business in states and jurisdictions in which they are not authorized to do a business of insurance. The General Assembly recognizes that insofar as domestic companies of this State engage in transacting insurance business in states and jurisdictions in which they are not authorized to do business that such activity subjects the domestic companies of this State to the penalties for such unlawful activities in other states and jurisdictions, and that such activities tend to substantially impair the effectiveness of the domestic companies in this State. The General Assembly also recognizes that the practices of unauthorized insurers could be largely corrected if each state would effectively regulate the activities of its domestic companies. The provisions of this article are in addition to all other statutory provisions designed to control the activities of domestic companies and nothing herein shall be construed to amend, modify or repeal the provisions of existing laws. (1967, c. 935, s. 1.)

**Editor's Note.**—Section 5, c. 935, Session Laws 1967, provides that the act shall be effective on and after July 1, 1967, but shall not apply to any contracts of insurance in effect before that date.

**§ 58-54.27. Domestic insurers prohibited from transacting business in foreign states without authorization; exceptions.**—Except as hereinafter provided, no domestic insurer organized under the laws of this State shall transact or attempt to transact or solicit business in any manner or accept risks in any jurisdiction in which such insurer is not licensed in accordance with the laws of such jurisdiction. There is excepted from the terms of this section the following acts and transactions:

- (1) Contracts entered into by a domestic company insuring a risk within a foreign state or jurisdiction, where the law of the foreign state or jurisdiction permits an unauthorized insurer to so contract;
- (2) Contracts entered into where the prospective insured is personally present in the state in which the insurer is authorized to transact business when he signs the application;
- (3) Contracts of reinsurance between a licensed insurer of the foreign state or jurisdiction and a domestic company;

- (4) The issuance of certificates under a lawfully transacted group life or group disability policy, where the master policy was entered into in a state in which the insurer was then authorized to transact business;
- (5) The renewal or continuance in force, with or without modification, of contracts otherwise lawful and which were not originally executed in violation of this section. (1967, c. 935, s. 1.)

§ 58-54.28. **Domestic insurers; advertising; exceptions.**—No domestic insurer shall knowingly solicit or advertise its insurance business in a state or jurisdiction in which it is not licensed as an authorized insurer. Provided, however, that this section shall not prohibit a domestic insurer from advertising through publications, radio or television if such advertising is not expressly directed toward the residents or subjects of insurance in a foreign state or other jurisdiction. Nor shall this section apply to trade journals or directories. (1967, c. 935, s. 1.)

§ 58-54.29. **Penalties provided for unauthorized acts.**—Whenever any domestic insurer shall knowingly engage in the practice of soliciting, advertising or making contracts for insurance in states or jurisdictions in which it is not licensed, the North Carolina Commissioner of Insurance shall be authorized, as hereinafter provided, to issue an order requiring such company to cease and desist from engaging in such activities and, for the purposes of this section, the acts prohibited by G.S. 58-54.28 and the foregoing sections, are declared to be an unfair trade practice within the meaning of G.S. 58-54.4 and G.S. 58-54.9. Provided; whenever the Commissioner shall have reason to believe that any domestic company has been engaged or is engaging in the practice of knowingly soliciting, advertising or writing contracts of insurance on risks within a state or jurisdiction in which it is not licensed, he shall proceed to serve such company with notice of hearing and the hearing shall in all respects conform with the hearing procedure set forth in G.S. 58-54.6. Any action taken by the Commissioner of Insurance after such hearing shall be in compliance with G.S. 58-54.7, and any company aggrieved by an order of the Commissioner shall be entitled to that judicial review as is provided in G.S. 58-54.8. (1967, c. 935, s. 1.)

**Editor's Note.** — By virtue of Session Laws 1943, c. 170, "Commissioner of Insurance" has been substituted for "Insurance Commissioner" in the first sentence of this section.

#### ARTICLE 4.

##### *Insurance Premium Financing.*

##### § 58-55. **Definitions.**

Cited in *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

##### § 58-56. **License required; fees.**

(e) There shall be two types of licenses issued to an insurance premium finance company:

- (1) An "A" type license shall be issued to insurance premium finance companies whose business of insurance premium financing is limited to the financing of insurance premiums of one insurance agent or agency and whose primary function is to finance only the insurance premium of such agent or agency. The license fee for an "A" type license shall be two hundred dollars (\$200.00) for each license year or part thereof.
- (2) A "B" type license shall be issued to an insurance premium finance company whose business of insurance premium financing is not limited to the financing of insurance premiums of one insurance agent or agency and whose primary function is to finance the insurance premiums of more than one insurance agent or agency. The license fee for a "B"

type license shall be nine hundred fifty dollars (\$950.00) for each license year or part thereof.

A branch office license may be issued for either an "A" type or "B" type license. The fee for the branch office license shall be fifty dollars (\$50.00) for each license year or part thereof. The examination fee when required by this section shall be one hundred dollars (\$100.00) per application. (1963, c. 1118; 1967, c. 1232, s. 1.)

**Cross Reference.**—As to exemption of insurance premium finance companies licensed under this article from the license tax on loan agencies or brokers, see § 105-68 (b).

**Editor's Note.** — The 1967 amendment, effective July 1, 1967, rewrote subsection (e).

As only subsection (e) was changed by the amendment, the rest of the section is not set out.

**Fees Are Intended to Pay Expenses of**

**Supervision.**—The fees exacted of insurance premium financiers by this section and of persons engaged in business under the Consumers Finance Act by § 53-167 are intended to pay the necessary expenses of licensing, regulating, and supervising the business. Although any surplus collected under this section reverts to the general treasury of the State under § 58-61.1, this is merely an incidental budgetary provision. *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

**§ 58-56.1. Exceptions to license requirements.**—(a) Any person, firm or corporation doing business under the authority of any law of this State or of the United States relating to banks, trust companies, installment paper dealers, auto finance companies, savings and loan associations, cooperative credit unions, agricultural credit corporations or associations, organized under the laws of North Carolina or any person, firm or corporation subject to the provisions of the North Carolina Consumer Finance Act and the North Carolina Motor Vehicle Dealers and Manufacturers Licensing Law, article 12, chapter 20, of the General Statutes of North Carolina are exempt from the provisions of this article.

(b) An insurance company duly licensed in this State may make an installment payment charge as set forth in the rate filings and approved by the Commissioner and are thereby exempt from the provisions of this article. Notwithstanding the exceptions set forth in subsections (a) and (b) of this section, when any person, firm or corporation shall exercise a power of attorney taken in connection with the financing of an insurance premium, such person, firm or corporation shall comply with the requirements of G.S. 58-60, as if it were an insurance premium finance company. (1963, c. 1118; 1967, c. 942, s. 1.)

**Editor's Note.** — The 1967 amendment added the last sentence in the section.

Section 3 of the amendatory act provides that it "shall be effective on and after July 1, 1967, and shall apply to contracts of insurance premium financing entered into on or after said date."

**Those Subject to This Article Are Not Intended to Be Subject to Consumer Finance Act.**—Had the legislature intended to subject to the provisions of the Con-

sumer Finance Act those who make loans solely to finance insurance premiums, surely it would not have enacted this article in the first instance since it exempts from its provisions those subject to the Consumer Finance Act. The legislature did not deem it necessary for both the Commissioner of Banks and the Commissioner of Insurance to supervise an insurance premium financing company. *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

**§ 58-56.2. Issuance or refusal of license; bond; duration of license; renewal; one office per license; display of license; notice of change of location.**—(a) Within sixty (60) days after the filing of an application for a license accompanied by payment of the fees for license and examination, the Commissioner shall issue the license or may refuse to issue the license and so advise the applicant. The applicant shall submit with such application any and all information which the Commissioner may require to assist him in determining the financial condition, business integrity, method of operation and protection to the public offered by the person filing such application. The Commissioner may require a bond not to exceed twenty-five thousand dollars (\$25,000.00) on applications and any renewal thereof. Such license to engage in business in accordance with the provisions of

this article at the location specified in the application shall be executed in duplicate by the Commissioner and he shall transmit one copy to the applicant and retain a copy on file.

(1965, c. 1039.)

**Editor's Note.** — The 1965 amendment added the third sentence in subsection (a). As the rest of the section was not affected by the amendment, it is not set out.

### § 58-58.1. Form, contents and execution of insurance premium finance agreements.

Cited in *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

### § 58-59. Limitations on service charges; computation; minimum charges.

(c) The service charge provided for in this section shall be computed on the principal balance of the insurance premium finance agreement from the inception date of the insurance contract, the premiums for which are advanced or to be advanced under the agreement unless otherwise provided under rules and regulations prescribed by the Commissioner, to and including the date when the final installment of the insurance premium finance agreement is payable, at a rate not exceeding ten dollars (\$10.00) per one hundred dollars (\$100.00) per annum; provided that when the principal balance is one hundred twenty dollars (\$120.00) or less, a licensee may charge, in lieu of the charge specified above, rates not exceeding, two dollars (\$2.00) for each ten dollars (\$10.00) on that part of the principal balance not exceeding forty dollars (\$40.00); one dollar (\$1.00) for each ten dollars (\$10.00) on that part of the principal balance exceeding forty dollars (\$40.00) but not exceeding seventy dollars (\$70.00); fifty cents (50¢) for each ten dollars (\$10.00) on that part of the principal balance exceeding seventy dollars (\$70.00) but not exceeding one hundred twenty dollars (\$120.00). All service charges may be rounded off to the nearest dollar and are subject to a minimum charge as follows: Three dollars (\$3.00) when the principal balance is less than twenty dollars (\$20.00); six dollars (\$6.00) when the principal balance is twenty dollars (\$20.00) or more, but less than one hundred twenty dollars (\$120.00); fourteen dollars (\$14.00) when the principal balance is one hundred twenty dollars (\$120.00) or more.

(1967, c. 824.)

**Editor's Note.** — The 1967 amendment substituted "may" for "are to" following "All service charges" at the beginning of the second sentence in subsection (c). As only subsection (c) was affected by the amendment, the rest of the section is not set out.

### § 58-60. Procedure for cancellation of insurance contract upon default; return of unearned premiums; collection of cash surrender value.

(5) Whenever an insurance contract is cancelled in accordance with this section, the insurer shall promptly return whatever gross unearned premiums are due under the contract to the insurance premium finance company effecting the cancellation for the benefit of the insured or insureds. Whenever the return premium is in excess of the amount due the insurance premium finance company by the insured under the agreement, such excess shall be remitted promptly to the order of the insured, subject to the minimum service charge provided for in this article.

(1967, c. 825.)

**Editor's Note.** — The 1967 amendment struck out "and agent" preceding "subject" near the end of the last sentence in subdivision (5).

As the rest of the section was not affected by the amendment, it is not set out.

**Authority to Cancel Policy and Collect**

**Unearned Premium Is Security.**—The authority given by a borrower to an insurance premium finance company to cancel the policy and collect the unearned pre-

mium upon the borrower's default, is security analogous to a chattel mortgage or a conditional sale. *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

§ 58-61. **Violations; penalties.**—Any person who shall engage in the business referred to in this article without first receiving a license, or who shall fail to secure a renewal of his license upon the expiration of the license year, or shall engage in the business herein referred to after the license has been suspended or revoked as herein provided, or who shall fail or refuse to furnish the information required of the Commissioner, or who shall willfully and knowingly enter false information on an insurance premium finance agreement, or who shall fail to observe the rules and regulations made by the Commissioner pursuant to this article, shall be deemed guilty of a misdemeanor and upon conviction shall pay a fine of not less than one hundred dollars (\$100.00) nor more than five hundred dollars (\$500.00), or be imprisoned, or both, at the discretion of the court. (1963, c. 1118; 1965, c. 1040.)

**Editor's Note.** — The 1965 amendment inserted "or who shall willfully and knowingly enter false information on an insur-

ance premium finance agreement" near the middle of this section.

#### § 58-61.1. **Disposition of fees.**

Cited in *Northcutt v. Clayton*, 269 N.C. 428, 152 S.E.2d 471 (1967).

### ARTICLE 4A.

#### *Insurance Business Through Credit Cards Prohibited.*

§ 58-61.2. **Solicitation, negotiation or payment of premiums on insurance policies through credit card facilities prohibited; exceptions.**—Except as otherwise provided herein, no authorized insurer and no representative of such insurer or insurance broker shall employ or avail itself of the facilities of any person, firm or corporation engaged in the credit card business to solicit or negotiate any contract of insurance upon any life or risk within the State of North Carolina, or accept the payment of premiums upon a policy of insurance, insuring any life or risk in the State of North Carolina, through the use of any credit card facility. Except as otherwise provided herein, no person, firm or corporation engaged in the business of extending credit through a credit card system shall, on behalf of any insurer, its representative of any insurance broker, utilize his or its credit card facilities to solicit for, negotiate contracts of insurance or accept the payment of premiums upon any contract of insurance from credit card holders or prospective credit card holders who reside in this State. The solicitation for and the negotiation of policies of insurance prohibited by this section shall include, but shall not be limited to, the transmittal of applications for insurance, premium rate schedules, circulars, letters or sales literature pertaining to insurance to credit card holders or prospective credit card holders who reside in this State. Credit card business as used in this section shall mean the business of extending credit to persons who are holders of credit cards issued by the credit card facility or organization entitling the holder to pay charges for purchases or other transactions through the use of credit card facilities.

Nothing in this article shall prohibit an authorized insurer, the representative of such insurer, or an insurance broker from accepting payment of an insurance premium through a credit card facility provided and operated by a banking corporation principally domiciled in this State and doing business under the laws of the State of North Carolina or the United States. No such bank shall be prohibited from making such credit card facility available for this limited purpose, provided,

that all records relating to the payment of insurance premiums through such credit card facility are maintained within the State of North Carolina.

Nothing in this article shall prohibit an authorized insurer, the representative of such insurer, or an insurance broker from notifying its or his customers or prospective customers through means other than credit card facilities of the availability of credit card facilities for the payment of insurance premiums. (1967, c. 1245.)

#### § 58-72. Kinds of insurance authorized.

- (17) "Credit insurance," meaning indemnifying merchants or other persons extending credit against loss or damage resulting from the nonpayment of debts owed to them; and including the incidental power to acquire and dispose of debts so insured, and to collect any debts owed to such insurer or to any person so insured by him including without limiting the foregoing, mortgage guaranty insurance which is insurance against financial loss by reason of the nonpayment of principal, interest and other sums agreed to be paid under the terms of any note or bond, or other evidence of indebtedness secured by a security interest, mortgage, deed of trust, or other instrument constituting a lien or charge on real estate, or on such personal property as the Commissioner may from time to time approve.

(1967, c. 624, s. 1.)

#### **Editor's Note.—**

The 1967 amendment added at the end of subdivision (17) the provision as to mortgage guaranty insurance.

As the rest of the section was not changed by the amendment, only subdivision (17) is set out.

#### § 58-77. Amount of capital and/or surplus required; impairment of capital or surplus.

##### (1) Stock Life Insurance Companies.

- a. A stock corporation may be organized in the manner prescribed in this chapter and licensed to do the business of life insurance, only when it shall have paid-in capital of at least three hundred thousand dollars (\$300,000.00) and a paid-in initial surplus of an amount at least equal to such capital, and it may in addition do the kind of business specified in subdivision (2) of G.S. 58-72, without having additional capital or surplus. Every such company shall at all times thereafter maintain a minimum capital of not less than three hundred thousand dollars (\$300,000.00) and a minimum surplus of at least seventy-five thousand dollars (\$75,000.00). Provided that, any such corporation may do either or both of the kinds of insurance authorized for stock, accident and health insurance companies, as set out in paragraphs a and b of subdivision (3) of G.S. 58-72 where its charter so permits, when and if it meets all additional requirements as to capital and surplus as fixed in subdivision (2) hereof as applicable and maintains the same as required therein.

- b. If the Commissioner, after such investigation as he may deem it expedient to make, finds that a corporation may be organized to do the business of life insurance, or the writing of annuities or both, that its operations are restricted solely to one state, and that the organization of such corporation is in the public inter-

est, he may permit the organization of a stock corporation to do on such restricted plan either or both of the kinds of business specified in subdivisions (1) and (2) of G.S. 58-72, with the minimum paid-in capital and a minimum paid-in surplus in an amount to be prescribed by him, but in no event to be less than a paid-in capital of two hundred thousand dollars (\$200,000.00) and a paid-in surplus of two hundred thousand dollars (\$200,000.00). Every such company shall at all times thereafter maintain such prescribed minimum capital and a minimum surplus of at least fifty thousand dollars (\$50,000.00.)

- (9) Any domestic, foreign or alien company licensed to do business in North Carolina prior to July 1, 1965, shall be permitted to continue to do the same kinds of business which it was authorized to do on such date without being required to increase its capital and/or surplus, provided, however, such insurers shall increase the capital and surplus requirements to the amounts set forth herein on or before July 1, 1971, but the requirements of this section as to capital and surplus shall apply to such companies as a prerequisite to writing additional lines of business.

(1965, c. 947; 1967, c. 300.)

**Editor's Note.—**

The 1965 amendment substituted "the kind of business specified in subdivision (2) of G.S. 58-72" for "any one or more of the kinds of business specified in subdivisions (2) and (3) of G.S. 58-72" near the end of the first sentence of paragraph a of subdivision (1), added the last sentence of

that paragraph, and substituted "July 1, 1965" for "July 1, 1963" near the beginning of subdivision (9).

The 1967 amendment substituted "July 1, 1971" for "July 1, 1969" in subdivision (9).

As the rest of the section was not affected by the amendments, it is not set out.

- (7) Loans secured by first mortgages, or deeds of trust, or unencumbered fee simple or improved leasehold real estate in the District of Columbia or in any state, territory or possession of the United States of America, to an amount not exceeding seventy-five percent (75%) of the fair market value of such fee simple or improved leasehold real estate. No loan may be made on leasehold real estate unless the lease has at least thirty years to run before its termination and the loan matures at least twenty years before expiration of the lease. Whenever such loans are made upon fee simple, or improved leasehold real estate which is improved by a building or buildings, the said improvements shall be insured against loss by fire, and the fire insurance policies shall contain a standard mortgage clause and shall be delivered to the mortgagee as additional security for the said loan.

- (9) Collateral loans secured by pledge of any security named in subdivisions (1), (2), (3), (4), (5), (6), (7) and (8) of this subsection; provided that the current market value of such pledged securities shall be at all times during the continuance of such loans at least twenty-five percent (25%) more than the unpaid balance of the amount loaned on them.
- (10) Loans upon the policies of the company; provided that the total indebtedness against any policy shall not be greater than the loan value of such policy.
- (11) No domestic company may directly or indirectly acquire or hold real property except as follows:

- III. That during the term of the lease the tenant shall keep and maintain the said improvements in good repair. Real estate acquired pursuant to the provisions of this subparagraph (a) (11) e 1 shall not be treated as an admitted asset unless and until the improvements herein required shall have been constructed and the lease agreement entered into in accordance with the terms of this subparagraph, nor shall real estate acquired pursuant to this subparagraph (a) (11) e 1 be treated as an admitted asset in an amount exceeding the amount actually invested reduced each year by at least two percent (2%) of the investment allocable to the improvements on such real estate. The total investments of any company under this subparagraph (a) (11) e 1 shall not exceed six percent of its assets, nor more than fifty percent (50%) of its capital and surplus whichever is less.

  4. No investment shall be made by any company pursuant to this paragraph e which will cause such company's investment in all real property owned or held by it directly or indirectly to exceed ten percent (10%) of its assets.
- f. It is unlawful for any such incorporated company to purchase or hold real estate in any other case or for any other purpose. Real estate acquired under paragraph (a) (11) a and subparagraph (a) (11) e 2 of this section which has ceased to be used or to be necessary for the purposes stated therein shall be sold within five years thereafter, unless the company procures a certificate from the Commissioner that the interest of the company will materially suffer by a forced sale of such real estate in which event the time for the sale may be extended to such a time as the Commissioner may direct in the certificate. Any real estate acquired under paragraphs b, c and d of this subdivision (11) shall be sold within five years after the company has acquired title thereto; provided, that the Commissioner may in his discretion extend the five-year period as provided hereinabove. Any real estate acquired under subparagraph (a) (11) e 1 of this section shall within five years after the termination or expiration of such lease be sold or released for an additional term pursuant to the provisions of subparagraph (a)

(11) e 1; provided, that the Commissioner may in his discretion extend the five-year period as provided hereinabove. Nothing contained herein prevents any insurance company from improving or conveying its real estate, notwithstanding the lapse of five years without having procured such certificate from the Commissioner.

- (12) Electronic and mechanical machines constituting a data processing and accounting system if the cost of such system is at least twenty-five thousand dollars (\$25,000.00), but not more than two percent (2%) of its admitted assets, which cost shall be amortized in full over a period not to exceed ten (10) calendar years.
- (13) Interest, rents or other fixed income due and accrued on any of the investments named in subdivisions (1), (2), (3), (4), (5), (7), (8), (9), (10) and (11) of this subsection pursuant to regulations promulgated by the Commissioner.
- (14) Notwithstanding any expressed or implied prohibitions, a company may, after the date of the enactment of this subdivision, invest in investments which do not otherwise qualify under any other provision of this subsection; provided, however, that the investments authorized by this subdivision shall not exceed the lesser of (i) five percent (5%) of its admitted assets or (ii) the amount by which total admitted assets exceed total liabilities (except capital) plus six hundred thousand dollars (\$600,000) as shown on its last annual statement preceding the date of the acquisition of such investment as filed with the Commissioner of Insurance.

Nothing herein shall be construed or implied so as to authorize any company to invest in real property unless already authorized to do so by this chapter or some other existing law of the State of North Carolina.

- (15) To the extent necessary to satisfy the investment requirements as to reserves and entire capital, if any, and minimum required surplus, no company shall make any investment in or loan on any of the securities mentioned in this section, which are in default as to principal or interest or as to which the dividend on the last preceding dividend date has been passed.

(1967, c. 842.)

**Editor's Note.—**

The 1967 amendment inserted "common" before "stocks" near the middle of subdivision (6), substituted, at the end of the second sentence of subparagraph (11) e 1 III, "by at least two percent (2%) of the investment allocable to the improvements on such real estate" for "by equal decrements sufficient to write off at least seventy-five percent (75%) of the invest-

ment at the normal termination of the lease or at the end of thirty years should the term of the lease be for a longer period," inserted present subdivision (14) and renumbered former subdivision (14) as (15), all in subsection (a).

As the rest of the section was not changed by the amendment, only subsection (a) is set out.

**§ 58-79.1. Investments; fire, casualty and miscellaneous.**

(c) Classes of Reserve Investments.—The reserve investments of every domestic stock and mutual insurance company, other than a life insurance company or a fraternal benefit association, shall consist of the following:

- (1) Bonds or other evidences of indebtedness, not in default as to principal or interest, which are valid and legally authorized obligations issued, assumed or guaranteed by the United States of America or by any state thereof or by any territory or possession of the United States or by the District of Columbia, or by any county, city, town, village, municipality or district therein or by any political subdivision thereof

or by any civil division or public instrumentality of one or more of the foregoing, if by statutory or other legal requirements applicable thereto, such obligations are payable, as to both principal and interest, from taxes levied or by such law required to be levied upon all taxable property or all taxable income within the jurisdiction of such governmental unit or from adequate special revenues pledged or otherwise appropriated or by such law required to be provided for the purpose of such payment, but not including any obligations payable solely out of special assessments on properties benefited by local improvements.

- (2) Obligations, other than those eligible for investment under subdivision (6), issued, assumed, or guaranteed by any solvent institution created or existing under the laws of the United States or of any state, district or territory thereof, which are not in default as to principal or interest, and which are qualified under any of the following paragraphs:
- a. Obligations which are secured by adequate collateral security and bear fixed interest and if during each of any three, including the last two, of the five fiscal years next preceding the date of acquisition by such insurer, the net earnings of the issuing, assuming or guaranteeing institution available for its fixed charges, as hereinafter defined, shall have been not less than one and one-quarter times the total of its fixed charges for such year, or obligations which, at the date of acquisition by such insurer, are adequately secured and have investment qualities and characteristics wherein the speculative elements are not predominant. In determining the adequacy of collateral security, not more than one third of the total value of such required collateral shall consist of stock other than stock meeting the requirements of subsection (c).
  - b. Fixed interest-bearing obligations, other than those described in paragraph a if the net earnings of the issuing, assuming or guaranteeing institution available for its fixed charges for a period of five fiscal years next preceding the date of acquisition by such insurer shall have averaged per year not less than one and one-half times its average annual fixed charges applicable to such period and if during the last year of such period such net earnings shall have been not less than one and one-half times its fixed charges for such year.
  - c. Adjustment, income or other contingent interest obligations if the net earnings of the issuing, assuming or guaranteeing institution available for its fixed charges for a period of five fiscal years next preceding the date of acquisition by such insurer shall have averaged per year not less than one and one-half times the sum of its average annual fixed charges and its average annual maximum contingent interest applicable to such period and if during each of the last two years of such period such net earnings shall have been not less than one and one-half times the sum of its fixed charges and maximum contingent interest for such year.

Within the meaning of this section the term "obligation" shall include bonds, debentures, notes or other evidences of indebtedness; the term "institution" shall include a corporation, a joint stock association and a business trust. The term "net earnings available for fixed charges" shall mean net income after deducting operating and maintenance expenses, taxes other than federal and State income taxes, depreciation and depletion, but excluding extraordinary non-recurring items of income or expense appearing in the regular fi-

nancial statements of the issuing, assuming or guaranteeing institutions. The term "fixed charges" shall include interest on funded and unfunded debt amortization of debt discount, and rentals for leased properties. If net earnings are determined in reliance upon consolidated earnings statements of parent and subsidiary institutions, such net earnings shall be determined after provision for income taxes of subsidiaries and after proper allowance for minority stock interest, if any; and the required coverage of fixed charges shall be computed on a basis including fixed charges and preferred dividends of subsidiaries other than those payable by such subsidiaries to the parent corporation or to any other of such subsidiaries, except that if the minority common stock interest in the subsidiary corporation is substantial, the fixed charges and preferred dividends may be apportioned in accordance with regulations prescribed by the Commissioner.

In applying the earnings tests under this section to any issuing, assuming or guaranteeing institution, whether or not in legal existence during the whole of such five years next preceding the date of investment by such insurer, which has at any time or times during such five-year period acquired the assets of any other institution or institutions by purchase, merger, consolidation or otherwise, substantially as an entirety, or has been reorganized pursuant to the bankruptcy law, the earnings of such other predecessor or constituent institutions, or of the institution so reorganized, available for interest and dividends for such portion of such period as shall have preceded such acquisition, or such reorganization may be included in the earnings of such issuing, assuming or guaranteeing institution for such portion of such period as may be determined in accordance with adjusted or pro forma consolidated earnings statements covering such portion of such period and giving effect to all stocks or shares outstanding and all fixed charges existing, immediately after such acquisition, or such reorganization.

- (3) Preferred or guaranteed stocks or shares of any solvent institution, created or existing under the laws of the United States or of any state, district or territory thereof, if all of the prior obligations, and prior preferred stocks, if any, of such institution at the date of acquisition by such insurer are eligible as investments under this section; and if qualified under paragraph a or paragraph b following:

a. Preferred stocks or shares shall be deemed qualified if both of the following requirements are met:

1. The net earnings of such institution available for its fixed charges for a period of five fiscal years next preceding the date of acquisition by such insurer shall have averaged per year not less than one and one-half times the sum of its average annual fixed charges, if any, its average annual maximum contingent interest if any, and its average annual preferred dividend requirements applicable to such period; and

2. During each of the last two years of such period such net earnings shall have been not less than one and one-half times the sum of its fixed charges, contingent interest and preferred dividend requirements for such year. The term "preferred dividend requirements" shall be deemed to mean cumulative or noncumulative dividends whether paid or not.

b. Guaranteed stocks or shares shall be deemed qualified if the assuming or guaranteeing institution meets the requirements of paragraph b of subdivision (2) of subsection (c) construed so

as to include as a fixed charge the amount of guaranteed dividends of such issue or the rental covering the guarantee of such dividends.

- (4) a. Certificates, notes or other obligations issued by trustees or receivers of any institution created or existing under the laws of the United States or of any state, district or territory thereof, which, or the assets of which, are being administered under the direction of any court having jurisdiction, if such obligation is adequately secured as to principal and interest.
- b. Equipment trust obligations or certificates which are adequately secured or other adequately secured instruments evidencing an interest in transportation equipment wholly or in part within the United States and a right to receive determined portions of rental, purchase or other fixed obligatory payments for the use or purchase of such transportation equipment.
- (5) Bank and banker's acceptances and other bills of exchange of the kind and maturities made eligible, pursuant to law, for purchase in the open market by federal reserve banks.
- (6) a. Bonds or evidences of indebtedness other than those described in subdivision (2) of subsection (c) which are secured by first mortgages or deeds of trust upon unencumbered fee simple or improved leasehold real property located in the United States. Real property shall not be deemed to be encumbered within the meaning of this section, by reason of the existence of instruments reserving mineral, oil or timber rights, rights-of-way, sewer rights, rights in walls, nor by reason of any liens for taxes or assessments not yet due, nor by reason of building restrictions or other restrictive covenants, nor when such real property is subject to lease under which rents or profits are reserved to the owner, if in any event the security for such loan is a first lien upon such real property and if there is no condition or right of reentry or forfeiture, under which such lien can be cut off, subordinated or otherwise disturbed. No such mortgage loan or loans made or acquired by any insurer on any one property shall, at the time of investment by the insurer, exceed two thirds of the value of the real property securing the same. No such mortgage loan or loans shall be made or acquired by an insurer except after an appraisal made by an appraiser for the purpose of such investment. No such mortgage loan made or acquired by an insurer which is a participation or a part of a series or issue secured by the same mortgage or deed of trust shall be a lawful investment under this paragraph unless the entire series or issue which is secured by the same mortgage or deed of trust is held by such insurer or unless the insurer holds a senior participation in such mortgage or deed of trust giving it substantially the rights of a first mortgagee. Except as otherwise provided in this section, no domestic stock or mutual insurance company, other than a life insurance company or a fraternal benefit association, shall invest in or loan upon the security of any one property more than twenty-five thousand dollars or more than two per centum of its total admitted assets, whichever is the greater. In no event shall the total investments of any such insurer in the kinds permitted under this subdivision exceed forty per centum of its total admitted assets.
- b. Purchase money mortgages or like securities received by it upon

the sale or exchange of real property acquired pursuant to subdivision (8) of this subsection (c).

- c. Bonds or notes secured by mortgage or trust deed guaranteed or insured by the Federal Housing Administration under the terms of an act of Congress of the United States of June twenty-seventh, nineteen hundred thirty-four, entitled the "National Housing Act," as heretofore or hereafter amended.
- (7) Ground rents in the District of Columbia or any state of the United States of America, provided, that in the case of unexpired redeemable ground rents the premium paid, if any, shall be amortized over the period between date of acquisition and redemption date; and in the case of expired redeemable ground rents the premium paid, if any, shall be charged off at the time of acquisition. Redeemable ground rents purchased at a discount shall be carried at an amount not greater than the cost of acquisition.
- (8) Real estate only if acquired or used for the following purposes in the following manner:
  - a. The land and the building thereon in which it has its principal office or offices.
  - b. Such as shall be requisite for its convenient accommodation in the transaction of its business.
  - c. Such as shall have been acquired in satisfaction of loans, mortgages, liens, judgments, decrees or other debts previously owing to such insurer in the course of its business or in connection with the default in payment of a loan insured under any mortgage guaranty policy of credit insurance.
  - d. Such as shall have been acquired in part payment of the consideration on the sale of real property owned by it, if each such transaction shall have effected a net reduction in the company's investment in real property.
  - e. Additional real property and equipment incident to real property, if necessary or convenient for the purpose of enhancing the sale value of real property previously acquired or held by it pursuant to the provisions of paragraph c or d of this subdivision (8).

All real property acquired pursuant to paragraphs a and b of this subdivision shall be disposed of within five years after it shall have ceased to be necessary for the convenient accommodation of such insurer in the transaction of its business, and all real property acquired pursuant to paragraphs c, d and e of this subdivision shall be disposed of within five years after the date of acquisition, unless in either case the Commissioner shall certify that the interests of the insurer will suffer materially by the forced sale thereof, in which event the time for disposal of such real property may be extended for such time as the Commissioner shall prescribe in such certificate. No real property shall be acquired by any domestic stock or mutual insurance company other than a life insurance company or a fraternal benefit association, pursuant to paragraphs a, b, d or e of this subdivision (8), except with the approval of the Commissioner.

- (9) a. Any domestic stock or mutual insurance company, other than a life insurance company or a fraternal benefit association, may invest in, or otherwise acquire or loan upon, bonds, notes or other evidences of indebtedness which are valid and legally authorized obligations issued, assumed or guaranteed by the Dominion of Canada or any province thereof and which are not in default as to principal or interest; but the aggregate amount of such in-

vestments which are held at any time by any such insurer, together with all Canadian investments held by it pursuant to the following paragraph b shall not exceed ten percent of its total admitted assets, except where a greater amount is permitted pursuant to the following paragraph b, in which case the provisions of this subdivision shall not be applicable.

- b. Any domestic stock or mutual insurance company, other than a life insurance company or a fraternal benefit association, which is authorized to do business in a foreign country or possession of the United States or which has outstanding insurance or reinsurance contracts on risks located in a foreign country or possession of the United States, may invest in, or otherwise acquire or loan upon securities and investments in such foreign country or possession which are substantially of the same kinds, classes and investment grades as those eligible for investment under the foregoing subdivisions of this subsection; but the aggregate amount of such investments in a foreign country or a possession of the United States and of cash in the currency of such country or possession which is at any time held by such insurer shall not, except as provided in the next preceding paragraph a, exceed one and one-half times the amount of its reserves and other obligations under such contracts or the amount which such insurer is required by law to invest in such country or possession, whichever shall be greater.

- (10) Stock and debentures, or either, of any housing company organized under the public housing law of this State, to the extent and upon such conditions as may be authorized by the Commissioner, provided all of the stock of such housing company has been or is to be originally issued to one or more insurance companies.

(e) Limitation of Investments.—Except as more specifically provided in this section, no domestic stock or mutual insurance company, other than a life insurance company or fraternal benefit association, shall have more than ten percent of its total admitted assets invested in, or loaned upon the securities of any one institution; but this restriction shall not apply to the classes of governmental obligations (including those eligible under paragraph c, subdivision (6) of subsection (c) ) eligible for minimum capital investments of such insurer nor to investments in stocks of other insurance companies. No domestic stock or mutual insurance company, other than a life insurance company or fraternal benefit association shall hereafter acquire any real property of the kind or kinds specified in paragraphs a and b of subdivision (8) of subsection (c), if the value of such real property, together with the value of all such real property then held by it, exceeds ten per centum of its total admitted assets except as more specifically provided in this section.

- (h) Valuation of Investments.

- (1) The investments of every stock and mutual insurance company, other than a life insurance company or a fraternal benefit association, authorized to do business in this State, except securities subject to amortization and except as otherwise provided in this section, shall be valued, in the discretion of the Commissioner, at their market value, or at their appraised value, or at prices determined by him as representing their fair market value. If the Commissioner finds that in view of the character of investments of any such insurer authorized to do business in this State it would be prudent for such insurer to establish a special reserve for possible losses or fluctuations in the values of its investments, he may require such insurer to establish such reserve, reasonable in amount, and may require that such reserve

be maintained and reported in any statement or report of the financial condition of such insurer. The Commissioner may, in connection with any examination or required financial statement of an authorized insurer require such insurer to furnish him a complete financial statement and audited report of the financial condition of any corporation of which the securities are owned wholly or partly by such insurer and may cause an examination to be made of any subsidiary or affiliate of such insurer.

- (2) The stock of an insurance company shall be valued at its book value as shown by its last annual statement or the last report on examination, whichever is more recent. The book value of a share of common stock of an insurance company shall be ascertained by dividing (i) the amount of its capital and surplus less the value of all of its preferred stock, if any, outstanding, by (ii) the number of shares of its common stock issued and outstanding. Notwithstanding the foregoing provisions, an insurer may, at its option, value its holdings of stock in a subsidiary insurance company in an amount not less than acquisition cost if such acquisition cost is less than the value determined as hereinbefore provided.
- (3) Real estate acquired by foreclosure or by deed in lieu thereof, or in connection with the default in payment of a loan insured under any mortgage guaranty policy of credit insurance, in the absence of a recent appraisal deemed by the Commissioner to be reliable, shall not be valued at an amount greater than the unpaid principal of the defaulted loan at the date of such foreclosure or deed, together with any taxes and expenses paid or incurred by such insurer at such time in connection with such acquisition (but not including any uncollected interest on such loan); and the cost of additions or improvements thereafter made by such insurer and any amount or amounts thereafter paid by such insurer on any assessments levied for improvements in connection with the property; provided, that the value of any property conveyed to any mortgage guaranty insurance company in satisfaction of debts or guarantees previously contracted in the course of its dealings, or purchased at sales upon judgments, decrees or mortgages obtained or made for such debts or guaranties, or acquired upon tender of the named insured, whether such property be held by it directly or indirectly, together with the value of all such real property then held by it shall not exceed thirty percent (30%) of its total admitted assets; provided, however, that the Commissioner of Insurance shall have authority from time to time by regulation to fix a lesser percentage of admitted assets than provided by this statute, and when so fixed, the property so held by such company, directly or indirectly, shall not exceed such percentage of its admitted assets.
- (4) Purchase money mortgages shall be valued in an amount not exceeding the acquisition cost of such real property or ninety percent of the value of such real property, whichever is less.
- (5) The stock of a subsidiary of an insurer shall be valued on the basis of the value of only such of the assets of such subsidiary as would constitute lawful investments for the insurer if acquired or held directly by the insurer.

(1967, c. 624, ss. 2-4.)

**Editor's Note.—**

The 1967 amendment added, at the end of paragraph c of subdivision (8) of subsection (c), "or in connection with the default in payment of a loan insured under

any mortgage guaranty policy of credit insurance," added, at the end of subsection (e), "except as more specifically provided in this section," inserted, near the beginning of subdivision (3) of subsec-

tion (h), "or in connection with the default in payment of a loan insured under any mortgage guaranty policy of credit insurance" and added the proviso at the end of subdivision (3) of subsection (h).

As the rest of the section was not changed by the amendment, only subsections (c), (e) and (h) are set out.

**§ 58-79.2. Segregation of certain accounts by domestic life insurance companies.** — A domestic life insurance company may allocate to one or more separate accounts, in accordance with the terms of one or more written agreements, any amounts which are paid to such company in connection with a pension, retirement, or profit-sharing plan and which are to be applied to purchase retirement benefits and other benefits incidental thereto under such company's insurance or annuity policies or contracts; provided that, no such separate account may be created, and no funds in any such separate account may be used, to purchase any insurance or annuity policy or contract which provides for or permits retirement payments in other than prescribed, fixed and specific dollar amounts, except that nothing herein shall prevent or render unlawful the voluntary payment by an insurance company of excess or nonguaranteed interest with respect to any insurance or annuity policy or contract; provided further, no payment or contribution by any employee as such shall be allocated to any separate account. The income, if any, and any gains or losses, realized or unrealized, on each such account shall be credited to or charged against the amounts allocated to such account in accordance with the written agreement or agreements applicable to such account, without regard to other income, gains, or losses of the company. The amounts allocated to such accounts and the accumulations thereon shall be owned by the company, and the company shall not be, or hold itself out to be, a trustee in respect of such amounts. Amounts received by the company pursuant to one or more such agreements may be maintained in one or more separate accounts.

The amounts allocated to any such account and the accumulations thereon may be invested and reinvested by the company in any of the investments specified in the written agreement or agreements applicable to such account; provided, that not more than five per cent (5%) of the amounts allocated to any such account and the accumulations thereon shall be invested in the stocks, notes, debentures, bonds, or other securities of any one corporation or issuer if, at the time the investment is made, such account and accumulations thereon exceed two hundred fifty thousand dollars (\$250,000.00), and no security of a subsidiary or affiliate of such insurance company shall be allocated to any such account. No investment in any such account shall be transferred to any other account or to the general assets of the company and no investment among the general assets of the company shall be transferred to any such account.

The investment limitations applicable to life insurance companies and set forth in G.S. 58-79 shall not be applicable to such separate accounts as are herein authorized. (1965, c. 166.)

**§ 58-86.2. Restrictions on purchase and sale of equity securities of domestic companies.** — (a) Statement of Ownership of Equity Securities. — Every person who is directly or indirectly the beneficial owner of more than ten per cent (10%) of any class of any equity security of a domestic stock insurance company or who is a director or an officer of such company, shall file in the office of the Commissioner on or before the first day of June, 1966, or within ten days after he becomes such beneficial owner, director or officer, a statement, in such form as the Commissioner may prescribe, of the amount of all equity securities of such company of which he is the beneficial owner, and within ten days after the close of each calendar month thereafter, if there has been a change in such ownership during such month, shall file in the office of the Commissioner a statement, in such form as the Commissioner may prescribe, indicating his ownership at the close of the calendar month and such changes in his ownership as have occurred during such calendar month.

(b) Profit Made from Sale of Equity Security Held Less than Six Months.—For the purpose of preventing the unfair use of information which may have been obtained by such beneficial owner, director, or officer by reason of his relationship to such company, any profit realized by him from any purchase and sale, or any sale and purchase, of any equity security of such company within a period of less than six months, unless such security was acquired in good faith in connection with a debt previously contracted, shall inure to and be recoverable by the company, irrespective of any intention on the part of such beneficial owner, director or officer in entering into such transaction of holding the security purchased or of not repurchasing the security sold for a period exceeding six months. Suit to recover such profit may be instituted at law or in equity in any court of competent jurisdiction by the company, or by the owner of any equity security of the company in the name and in behalf of the company, if the company shall fail or refuse to bring such suit within sixty days after request or shall fail diligently to prosecute the same thereafter; but no such suit shall be brought more than two years after the date such profit was realized. This section shall not be construed to cover any transaction where such beneficial owner was not such both at the time of the purchase and sale, or the sale and purchase, of the equity security involved, or any transaction or transactions which the Commissioner by rules and regulations may exempt as not comprehended within the purpose of this section.

(c) Delivery of Security Sold. — It shall be unlawful for any such beneficial owner, director or officer, directly or indirectly, to sell any equity security of such company if the person selling the security or his principal (i) does not own the security sold, or (ii) if owning the security, does not deliver it against such sale within twenty days thereafter, or does not within five days after such sale deposit it in the mails or other usual channels of transportation; but no person shall be deemed to have violated this section if he proves that notwithstanding the exercise of good faith he was unable to make such delivery or deposit within such time, or that to do so would cause undue inconvenience or expense.

(d) Sales by Dealers.—The provisions of subsection (b) shall not apply to any purchase and sale, or sale and purchase, and the provisions of subsection (c) shall not apply to any sale, of an equity security of a domestic stock insurance company not then or theretofore held by him in an investment account, by a dealer in the ordinary course of his business and incident to the establishment or maintenance by him of a primary or secondary market (otherwise than on an exchange as defined in the Securities Exchange Act of 1934) for such security. The Commissioner may, by such rules and regulations as he deems necessary or appropriate in the public interest, define and prescribe terms and conditions with respect to securities held in an investment account and transactions made in the ordinary course of business and incident to the establishment or maintenance of a primary or secondary market.

(e) Arbitrage Transactions.—The provisions of subsections (a), (b) and (c) of this section shall not apply to foreign or domestic arbitrage transactions unless made in contravention of such rules and regulations as the Commissioner may adopt in order to carry out the purposes of this section.

(f) "Equity Security" Defined. — The term "equity security" when used in this section means any stock or similar security; or any security convertible, with or without consideration, into such a security, or carrying any warrant or right to subscribe to or purchase such a security; or any such warrant or right; or any other security which the Commissioner shall deem to be of similar nature and consider necessary or appropriate, by such rules and regulations as he may prescribe in the public interest or for the protection of investors, to treat as an equity security.

(g) Exemptions from Requirements of Section.—The provisions of subsections (a), (b) and (c) hereof shall not apply to equity securities of a domestic stock insurance company if

- (1) Such securities shall be registered, or shall be required to be registered, pursuant to § 12 of the Securities Exchange Act of 1934, as amended, or if
- (2) Such domestic stock insurance company shall not have any class of its equity securities held of record by one hundred or more persons on the last business day of the year next preceding the year in which equity securities of the company would be subject to the provisions of subsections (a), (b) and (c) hereof except for the provisions of this subdivision (2).

(h) Rules and Regulations of Commissioner.—The Commissioner shall have the power to make such rules and regulations as may be necessary for the execution of the functions vested in him by subsections (a) through (g) hereof, and may for such purpose classify domestic stock insurance companies, securities, and other persons or matters within his jurisdiction. No provision of subsections (a), (b) and (c) hereof imposing any liability shall apply to any act done or omitted in good faith in conformity with any rule or regulation of the Commissioner, notwithstanding that such rule or regulation may, after such act or omission, be amended or rescinded or determined by judicial or other authority to be invalid for any reason.

(i) Severability.—If any part or provision of this section or the application thereof to any person or circumstance be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part, provision or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this section or the application thereof to other persons or circumstances. (1965, c. 127, s. 2.)

## ARTICLE 6A.

### *Exchange of Stock.*

**§ 58-86.3. Exchange of securities.** — Any domestic insurance company with capital stock (hereinafter referred to as "domestic company") may adopt a plan of exchange providing for the exchange by its shareholders of their stock in the domestic company for (i) shares of stock issued by any other domestic stock insurance company or other domestic stock corporation organized or reorganized under the laws of this State—such other corporation being hereinafter referred to as the "acquiring corporation"; (ii) other securities issued by the acquiring corporation; (iii) cash; (iv) other consideration; (v) any combination of such stock, such other securities, cash or other consideration. For the purpose of this article, a "domestic company" or "domestic stock insurance company" shall mean a business corporation or a stock insurance company, respectively, organized and existing under the laws of the State of North Carolina. (1967, c. 938.)

**Editor's Note.**—This article in the 1967 act contained sections numbered 58-86.2 through 58-86.8. As a section numbered 58-

86.2 already appeared in the Supplement, the sections added by the 1967 act have been renumbered 58-86.3 through 58-86.9.

**§ 58-86.4. Procedure for exchange.**—Subject to the provisions of G.S. 58-86.3, any domestic company may adopt a plan of exchange with any acquiring corporation providing for the exchange of the outstanding stock of the domestic company for shares of stock or other securities issued by the acquiring corporation or cash or other consideration or any combination thereof in the following manner:

- (1) Approval of the Boards of Directors.—The boards of directors of the domestic company and of the acquiring corporation by resolutions shall adopt a plan of exchange which shall set forth the terms and conditions of the exchange and the mode of carrying the same into effect and such other provisions with respect to the exchange as may be deemed necessary or desirable.
- (2) Approval of Commissioner of Insurance.—The domestic company and the acquiring corporation shall submit to the Commissioner of Insurance three copies of the plan of exchange certified by an officer of each as having been adopted in accordance with subdivision (1) of this section. Such copies of the plan of exchange shall be accompanied by (i) financial statements of the domestic company and the acquiring corporation for the last preceding fiscal year, (ii) pro forma financial statements of each corporation based on the assumption that the plan of exchange was effective as proposed at the end of the last preceding fiscal year of the domestic company, (iii) an estimate of expenses already incurred and of expenses expected to be incurred in connection with the proposed plan of exchange, (iv) a written statement which sets forth for each corporation the identity of officers and directors of the domestic company and of the acquiring corporation, and (v) any other information which the Commissioner may require with respect to such plan.

No director, officer, member or subscriber of the domestic company or of the acquiring corporation, except as is expressly provided by the plan filed with the Commissioner of Insurance, shall receive any fee, commission, other compensations or valuable considerations whatever, for in any manner aiding, promoting, or assisting in the promotion of the plan of exchange.

The Commissioner of Insurance shall hold a public hearing upon the terms, conditions and provisions of the proposed plan of exchange to determine if the proposed plan of exchange is reasonable, fair and in the public interest. At such hearing the shareholders and the policyholders of the domestic company and the shareholders of the acquiring corporation and also the policyholders of the acquiring corporation, if it is an insurance company, and any other interested parties shall have the right to appear and to become parties to the proceedings.

Such hearing shall be commenced not less than 30 days after the date on which the plan of exchange is presented to the Commissioner. The hearing shall be held at such place, date and time as the Commissioner shall specify. Notice of the hearing shall be published in a newspaper of general circulation in the city or cities wherein are located the registered office of the domestic company and of the acquiring corporation once a week for two successive weeks, the last publication of such notice to be not more than two weeks prior to the hearing date. Written notice of the hearing shall be mailed at least ten days prior to the hearing by the domestic company and by the acquiring corporation to all of their respective shareholders. All expenses of publication shall be borne by the domestic company or the acquiring corporation or both, as shall be specified in the plan of exchange, and the Commissioner may charge the domestic company or the acquiring corporation, or both, with such of the costs of the hearing as he may deem reasonable.

The Commissioner shall issue a written order approving the plan of exchange as delivered to him by the domestic company and the acquiring corporation and such modification therein as the board of directors of each such corporation shall approve, if he finds (i) that the plan, including all such modification, if effected, will not tend adversely to affect the financial stability or management of the domestic company or the general capacity or intention to continue the safe and prudent transaction of the insurance business of the domestic company, or of the acquiring corporation, if it is a domestic insurance company; (ii) that the interests of the policyholders and shareholders of the domestic company, and, if the ac-

quiring corporation is a domestic insurance company, the policyholders of the acquiring corporation are protected; (iii) that the terms and conditions of the plan of exchange and the proposed issuance and exchange are fair and reasonable; and (iv) that the plan of exchange is consistent with the law and will not conflict with the public interest. If the Commissioner fails to approve the plan, he shall state his reasons for such failure in his order made on such hearing.

Any order issued by the Commissioner hereunder shall be subject to court review in accordance with the provisions of G.S. 58-9.3.

(3) **Approval of Shareholders.**—The plan of exchange as approved by the Commissioner of Insurance shall then be submitted to a vote of the shareholders of the domestic company at an annual or special meeting of the shareholders. Notice of the submission of the plan to the shareholders shall be included in the notice of such annual or special meeting. The plan shall be approved by the shareholders of the domestic company upon receiving the affirmative votes representing at least two thirds of the outstanding capital stock of the domestic company or such larger proportion as may be specified in the plan of exchange. Notwithstanding shareholder adoption of the plan of exchange and at any time prior to the filing of the certificate setting forth the plan of exchange pursuant to G.S. 58-86.5, the plan of exchange may be abandoned pursuant to a provision for such abandonment, if any, contained in the plan of exchange.

(4) **Objection.**—Any shareholder of the domestic company may, by following the procedure set forth in G.S. 55-113 (b) object to the plan of exchange and become entitled, if the plan becomes effective, to be paid by the domestic company or the acquiring corporation the fair value of his shares in the domestic company. Such payment and the amount thereof shall be determined in accordance with the provisions of G.S. 55-113 (d), (e), (f), (g) and (h). (1967, c. 938.)

**Editor's Note.** — By virtue of Session Laws 1943, c. 170, "Commissioner of Insurance" in the catchline of subdivision (2).

§ 58-86.5. **Filing plan of exchange.**—Not earlier than 31 days after the date of the meeting of shareholders of the domestic company at which the plan of exchange was approved by such shareholders, a certificate setting forth (i) the plan of exchange and (ii) the vote by which such plan was adopted by the shareholders of the domestic company, or (iii) that the plan of exchange has been abandoned, shall be signed on behalf of the domestic company by its president or a vice-president and also by its secretary or an assistant secretary and shall then be presented in triplicate to the Commissioner of Insurance. If the certificate indicates that the plan of exchange has been approved by the domestic company's shareholders as required by G.S. 58-86.4 (3) and that the facts otherwise conform to the law, he shall endorse his approval on the certificate and the same shall then be filed as provided in G.S. 55-4. Upon the filing of such certificate, the plan of exchange and the issuance and exchange provided for therein shall become effective, unless a later date and time is specified in the plan of exchange, in which event the plan of exchange and issuance and exchange provided for therein shall become effective upon such later date and time. (1967, c. 938.)

§ 58-86.6. **Effect of exchange.**—Upon the plan of exchange becoming effective, the exchange provided for therein shall be deemed to have been consummated, each shareholder of the domestic company shall cease to be a shareholder of such company and the ownership of all shares of the issued and outstanding stock of the domestic company shall vest in the acquiring corporation automatically without any physical transfer or deposit of certificates representing such shares.

Certificates representing shares of the domestic company prior to the plan of exchange becoming effective shall, after the plan of exchange becomes effective, represent (i) shares of the issued and outstanding capital stock or other securities issued by the acquiring corporation, and (ii) the right, if any, to receive such cash or other consideration upon such terms as shall be specified in the plan of exchange: Provided, that the plan of exchange (i) shall specify that all certificates representing shares of stock of the domestic company may, after the plan of exchange becomes effective, be exchanged for shares of stock or other securities issued by the acquiring corporation or cash or other consideration or any combination thereof upon such terms as shall be specified in the plan of exchange, and (ii) may require that all certificates representing shares of stock of the domestic company shall, after the plan of exchange becomes effective, represent only the right to receive shares of stock or other securities issued by the acquiring corporation or cash or other consideration or any combination thereof upon such terms as shall be specified in the plan of exchange. (1967, c. 938.)

**§ 58-86.7. Authorized insurance business and regulatory authority.**

—(a) Nothing contained in this article shall be construed to authorize any insurance company to engage in any kind or kinds of insurance business not authorized by its articles of incorporation, or to authorize any acquiring corporation which is not an insurance company to engage directly in the business of insurance. Subsequent to the effective date of the plan of exchange, the Commissioner having regard to the findings stated in subdivision (2) of G.S. 58-86.4, shall have the authority to require that the affairs of the domestic company be conducted in such manner as to assure the continuing safe conduct and transaction of the domestic company's business of insurance.

(b) If at any time the Commissioner finds, after due notice and opportunity to be heard as provided by G.S. 58-9.2, that the business and affairs of the acquiring corporation are of such nature or are conducted in such manner as to endanger the continued solvency of any domestic insurance company, to be harmful to any domestic insurance company, or to impair the rights of any policyholder, he shall issue such written order or orders as he deems appropriate to assure that the business and affairs of the acquiring corporation are of such nature and are conducted in such manner as to no longer endanger the solvency of any domestic insurance company, to be harmful to any domestic insurance company, or to impair the rights of any policyholder, including an order requiring the acquiring corporation to divest itself of the stock of the domestic company.

(c) The Commissioner may examine, at such time or times as he may deem appropriate, the financial and business affairs of the acquiring corporation, and in connection with any such examination or examinations the acquiring corporation shall make available its books, records and accounts, and the Commissioner may require from the acquiring corporation and its officers, directors and employees the submission of such written or oral statements as the Commissioner may deem necessary or advisable. The cost of the examination shall be borne by the acquiring corporation at the same rate as is provided for under G.S. 58-63 (3).

(d) Any acquiring corporation which owns or controls any domestic insurance company shall be subject to all proxy solicitation and insider trading regulations promulgated from time to time by the Commissioner of Insurance pursuant to statutory authority.

(e) It shall be unlawful for any domestic insurance company which has exercised the privileges allowed by this article, except upon written approval by the Commissioner and subject to the provisions of G.S. 58-79,

- (1) To invest any of its funds in the capital stock, bonds, debentures, or other obligations of any acquiring corporation of which it is a subsidiary, or of any other subsidiary of any such acquiring corporation;
- (2) To accept the capital stock, bonds, debentures, or other obligations of any acquiring corporation of which it is a subsidiary or any other sub-

- sidiary of any such acquiring corporation, as collateral security for advances made to any person or company;
- (3) To purchase securities, other assets or obligations under repurchase agreement from any acquiring corporation of which it is a subsidiary or any other subsidiary of any such acquiring corporation; and
  - (4) To make any loan, discount or extension of credit to any acquiring corporation of which it is a subsidiary or to any other subsidiary of any such acquiring corporation. (1967, c. 938.)

§ 58-86.8. **Powers of Commissioner not affected.**—Nothing in this article shall affect the power of the Commissioner to regulate, supervise and control insurance companies to the extent of and as provided by this chapter. (1967, c. 938.)

§ 58-86.9. **Application of article to other domestic corporations.**—Any such domestic corporation, other than a domestic insurance company, which shall acquire the majority of the voting capital stock of any domestic insurance company shall be subject to the regulations contained in this article; provided, however, that the provisions of this article shall not apply to any domestic corporation which has acquired a domestic insurance company or companies prior to June 27, 1967. ### SUBCHAPTER III. FIRE INSURANCE.

#### ARTICLE 18A.

##### *Fire and Extended Coverage for Beach Area Property.*

**§ 58-173.1. Fire and casualty companies to submit plan to Commissioner for fire and extended coverage; Commissioner to formulate plan if none submitted or approved.**—The Commissioner of Insurance, after consultation with representatives of insurance carriers licensed to write fire and extended coverage insurance in this State, shall consider for approval a reasonable plan and procedures which such insurance carriers may submit to him for the voluntary writing of fire and extended coverage in the "beach area" of the "seacoast territory (Zone 1)" as hereinafter defined in this article, and after a public hearing.

The Commissioner of Insurance may, approve any such plan and procedures thus submitted to him, if he finds such plan and procedures to be adequate for the purposes of this article. In the event no plan is approved by the Commissioner of Insurance, or in the event no plan is submitted by the insurance carriers, the Commissioner of Insurance, in the exercise of his discretion, and after a public hearing, shall formulate and put into effect a reasonable plan and procedures for the writing of fire and extended coverage insurance upon insurable properties in the "beach area." For the purposes of this section, an insurable risk is one which meets the standards of insurability prevailing throughout the insurance industry for fire and extended coverage as it relates to "beach properties." (1967, c. 1111, s. 1.)

**Editor's Note.**—Section 3, c. 1111, Session Laws 1967, provides: "This act shall not apply with respect to any policy or policies of fire or extended coverage insurance already in existence covering

property in the 'beach area,' but the same shall be applicable to policies of insurance which are written or renewed on or after the adoption of a plan pursuant to the provisions of this act."

**§ 58-173.2. Such report and explanation shall be privileged, and shall not constitute grounds for any cause of action against the insurer, its representative, or any person, firm or corporation, who in good faith furnishes to the Commissioner of Insurance the information upon which the reasons are based.

Provided, however, that such reports shall not be required in the case of policies which are cancelled or nonrenewed for nonpayment of premium, transfer of ownership of property, cancellation by insured, termination of agency, change of insurance to other companies, and other reasons acceptable to the Commissioner of Insurance. Written reports of refusal to write which are filed with the North Carolina Fire Insurance Rating Bureau under the terms of a voluntary plan approved by the Commissioner of Insurance shall be deemed to comply with the requirements of this section, provided such reports are filed in duplicate and one copy thereof is submitted to the Commissioner of Insurance. Such report and explanation shall be privileged and shall not constitute grounds for any cause of action against the agent, or any person, firm or corporation who in good faith furnishes to the Commissioner of Insurance the information upon which the reasons are based in compliance with this section. (1967, c. 1111, s. 1.)

**Editor's Note.** — By virtue of Session Laws 1943, c. 170, "Commissioner of Insurance Commissioner" in the last sentence of the section. "Insurance" has been substituted for "Insurance" in the last sentence of the section.

The Commissioner of Insurance may at the request of the Legislative Research Commission, make such supplemental reports and submit such supplemental data concerning the success of any plan adopted as may be requested by the Legislative Research Commission. For the purpose of the reports which may be filed hereunder, the Commissioner of Insurance may require the North Carolina Fire Insurance Rating Bureau to furnish such pertinent data and statistics in such manner and on such forms as he may approve. (1967, c. 1111, s. 1.)

- (2) The gross insurance premiums by zones and "beach area" collected for the issuance or renewal of fire and extended coverage insurance in each zone and the "beach area" within the State of North Carolina.

Licensed insurers writing fire and extended coverage insurance in the State of North Carolina and required to report under this section may adopt a form for the purpose of reporting the information required by this section, which form shall be subject to the approval of the North Carolina Commissioner of Insurance. (1967, c. 1111, s. 1.)

**§ 58-173.6. Definition of "beach area".**—"Beach area" as used in this article shall consist of the following areas within the State of North Carolina: All localities south and east of the inland waterway from the South Carolina line to Fort Macon (Beaufort Inlet), thence south and east of Core, Pamlico, Roanoke and Currituck sounds to the Virginia line, being those portions of land generally known as the Outer Banks. (1967, c. 1111, s. 1.)

**§ 58-173.7. The Commissioner of Insurance shall also have authority to propose and promulgate reasonable regulations with respect to any voluntary plan adopted pursuant to the provisions of this article. The Commissioner of Insurance shall not be liable for any act or omission in connection with the administration of the duties imposed upon him by the provisions of this article, except upon proof of malfeasance. **Editor's Note.**—Section 3, c. 1111, Session Laws 1967, provides: "This act shall not apply with respect to any policy or policies of fire or extended coverage insurance already in existence covering

#### **§ 58-176. Fire insurance contract; standard policy provisions.**

##### **I. GENERAL CONSIDERATION.**

**Waiver by or Estoppel against Insurer from Act or Omission of Agent.** — A waiver by, or an estoppel against, an in-

surer may arise from the act, conduct, omission, or knowledge of a duly authorized representative of the insurer acting within the scope of his actual or apparent author-

ity. Northern Assur. Co. of America v. Spencer, 246 F. Supp. 730 (W.D.N.C. 1965).

#### Knowledge of Agent, etc.—

In the absence of fraud or collusion, and when acting within the scope of his authority, the agent's knowledge is in law the knowledge of the insurer, although not in fact communicated to the insurer. Northern Assur. Co. v. America v. Spencer, 246 F. Supp. 730 (W.D.N.C. 1965).

**Description of Property Covered as Located in Building Occupied by Insured Is Authorized.**—Language insuring property located in a building occupied by the insured is expressly authorized by this section. It is a material part of the contract; it cannot be ignored. Parker v. Worcester Mut. Fire Ins. Co., 264 N.C. 339, 141 S.E.2d 466 (1965).

**It Means Building So Occupied When Policy Was Issued.**—Where a policy insured the contents of a building occupied by the insured, it meant the building occupied by insured when the policy was issued—not elsewhere. Parker v. Worcester Mut. Fire Ins. Co., 264 N.C. 339, 141 S.E.2d 466 (1965).

Cited in Firemen's Mut. Ins. Co. v. High Point Sprinkler Co., 266 N.C. 134, 146 S.E.2d 53 (1966).

### III. CERTAIN OTHER CONDITIONS.

**Condition or Use of Property Provision May Be Waived.**—An insurance company

may waive, or be estopped to rely on, a provision or condition in a policy of insurance relating to use or condition of property. Northern Assur. Co. of America v. Spencer, 246 F. Supp. 730 (W.D.N.C. 1965).

#### Same—Waiver of Proof of Loss.—

An insurance company which causes or induces the insured to delay in furnishing sufficient notice and proofs of loss thereby waives such delay. Northern Assur. Co. of America v. Spencer, 246 F. Supp. 730 (W.D.N.C. 1965).

### IV. LIABILITY OF INSURER IN CASE OF LOSS; SUBROGATION.

#### Insurer Subrogated, etc.—

In accord with original. See Dixie Fire & Cas. Co. v. Esso Standard Oil Co., 265 N.C. 121, 143 S.E.2d 279 (1965).

### V. LIABILITY OF AGENT.

**Apparent Authority of Employee Ordinarily Determines Extent of Agent's Liability.**—One dealing with an insurance agency under ordinary circumstances need not concern himself with the extent of the authority of an employee in the agent's office who undertakes to act for the agent; the apparent authority with which such employee is clothed by the agent renders him and his principal liable regardless of the actual limits of the authority of the employee. Northern Assur. Co. of America v. Spencer, 246 F. Supp. 730 (W.D.N.C. 1965).

## SUBCHAPTER IV. LIFE INSURANCE.

### ARTICLE 22.

#### General Regulations of Business.

#### § 58-195.2. Credit life insurance defined.

Creditor has an insurable interest in debtor's life. Hatley v. Johnston, 265 N.C. 73, 143 S.E.2d 260 (1965).

Credit life insurance, as between the creditor and insured debtor, is collateral security. Hatley v. Johnston, 265 N.C. 73, 143 S.E.2d 260 (1965).

**Payment by Such Insurance Is Payment by Debtor.**—Payment of the debt with credit life insurance, when the insured authorizes the creditor to procure the policy

and pays the premium himself, is payment by the insured debtor, just as payment with any collateral security is payment by the owner thereof. The presence of an assuming grantee, who has no right to change the beneficiary under the policy, and therefore no claim of ownership, should not alter that result. Hatley v. Johnston, 265 N.C. 73, 143 S.E.2d 260 (1965).

#### § 58-205. Rights of beneficiaries.

Section 58-206 is actually an amendment of this section. In re Wolfe, 249 F. Supp.

784 (M.D.N.C. 1966), commented on in 45 N.C.L. Rev. 696 (1967).

**§ 58-206. Creditors deprived of benefits of life insurance policies except in cases of fraud.**

**Section Amendatory of § 58-205.—**

This section is actually an amendment of § 58-205. In *re Wolfe*, 249 F. Supp. 784 (M.D.N.C. 1966), commented on in 45 N.C.L. Rev. 696 (1967).

Wives and children of bankrupts are protected from claims of the bankrupt's creditors, both during his life and at his death, if life policies are for their sole benefit. In *re Wolfe*, 249 F. Supp. 784 (M.D.N.C. 1966), commented on in 45 N.C.L. Rev. 696 (1967).

**But Cash Surrender Value Is Not Exempt Where Beneficiary May Be Changed.**—Where the insured bankrupt retained the right to change the beneficiary in policies

of insurance, the cash surrender values of said policies were not exempt property under the Constitution and statutes of North Carolina, and the trustee in bankruptcy was vested with the title to said policies. In *re Wolfe*, 249 F. Supp. 784 (M.D.N.C. 1966), commented on in 45 N.C.L. Rev. 696 (1967).

**And Trustee Is Entitled to Such Cash Surrender Value.**—Trustees in bankruptcy are entitled to the cash surrender value of life policies under which the bankrupt has the power to change beneficiaries. In *re Wolfe*, 249 F. Supp. 784 (M.D.N.C. 1966), commented on in 45 N.C.L. Rev. 696 (1967).

**§ 58-207. Notice of nonpayment of premium required before forfeiture.**

**Notice Is Prerequisite to Forfeiture Unless Premiums Are Payable Monthly.**—Notice that any premium or premiums are in default is a prerequisite to forfeiture of

the policy under this section except as to policies on which premiums are payable monthly. *Wiles v. Nationwide Life Ins. Co.*, 334 F.2d 296 (4th Cir. 1964).

**§ 58-210. Group life insurance defined.**

- (1) A policy issued to an employer, or to the trustee of a fund established by an employer, which employer or trustee shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, subject to the following requirements:
  - a. The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include retired employees. The term "employer" as used herein may be deemed to include any county, municipality, or the proper officers, as such, of any unincorporated municipality or any department, division, agency, instrumentality or subdivision of a county, unincorporated municipality or municipality. In all cases where counties, municipalities or unincorporated municipalities or any officer, agent, division, subdivision or agency of the same have heretofore entered into contracts and purchased group life insurance for their employees, such transactions, contracts and insurance and the purchase of the same is hereby approved, authorized and validated.
  - b. The premium for the policy shall be paid by the policyholder, either wholly from the employer's funds or funds contributed

by him, or partly from such funds and partly from funds contributed by the insured employees. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured employees. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least 75% of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

- c. The policy must cover at least 10 employees at date of issue.
- d. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the employees or by the employer or trustee. No policy may be issued which provides insurance on any employee which together with any other insurance under any group life insurance policy or policies issued to the employer or to the trustee of a fund established in whole or in part by the employer exceeds \$50,000, except that this limitation shall not apply to amounts of group permanent life insurance issued in connection with a pension or profit-sharing plan.

(3) A policy issued to a labor union, which shall be deemed the policyholder, to insure members of such union for the benefit of persons other than the union or any of its officials, representatives or agents, subject to the following requirements:

- a. The members eligible for insurance under the policy shall be all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the union, or both.
- b. The premium for the policy shall be paid by the policyholder, either wholly from the union's funds, or partly from such funds and partly from funds contributed by the insured members specifically for their insurance. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured members specifically for their insurance. A policy on which part of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least 75% of the then eligible members, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.
- c. The policy must cover at least 25 members at date of issue.
- d. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the union. No policy may be issued which provides insurance on any union member which together with any other insurance under any group life insurance policies, issued to the union exceeds \$50,000.

- (4) A policy issued to the trustee of a fund established by two or more employers in the same industry or kind of business or by two or more labor unions, which trustee shall be deemed the policyholder, to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the unions, subject to the following requirements:
- a. The persons eligible for insurance shall be all of the employees of the employers or all of the members of the unions, or all of any class or classes thereof determined by conditions pertaining to their employment, or to memberships in the unions, or to both. The policy may provide that the term "employees" shall include the individual proprietor or partners if an employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include the trustee or the employees of the trustee, or both, if their duties are principally connected with such trusteeship. The policy may provide that the term "employees" shall include retired employees.
  - b. The premium for the policy shall be paid by the trustee wholly from funds contributed by the employers of the insured persons. The policy must insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.
  - c. The policy must cover at least 100 persons at date of issue.
  - d. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured persons or by the policyholder, employers, or unions. No policy may be issued which provides insurance on any person, which together with any other insurance under any group life insurance policy or policies issued to the employers, or any of them, or to the trustee of a fund established in whole or in part by the employers, or any of them, exceeds \$50,000, except that this limitation shall not apply to amounts of group permanent life insurance issued in connection with a pension or profit-sharing plan.
- (5) A policy issued to an association of persons having a common professional or business interest, which association shall be deemed the policyholder, to insure members of such association for the benefit of persons other than the association or any of its officials, representatives or agents, subject to the following requirements:
- a. Such association shall have had an active existence for at least two years immediately preceding the purchase of such insurance, was formed for purposes other than procuring insurance and does not derive its funds principally from contributions of insured members toward the payment of premiums for the insurance.
  - b. The members eligible for insurance under the policy shall be all of the members of the association or all of any class or classes thereof determined by conditions pertaining to their employment, or the membership in the association, or both. The policy may provide that the term "members" shall include the employees of members, if their duties are principally connected with the member's business or profession.
  - c. The premium for the policy shall be paid by the policyholder, either wholly from the association's funds, or partly from such funds and partly from funds contributed by the insured mem-

bers specifically for their insurance. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured members specifically for their insurance, nor if the Commissioner finds that the rate of such contributions will exceed the maximum rate customarily charged employees insured under like group life insurance policies issued in accordance with the provisions of subdivision (1). A policy on which part of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least 75% of the then eligible members, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

- d. The policy must cover at least 25 members at date of issue.
- e. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the association. No policy may be issued which provides insurance on any member which together with any other insurance under any group life insurance policies issued to the association exceeds \$50,000.

(1965, c. 869.)

**Editor's Note.—**

The 1965 amendment substituted “\$50,000” for “\$40,000” in paragraph d of subdivisions (1), (3) and (4), and in paragraph e of subdivision (5).

As the rest of the section was not affected by the amendment, it is not set out.

The Burial Association Commissioner, with the consent of the Commission, and after a public hearing, may promulgate reasonable rules and regulations for the enforcement of this article and in order to carry out the intent thereof. The Commission is authorized and directed to adopt specific rules and regulations to provide for the orderly transfer of a member's benefits in merchandise and services from the official funeral director of the member's association to the official funeral director of any other mutual burial association in good standing under the provisions of this article.

The Commission shall elect its own chairman, who shall vote only when the Commission is evenly divided.

The Commission shall hold regular meetings at least twice each year, and more often if called by the Commissioner, in Raleigh, or such place in North Carolina as the Commissioner may direct. Special meetings of the Commission may also be called in Raleigh, or such other place in North Carolina as they may direct, by a majority of the Commission.

The Burial Association Commissioner shall serve as secretary of the Commission and shall keep minutes of all regular and special meetings.

All regular or special meetings of the Commission, unless a majority of the members of the Commission vote otherwise, shall be open to the public. All regular meetings shall be advertised in at least three newspapers having inter-county circulation in North Carolina.

Members of the Commission shall receive, when attending such regular or special meetings, such per diem, expense allowance and travel allowance as are allowed other commissions and boards of the State. The legal adviser to the Commission shall be entitled to actual expenses when attending regular or special meetings of the Commission held other than in Raleigh. All expenses of the Commission shall be paid from funds coming to the Commissioner pursuant to this article. (1967, c. 1197, s. 2.)

**§ 58-225:** Repealed by Session Laws 1967, c. 1197, s. 3.

**§ 58-226. Requirements as to rules and bylaws.**

Article 2. Such funeral benefit shall be in the amount of one hundred dollars (\$100.00) of merchandise and service, without free embalming or free ambulance service, for persons of the age of 10 years and over, or in the amount of fifty dollars (\$50.00) for persons under the age of 10 years; provided, however, that any member of any association may purchase a double benefit (for a total benefit of two hundred dollars (\$200.00)); however, any additional benefit shall be based on the assessment rate, as provided in article 6 of this section, at the attained age of applicant at the time the double benefit takes effect. The purchase of a double benefit shall not be available to any member who cannot fulfill the requirements as set forth in article 3 of this section, excluding the payment of the twenty-five cents (25¢) membership fee. Any funeral director who sells or promotes the sale of a membership shall provide a funeral at a cost of the face amount of the policy, or give credit in the amount of the face value on such funeral as may be selected by the family of the member of the association.

**Editor's Note.—**

The 1967 amendment substituted for the former fourth sentence in article 2 the proviso at the end of the third sentence and the present fourth and fifth sentences in the article.

As only article 2 was affected by the amendment, the rest of the section is not set out.

**§ 58-228. Assessments against associations for expenses of Burial Commissioner.**—In order to meet the expenses of the supervision of the burial associations, the Burial Association Commissioner shall prorate the amount of supervisory costs over and above any other funds in his hands for this purpose and assess each association on a pro rata basis in accordance with the number of members of each association, which total assessment shall, in the aggregate, amount to eighty per centum (80%) of the total budget of the Burial Association Commissioner as approved by the Director of the Budget and the Advisory Budget Commission; provided that, said total assessment shall not exceed fifty-six thousand dollars (\$56,000). Each burial association shall remit to the Burial Association Commissioner its pro rata part of the assessment, which expense shall be included in the thirty per centum (30%) expense allowance as provided in article 13 of G.S. 58-226. This assessment shall be made on the first day of July of each and every year and said assessment shall be paid within 30 days thereafter. If any association shall fail or refuse to pay such assessment within 30 days, the Burial Association Commissioner is authorized to transfer all memberships and assets of every kind and description to the nearest next association that is found by the Burial Association Commissioner to be in good sound financial condition. (1941, c. 130, s. 6; 1943, c. 272, s. 3; 1945, c. 125, s. 3; 1947, c. 100, s. 3; 1949, c. 201, s. 4; 1951, c. 901, s. 1; 1955, c. 259, ss. 1, 2; 1967, c. 985, s. 1.)

**Editor's Note.—**

The 1967 amendment rewrote the first

sentence, added the second sentence, and rewrote the last sentence.

**§ 58-235. Free services; failure to make proper assessments, etc., made a misdemeanor.**—Any person or persons who offer free funeral services or free embalming, free ambulance service or any other thing free of charge, acting for any burial association, directly or indirectly, or who so acting shall in any way fail to assess for the amount needed to pay death losses and allowable expenses, shall be guilty of a misdemeanor and upon conviction shall be fined not less than two hundred fifty dollars (\$250.00) or imprisoned for not less

than 12 months, or both, in the discretion of the court. (1941, c. 130, s. 13; 1967, c. 1197, s. 5.)

**Editor's Note.** — The 1967 amendment rewrote this section.

**§ 58-237. Bond of secretary or secretary-treasurer of burial associations.**—The secretary or secretary-treasurer of each burial association shall, before entering upon the duties of his office, and for the faithful performance thereof, execute a bond payable to the Burial Commissioner as trustee for the burial association in some bonding company licensed to do business in this State, to be approved by the Burial Association Commissioner. Said bond shall be in an amount not less than one thousand dollars (\$1,000) nor more than ten thousand dollars (\$10,000), in the discretion of the Commissioner, for those associations whose assets, as determined by the Commissioner's audit, are ten thousand dollars (\$10,000) or less. For those associations whose assets, as determined by the Commissioner's audit, are in excess of ten thousand dollars (\$10,000), said bond shall be in an amount of ten thousand dollars (\$10,000) plus twenty-five per centum (25%) of all assets over ten thousand dollars (\$10,000); Provided however, that the bond required by this section shall not in any event exceed fifty thousand dollars (\$50,000). If any association operates a branch or subsidiary and the officers of both associations are the same, for purposes of this section, it shall be treated as one association. Any burial association, with the consent of the Burial Association Commissioner, may give a bond secured by a deed of trust on real estate situated in North Carolina, in lieu of procuring said bond from a bonding company. The bond thus given shall not be acceptable in excess of the ad valorem tax value for the current year of the real estate securing said bond. The deed of trust shall be recorded in the county or counties wherein the land lies and shall be deposited with the Burial Association Commissioner, name the Commissioner as trustee for the burial association and must constitute a first lien on the property secured by the deed of trust. Said deed of trust shall contain a description of the encumbered property by metes and bounds together with evidence by title insurance policy or by certificate of an attorney at law, certifying that said trustor is the owner of a marketable fee simple title to such lands. (1941, c. 130, s. 15; 1943, c. 272, s. 5; 1967, c. 985, s. 2.)

## SUBCHAPTER V. AUTOMOBILE LIABILITY INSURANCE.

### ARTICLE 25.

#### *Regulation of Automobile Liability Insurance Rates.*

**§ 58-246. North Carolina Automobile Rate Administrative Office created; objects and functions; hearings on rates.**

**Editor's Note.**—

For note discussing compulsory rating bureaus and the antitrust laws, see 54 N.C.L. Rev. 481 (1967).

Cited in *Allstate Ins. Co. v. Lanier*, 361 F.2d 870 (4th Cir. 1966).

**§ 58-247. Membership as a prerequisite for writing insurance; governing committee; rules and regulations; expenses; Commissioner of Insurance ex officio chairman.**

**Section Is Not in Conflict with Federal Laws.**—This section and § 58-248.2 are not in conflict with the McCarran-Ferguson Act (15 U.S.C. §§ 1011-1015) and the

Sherman Anti-Trust Act (15 U.S.C. §§ 1-7). *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

For note discussing compulsory rating bureaus and the antitrust laws, see 54 N.C.L. Rev. 481 (1967).

**Bureau Is Body Apart from State but Answerable to Commissioner.**—The rating bureau is a body separate and apart from

the State in that it is composed of private citizens as to its employees and governing committee, but it is also answerable to the Commissioner at every turn. If it does not give the Commissioner the answers he demands, then he is free to act in his own right and as he "sees fit." *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**§ 58-248. Personnel and assistants; general manager; submission of rate proposals to Commissioner of Insurance; approval or disapproval.**—In order to carry into effect the objects of §§ 58-246 to 58-248, the bureau members shall immediately elect its governing committee who shall employ and fix the salaries of such personnel and assistants as are necessary, but the general manager of the Compensation Rating and Inspection Bureau of North Carolina shall be the general manager also of the North Carolina Automobile Rate Administrative Office and the Commissioner of Insurance is hereby authorized to compel the production of all books, data, papers and records and any other data necessary to compile statistics for the purpose of determining the pure cost and expense loading of automobile bodily injury and property damage insurance in North Carolina and this information shall be available and for the use of the North Carolina Automobile Rate Administrative Office for the capitulation and promulgation of rates on automobile bodily injury and property damage insurance. All such rates compiled and promulgated by such bureau shall be submitted to the Commissioner of Insurance for approval and no such rates shall be put into effect in this State until approved by the Commissioner of Insurance and not subsequently disapproved.

On or before July 1 of each calendar year the North Carolina Automobile Rate Administrative Office shall submit to the Commissioner the data hereinabove referred to for bodily injury and property damage insurance on private passenger vehicles and a rate review based on such data. Such rate proposals shall be approved or disapproved by the Commissioner in writing within ninety (90) days after submission to him: Provided, the Commissioner shall have at least thirty (30) days after the completion of hearings and the receipt of any additional data requested from the North Carolina Automobile Rate Administrative Office in which to consider the rate proposals.

The provisions of G.S. 58-246 to 58-248 shall not apply to publicly owned vehicles. (1939, c. 394, s. 3; 1945, c. 381, s. 2; 1965, c. 943.)

**Editor's Note.**—

The 1965 amendment, effective Jan. 1, 1966, deleted a former proviso at the end of the first paragraph and reinstated it as the present third paragraph. It also added the second paragraph.

For note discussing compulsory rating bureaus and the antitrust laws, see 54 N.C.L. Rev. 481 (1967).

**Quoted in** *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**§ 58-248.1. Order of Commissioner revising improper rates, classifications and classification assignments.**

It is the duty of the Commissioner to hold hearings prior to revising rates, and this is a two-edged sword. Not only may the voluntary members of the rating bureau present their contentions, but the independents may likewise present their contentions. *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**Anyone who is aggrieved can protest**

any determinations made by the rating bureau. This is clearly recourse outside the controls of the rating bureau, and is indeed a valuable weapon because the protest is carried to an elected official of the State who must, in turn, answer to the electorate. *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**§ 58-248.2. Insurance policy must conform to rates, etc., filed by rating bureau; when higher rate allowed.**

**Section Is Not in Conflict with Federal Laws.**—This section and § 58-247 are not in conflict with the McCarran-Ferguson Act (15 U.S.C. §§ 1011-1015) and the Sherman Anti-Trust Act (15 U.S.C. §§ 1-7). *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

This article is not invalid on the ground that it restricts competition by prohibiting the offering of lower premium rates than those made and filed by the rating bureau in violation of the Sherman Act, 15 U.S.C. §§ 1-7 (1958), and the McCarran-Ferguson Act, 15 U.S.C. §§ 1011-1015 (1958). Since the rating bureau is established and administered under the active supervision of the State, it is not subject to attack under the federal antitrust laws, which condemn only private noncompetitive activities. *Allstate Ins. Co. v. Lanier*, 361 F.2d 870 (4th Cir 1966).

**Now All Insurers Must Belong to Bureau and Charge Same Rates.**—The 1961 amendment to this section resulted in the requirement that all insurers in this State must not only be members of the rating

bureau, but that they must also charge the same uniform and minimum rates for all insurance of the same kind. *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. (1965)).

**Or Be Subject to Penalties.**—Any insurer failing to comply with the requirements of this section would be subject to a revocation or suspension of its license to do business and might also be subject to criminal sanctions. *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**But They May Compete by Offering Greater Dividends.**—All forms of deviation from the standards set by the rating bureau are not foreclosed to insurers. On the contrary, they have the privilege of continuing to compete for customers by offering, among other things, greater dividends than other competing insurance carriers. This is the form of competition selected by the legislature as compatible with the automobile liability insurance statutes of the State. *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**§ 58-248.3. Revocation or suspension of license for violation of article.**

Quoted in *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**§ 58-248.4. Punishment for violation of article.**

Quoted in *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**§ 58-248.5. Review of order of Commissioner.**

Quoted in *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**§ 58-248.6. Appeal to Commissioner from decision of bureau.**

**Bureau Is Body Apart from State but Subject to Commissioner.**—It is a fact that the rating bureau is a body separate and apart from the State in that it is composed of private citizens as to its employees and governing committee, but it is also answerable to the Commissioner at every turn. If it does not give the Commissioner the answers he demands then he is free to act in his own right and as he "sees fit." *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**Anyone Aggrieved Can Protest Its Determinations.** — Anyone who is aggrieved can protest any determinations made by the rating bureau. This is clearly recourse outside the controls of the rating bureau, and is indeed a valuable weapon because the protest is carried to an elected official of the State who must, in turn, answer to the electorate. *Allstate Ins. Co. v. Lanier*, 242 F. Supp. 73 (E.D.N.C. 1965).

**§ 58-248.8. Rates to distinguish between safe and nonsafe drivers.** — The Commissioner of Insurance, in the manner prescribed by article 25 of subchapter V of chapter 58 of the General Statutes, is directed to establish a Safe Driver Reward Plan which adequately and factually distinguishes between classes of drivers having safe-driving records and those having a record of chargeable accidents, a record of convictions of major traffic violations; a record of a series

of minor traffic violations; or a combination thereof. (1957, c. 1393, s. 11; 1961, c. 1006, s. 2; 1963, c. 1144; 1967, c. 283.)

**Editor's Note.—**

The 1967 amendment, effective Jan. 1, 1968, substituted "a record of convictions of major traffic violations; a record of a series of minor traffic violations; or a combination thereof" for "convictions of major traffic violations" at the end of the first

paragraph and deleted the former second and third paragraphs, relating to the assignment of points for various charges or traffic violations and accidents.

## SUBCHAPTER VI. ACCIDENT AND HEALTH INSURANCE.

### ARTICLE 26A.

#### *Joint Action to Insure Elderly.*

**§ 58-254.11. Joint action to insure persons 65 years of age or over and their spouses permitted; associations of insurers; individual and group policies.**—Notwithstanding any other provisions of this chapter or any other law which may be inconsistent herewith, any insurer may join with one or more other insurers to plan, develop, underwrite, offer, sell and provide to or for any resident person of this State, or of another state if permitted by the laws of such other state, who is 65 years of age or over and to the spouse of such person, insurance against financial loss from accident or sickness, or both. Such insurance may also cover an employer's nonresident employees and nonresident retired employees sixty-five years of age or older and their spouses, provided such employees are regularly employed within this State or were so employed at the time of their retirement. Such insurance may be offered, issued and administered through an association of two or more insurers which association is formed for the purpose of offering, selling, issuing and administering such insurance, and may be in the form of a policy insuring a resident who is 65 years of age or older, and the spouse of such resident, if any, or in the form of a group policy insuring residents 65 years of age or older and the spouses of such residents, or in both forms. On such insurance each insurer shall be severally liable for a percentage of the risks determined under the articles of association of the association. The insurer members of such association may agree with respect to premium rates, policy provisions, commission rates and other matters within the scope of this article. Notwithstanding the provisions of G.S. 58-44, any policy providing such insurance may be executed on behalf of the insurers or the association, as the case may be, by a duly authorized person and need not be countersigned by a resident agent. (1963, c. 1125; 1965, c. 677.)

**Editor's Note.**—The 1965 amendment inserted the present second sentence.

### ARTICLE 27.

#### *General Regulations.*

**§ 58-260. Discrimination forbidden; right to choose services of optometrist or dentist.**—Discrimination between individuals of the same class in the amount of premiums or rates charged for any policy of insurance covered by this subchapter, or in the benefits payable thereon, or in any of the terms or conditions of such policy, or in any other manner whatsoever, is prohibited.

Whenever any policy of insurance governed by this chapter provides for payment of or reimbursement for any service which is within the scope of practice of a duly licensed optometrist, or a duly licensed podiatrist, or a duly licensed dentist, the insured or other persons entitled to benefits under such policy shall be entitled to payment of or reimbursement for such services, whether such services be per-

formed by a duly licensed physician or a duly licensed optometrist, or a duly licensed podiatrist, or a duly licensed dentist notwithstanding any provision contained in such policy. The policyholder, insured, or beneficiary shall have the right to choose the provider of such services notwithstanding any provision to the contrary in any other statute. (1913, c. 91, s. 11; C. S., s. 6488; 1965, c. 396, s. 2; c. 1169, s. 2; 1967, c. 690, s. 2.)

**Editor's Note.** — The first 1965 amendment, effective July 1, 1965, added the second paragraph Section 4 of the act provides that it shall not be construed to equate optometrists with physicians except to the extent that each must be duly licensed.

The second 1965 amendment, effective Jan. 1, 1966, inserted "or a duly licensed dentist" twice in the second paragraph. Section 4 of the act provides that the right to payment or reimbursement notwithstanding any provision to the contrary contained in any plan or policy shall be

applicable only to those plans and policies entered into, issued, or renewed after the effective date of the act, there being no legislative intent to impair or enlarge obligations under any existing contracts.

The 1967 amendment, effective July 1, 1967, inserted "or a duly licensed podiatrist" in two places in the first sentence of the second paragraph.

Session Laws 1967, c. 690, s. 4, provides: "Nothing in this act shall be construed to equate podiatrists with physicians except to the extent that each must be duly licensed."

##### *Health Insurance Advisory Board.*

**§ 58-262.2. Membership of Board; appointment; terms; Commissioner of Insurance ex officio member.**

- (2) The term of office of the members of said Board shall be as follows: Three public members and two industry members shall be appointed for original two-year terms commencing September 15, 1967. Two public members and two industry members shall be appointed for original four-year terms commencing September 15, 1967; thereafter, all appointments shall be for terms of four years: Provided, however, each member may continue in office into the new term until his successor is appointed. No member shall by appointment or by continuance in office serve more than two consecutive four-year terms.

(1967, c. 634, s. 1.)

**Editor's Note.**—The 1967 amendment rewrote subdivision (2).

As the rest of the section was not changed by the amendment, it is not set out.

Section 3, c. 634, Session Laws 1967, provides that the act shall apply to terms of office commencing Sept. 15, 1967, and thereafter.

### SUBCHAPTER VII. FRATERNAL ORDERS AND SOCIETIES.

#### ARTICLE 28.

##### *Fraternal Orders.*

**§ 58-291. Certain societies not included.**—Nothing contained in this article shall be construed to affect or apply to societies which limit their membership to any one hazardous occupation, nor to an association of local lodges of a society now doing business in this State which provides death benefits not exceeding five hundred dollars to any one person, provided, that the Commissioner of Insurance, upon investigation, may, in his discretion, authorize the payment of death benefits not exceeding fifteen hundred dollars (\$1500.00) to any one person, or disability benefits not exceeding three hundred dollars in any one year to any one person, or both, nor to any contracts of reinsurance business on such

plan in this State, nor to domestic societies which limit their membership to the employees of a particular city or town, designated firm, business house, or corporation, nor to domestic lodges, orders, or associations of a purely religious, charitable, and benevolent description, which do not provide for a death benefit of more than one hundred dollars, or for disability benefits of more than one hundred and fifty dollars to any one person in any one year. The Commissioner of Insurance may require from any society such information as will enable him to determine whether such society is exempt from the provisions of this article. (1913, c. 89, s. 26; C. S., s. 6518; 1925, c. 70, s. 2; 1967, c. 977.)

**Editor's Note.**—The 1967 amendment inserted the proviso that follows “five hundred dollars to any one person” near the beginning of the section.

## § 59-70. Rules for distribution.

**Determination of Liabilities Is Contemplated in Receivership Proceedings.**—When a partner seeks a dissolution of a partnership and, with the consent of the other partners, a receiver is appointed to take possession of partnership assets for distribution to the parties entitled thereto, the law contemplates a judicial determination of the liabilities of the partnership. *Brewer v. **No Distribution to Partners Until Such Determination Made.**—Until the liabilities

of the partnership have been determined, there can be no distribution to the partners. *Brewer v. Elks*, 260 N.C. 470, 133 S.E.2d 159 (1963).

*General Provisions.*

## § 62-1. Short title.

Applied in *S & R Auto & Truck Serv., Inc. v. City of Charlotte*, 268 N.C. 374, 150 S.E.2d 743 (1966).

Cited in *North Carolina Util. Comm'n v. United States*, 253 F. Supp. 930 (E.D.N.C. 1966).

### § 62-2. Declaration of policy.

**Cross Reference.**—See note to § 62-118.

There is no public policy condemning competition as such in the field of public utilities; the public policy only condemns unfair or destructive competition. State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

Transportation of passengers by motor carriers for compensation is a business affected with a public interest. State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

### § 62-3. Definitions.

(8) "Contract carrier by motor vehicle" means any person which, under an individual contract or agreement with another person and with such additional persons as may be approved by the Utilities Commission, engages in the transportation other than the transportation referred to in subdivision (7) of this section, by motor vehicle of persons or property in intrastate commerce for compensation, except as exempted in G.S. 62-260.

(9) "Contract carrier" means any person which under an individual contract or agreement with another person and with such additional persons as may be approved by the Utilities Commission, engages in the transportation of persons or property for compensation, except as exempted in G.S. 62-260.

(1967, c. 1094, ss. 1, 2.)

**Editor's Note.** — The 1967 amendment, effective Sept. 30, 1967, substituted "under an individual contract or agreement with another person and with such additional persons as may be approved by the Utilities Commission" for "under individual contracts or agreements" in subdivisions (8) and (9).

As the rest of the section was not affected by the amendment, it is not set out.

**Definitions Are Not Controlling Where Terms Are Used Elsewhere.**—The definitions of "public utility" and "franchise" as contained in this section are not controlling in determining whether an agreement of a municipality constitutes a franchise or a license, since the definitions of the statute do not purport to be authoritative definitions of those terms as used elsewhere. Shaw v. City of Asheville, 269 N.C. 90, 152 S.E.2d 139 (1967).

**"Franchise" Generally Is Not Limited as in This Section.**—The term "franchise," as used by the courts and by text writers, is not limited to a special right granted to a public utility, as it is defined in this section. Shaw v. City of Asheville, 269 N.C. 90, 152 S.E.2d 139 (1967).

**Interconnection with Competitor Cannot Be Required.**—There is no provision in this chapter which requires, or authorizes the Commission to require, a utility, with large investments in its own plant and facilities, to permit interconnection with such plant and facilities by a competitor in order to increase the competitor's opportunity to take away its customers or prospective customers. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**And "Public Utility" under § 160-2 Need Not Meet Definition of This Section.**—The status of the grantee is a material factor in determining the validity of a grant of a franchise under the authority of § 160-2, for that statute authorizes municipal corporations to grant franchises only to "public utilities," though it does not necessarily follow that such grantee must be the operator of a business within the definition of "public utility" contained in this section. Kornegay v. City of Raleigh, 269 N.C. 155, 152 S.E.2d 186 (1967).

**Definition of "Public Utility" Cannot Be Expanded.** — Neither the Commission nor the Supreme Court has authority to add to the types of business defined by the legislature as public utilities. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**If Applicant Is Not "Public Utility," Issuance of Certificate Is Nullity.**—If an applicant's proposed service is not within the definition of "public utility" contained in subdivision (23) of this section, the issuance of a certificate of public convenience and necessity by the Commission to the applicant would be a nullity. It would not supply a basis for a further order conferring upon the applicant a right which may

be granted only to a public utility. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Service Up to Capacity Is Service to "Public".**—One offers service to the "public" within the meaning of subparagraph 6 of paragraph a of subdivision (23) when he holds himself out as willing to serve all who apply up to the capacity of his facilities. It is immaterial, in this connection, that his service is limited to a specified area and his facilities are limited in capacity. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

A mobile radio service falls clearly within the definition of "public utility" in subparagraph 6 of paragraph a of subdivision

(23). State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

Municipal corporations are specifically excluded from the definition of a "public utility" in subdivision (23) of this section; consequently, a municipal corporation distributing and selling electric energy to its inhabitants, and to others in its vicinity, is not subject to regulation by the North Carolina Utilities Commission, and the provisions of this chapter do not apply to it, except as otherwise expressly stated therein. Dale v. City of Morganton, 270 N.C. 567, 155 S.E.2d 136 (1967).

## ARTICLE 2.

### *Organization of Utilities Commission.*

**§ 62-10. Number, appointment and terms of commissioners; chairman; vacancies; compensation; practice of law prohibited.** — The North Carolina Utilities Commission shall consist of five commissioners who shall be appointed by the Governor. The terms of the commissioners now serving shall expire at the conclusion of the term for which they were appointed. The appointments to fill the term expiring on July 1, 1963, and the two terms expiring July 1, 1965, shall be for eight (8) years, and the appointments to fill the two terms expiring July 1, 1967, shall be for two (2) years, and thereafter for eight (8) years, with two regular eight-year terms expiring on July 1 of each fourth year after July 1, 1965, and the fifth term expiring on July 1 of each eighth year after July 1, 1963. The term of office of utilities commissioners thereafter shall be eight (8) years, commencing on July 1 of the year in which the predecessor term expired, and ending on July 1 of the eighth year thereafter. A commissioner in office shall continue to serve until his successor is duly appointed and qualifies but such hold over shall not affect the expiration date of such succeeding term. On July 1, 1963, one of the commissioners shall be designated by the Governor to serve as chairman of the Commission until July 1, 1965, and on July 1, 1965, and every four (4) years thereafter, one of the commissioners shall be designated by the Governor to serve as chairman of the Commission for the succeeding four (4) years and until his successor is appointed and qualifies. In case of death, incapacity, resignation or vacancy for any other reason in the office of any commissioner or the chairman prior to the expiration of his term of office or the time for which he was designated as chairman, his successor shall be appointed by the Governor to fill the unexpired term. The salary of each commissioner shall be the same as that fixed from time to time for the judges of the superior court except that the commissioner designated as chairman shall receive one thousand dollars (\$1,000.00) additional per annum. The prohibition of the practice of law by judges provided in G.S. 7-59 shall also apply to members of the Commission. (1941, c. 97, s. 2; 1949, c. 1009, s. 1; 1959, c. 1319; 1963, c. 1165, s. 1; 1967, c. 1238.)

#### **Editor's Note.—**

The 1967 amendment, effective July 1, 1967, substituted "judges of the superior

court" for "highest paid member of the Council of State" in the eighth sentence.

§ 62-20. Assistant attorney general and staff attorneys assigned to Utilities Commission; to represent public; employment of additional attorneys, expert witnesses, office and clerical help.

§ 62-44. Commission may require continuous telephone lines.

**Statutes Requiring Interconnection with Competitor Should Not Be Extended beyond Plain Meaning.**—The power to require the proprietor of a business to interconnect its facilities with those of a competitor is a drastic power. Statutes conferring it should not be extended beyond their plain meaning. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Interconnection with Competitor to Increase Its Share of Business Cannot Be Compelled.**—There is no provision in this chapter which requires, or authorizes the

Commission to require, a utility, with large investments in its own plant and facilities, to permit interconnection with such plant and facilities by a competitor in order to increase the competitor's opportunity to take away its customers or prospective customers. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Section Authorizes Requirement of Interconnection Only When One Company Cannot Serve Localities.**—This section authorizes the Commission to require a connection of the lines of two telephone com-

panies, but only when they serve localities which cannot be communicated with by the lines of one of them alone. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**It Does Not Authorize Compelling Telephone Company to Interconnect with Radio Company Serving Same Area.**—This section may not reasonably be extended by construction to authorize the Commission to compel a telephone company to interconnect its system with the system of a radio company serving the identical area which the telephone company, itself, serves or desires to serve. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Mobile Radio Service Company Is Not**

**"Telephone or Telegraph Utility".**—Even if the record is sufficient to support an order granting an applicant a certificate of public convenience and necessity to act as a common carrier of communications providing mobile radio service, the Commission has no statutory authority to require a telephone utility to interconnect the applicant's radio communications system with the utility's land telephone system. If permitted to render such service, the applicant would not be a "telephone or telegraph utility," though it would be a public utility conveying or transmitting messages by "other means of transmission," namely, radio. **§ 62-49. Publication of utilities laws.**—The Commission is authorized and directed to secure publication of all North Carolina laws affecting public utilities, together with the Commission rules and regulations, in an annotated edition, and the Commission may adopt rules for distribution of said publication, and shall publish biennial supplements to said utilities laws containing all amendments and additions thereto, and may republish said laws at such times as may be reasonable and necessary. (1963, c. 1165, s. 1; 1967, c. 1133.)

**Editor's Note.**—

The 1967 amendment rewrote this section.

**§ 62-50. Safety standards for interstate and intrastate natural gas pipelines.**—The safety standards of this chapter shall apply to the North Carolina portion of interstate natural gas pipelines extending to, from, within or through this State in interstate commerce to the same extent as said safety provisions apply to intrastate natural gas pipelines of natural gas utility companies and pipeline carriers operating under a franchise from the Utilities Commission. The Commission may require that interstate natural gas companies and interstate natural gas pipeline carriers operating interstate natural gas pipelines in this State and all intrastate natural gas utilities shall file with the Commission reports of all accidents occurring in connection with the operation of all natural gas pipelines located in North Carolina and to file with the Commission copies of its construction, operation and maintenance standards and procedures, and any amendments thereto, and such other information as may be necessary to show compliance with the safety standards promulgated by the Commission hereunder. Where the Commission has reason to believe that any interstate natural gas company or any intrastate natural gas utility is not in compliance with the Commission's safety standards, the Commission may, after notice and hearing, order said interstate natural gas company or intrastate natural gas utility, to take such measures as may be necessary to comply with such standards. The Commission is authorized to require said interstate natural gas pipeline companies or carriers and intrastate natural gas utilities to furnish engineering reports showing that said pipelines are in safe operating condition and are being operated in conformity with the Commission's safety standards. *Procedure Before the Commission.***§ 62-60. Commission acting in judicial capacity; administering oaths and hearing evidence; decisions; quorum.**

Ordinarily, the procedure, etc.—

In accord with 1st paragraph in original. See State ex rel. North Carolina Util. Comm'n v. Western Carolina Tel. Co., 260 N.C. 369, 132 S.E.2d 873 (1963).

The Commission is required by § 62-65 (a) in deciding on an application for a certificate of public convenience and necessity to apply the rules of evidence applicable in civil actions in the superior court "insofar as practicable." This section provides that the Commission shall render its decision "in the same manner as a court of record." The procedure before the Commission is, however, not as formal as that in litigation conducted in the superior court. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

Substance and not form, etc.—

In accord with original. See State ex rel. North Carolina Util. Comm'n v. Western Carolina Tel. Co., 260 N.C. 369, 132 S.E.2d 873 (1963).

**Order in Opinion Concurred In by Majority Is Order of Commission.**—Where a majority of the commissioners concurred in the order set forth in the opinion by one of them, it was the order of the Commission. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**And Findings of Fact Not Disagreed With in Other Opinions Are Those of Commission.**—Where neither of the two concurring opinions nor the two dissenting opinions indicate any disagreement with any of the findings of fact stated in the opinion of another commissioner and the opinion of no other commissioner suggests any other findings of fact, the findings of fact so stated in the opinion of the commis-

sioner are, therefore, concurred in by a majority, if not all of the members of the Commission, and are, therefore, the findings of the Commission. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Different Reasons Given by Concurring Commissioners Are Not Grounds for Reversal.**—When this section and § 62-79 (a) are construed together, as they must be, it is apparent that the General Assembly did not intend that an order of the Commission concurred in by the majority of its members, based upon findings of fact concurred in by a majority of its members, may be reversed solely because the members of the concurring majority chose different rules, or supposed rules, of law as support for their decision and order. The diversity of the reasons given by the three commissioners who join in an ultimate decision and order are not a sufficient ground for its reversal. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Finding May Be Based on "Late" Exhibits.**—The statutes prescribing the procedure for hearings before the Commission do not forbid it to make a finding, as to the capacity and ability of an applicant for a certificate of public convenience and necessity to serve, upon the basis of facts arising between the conclusion of the hearing and the entry of the order when those facts are shown by "late" exhibits, otherwise competent, and when the adverse party has had adequate notice that such exhibits have been filed with the Commission for inclusion in the record. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**§ 62-65. Rules of evidence; judicial notice.**

**Informality of Procedure.**—The Commission is required by subsection (a) in deciding on an application for a certificate of public convenience and necessity to apply the rules of evidence applicable in civil actions in the superior court "insofar as practicable." Section 62-60 provides that the Commission shall render its decision "in the same manner as a court of record." The procedure before the Commission is, however, not as formal as that in litigation conducted in the superior court. State ex

rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Findings May Be Based on "Late" Exhibits.**—The statutes prescribing the procedure for hearings before the Commission do not forbid it to make a finding, as to the capacity and ability of an applicant for a certificate of public convenience and necessity to serve, upon the basis of facts arising between the conclusion of the hearing and the entry of the order when those

facts are shown by "late" exhibits, otherwise competent, and when the adverse party has had adequate notice that such exhibits have been filed with the Commission for inclusion in the record. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

### § 62-75. Burden of proof.

**Plaintiff Must Prove Facts Essential to Relief.**—This section imposes upon plaintiff the burden of proving the facts essential to its right to relief from the relationship of which it complains. State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

The burden is upon carriers asking for an increase in rates to prove justification for the increase and that the proposed rate is just and reasonable. State ex rel. North Carolina Util. Comm'n v. Southern Ry., 267 N.C. 317, 148 S.E.2d 210 (1966).

**And Not upon Shippers or Customers.**—At a hearing on a proposed increase in charges for railroad services the shippers and customers of the railroads have no

burden of proving anything; the previous rates are presumed to be fair and reasonable and so are the orders of the Commission. State ex rel. North Carolina Util. Comm'n v. Southern Ry., 267 N.C. 317, 148 S.E.2d 210 (1966).

And the burden of proof is upon an applicant for a certificate of public convenience and necessity to show there is a public convenience and necessity for its proposed service. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

Stated in State ex rel. Utilities Comm'n v. Atlantic Coast Line R.R., 268 N.C. 242, 150 S.E.2d 386 (1966).

### § 62-79. Final orders and decisions; findings; service; compliance.

**Different Reasons Given by Concurring Commissioners Are Not Grounds for Reversal.**—When § 62-60 and subsection (a) of this section are construed together, as they must be, it is apparent that the General Assembly did not intend that an order of the Commission concurred in by the majority of its members, based upon findings of fact concurred in by a majority of its members, may be reversed solely because

the members of the concurring majority chose different rules, or supposed rules, of law as support for their decision and order. The diversity of the reasons given by the three commissioners who join in an ultimate decision and order are not a sufficient ground for its reversal. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**§ 62-82. Special procedure on application for certificate for generating facility; appeal from award order.**—(a) Notice of Application for Certificate for Generating Facility; Hearing; Briefs and Oral Arguments. — Whenever there is filed with the Commission an application for a certificate of public convenience and necessity for the construction of a facility for the generation of electricity under G.S. 62-110.1, the Commission shall require the applicant to publish a notice thereof once a week for four successive weeks in a daily newspaper of general circulation in the county where such facility is proposed to be constructed, and thereafter the Commission, upon complaint shall, or upon its own initiative may, upon reasonable notice, enter upon a hearing to determine whether such certificate shall be awarded. Any such hearing must be commenced by the Commission not later than three (3) months after the filing of such application, and the procedure for rendering decisions therein shall be given priority over all other cases on the Commission's calendar of hearings and decisions, except rate proceedings referred to in G.S. 62-81. Such applications shall be heard by the full Commission, and the Commission shall furnish a transcript of evidence and testimony submitted by the

end of the second business day after the taking of each day of testimony. The Commission shall require that briefs and oral arguments in such cases be submitted within thirty (30) days after the conclusion of the hearing, and the Commission shall render its decision in such cases within sixty (60) days after submission of such briefs and arguments. If the Commission does not, upon its own initiative, order a hearing and does not receive a complaint within ten (10) days after the last day of publication of the notice, the Commission shall enter an order awarding the certificate.

(b) Compensation for Damages Sustained by Appeal from Award of Certificate under § 62-110.1; Bond Prerequisite to Appeal.—Any party or parties opposing, and appealing from, an order of the Commission which awards a certificate under G.S. 62-110.1 shall be obligated to recompense the party to whom the certificate is awarded, if such award is affirmed upon appeal, for the damages, if any, which such party sustains by reason of the delay in beginning the construction of the facility which is occasioned by the appeal, such damages to be measured by the increase in the cost of such generating facility (excluding legal fees, court costs, and other expenses incurred in connection with the appeal). No appeal from any order of the Commission which awards any such certificate may be taken by any party opposing such award unless, within the time limit for filing notice of appeal as provided for in G.S. 62-90, such party shall have filed with the Commission a bond with sureties approved by the Commission, or an undertaking approved by the Commission, in such amount as the Commission determines will be reasonably sufficient to discharge the obligation hereinabove imposed upon such appealing party. The Commission may, when there are two or more such appealing parties, permit them to file a joint bond or undertaking. If the award order of the Commission is affirmed on appeal, the Commission shall determine the amount, if any, of damages sustained by the party to whom the certificate was awarded, and shall issue appropriate orders to assure that such damages be paid and, if necessary, that the bond or undertaking be enforced. (1965, c. 287, s. 3.)

#### ARTICLE 5.

##### *Review and Enforcement of Orders.*

§ 62-90. Right of appeal; filing of exceptions. — (a) No party to a proceeding before the Commission may appeal from any final order or decision of the Commission unless within thirty (30) days after the entry of such final order or decision, or within such time thereafter as may be fixed by the Commission, by order made within thirty (30) days, the party aggrieved by such decision or order shall file with the Commission notice of appeal and exceptions which shall set forth specifically the ground or grounds on which the aggrieved party considers said decision or order to be unlawful, unjust, unreasonable or unwarranted, and including errors alleged to have been committed by the Commission.

(b) Any party may appeal from all or any portion of any final order or decision of the Commission in the manner herein provided. Copy of the notice of appeal shall be mailed by the appealing party at the time of filing with the Commission, to each party to the proceeding to the addresses as they appear in the files of the Commission in the proceeding. The failure of any party, other than the Commission, to be served with or to receive a copy of the notice of appeal shall not affect the validity or regularity of the appeal.

(c) The Commission may on motion of any party to the proceeding or on its own motion set the exceptions to the final order upon which such appeal is based for further hearing before the Commission.

(d) The appeal shall lie to the Court of Appeals as provided in G.S. 7A-29. The appellant shall cause to be prepared a statement of the case as required by the

rules of the Court of Appeals. A copy of this statement shall be served on the Commission and all other parties, as appellees, within 45 days from the entry of the appeal taken; within 20 days after such service, the appellee shall return the copy with its approval or specified amendments endorsed or attached; if the case be approved by the appellee it shall be filed by the appellant with the Clerk of the Court of Appeals as part of the record; if not returned with objections within the time prescribed, it shall be deemed approved. The Commission shall have the power, in the exercise of its discretion, to enlarge the time in which to serve statement of case on appeal and exceptions thereto or counterstatement of case.

(e) If the case on appeal is returned by appellee with objections as prescribed, or if a counter case is served on appellant, the appellant shall immediately request the Utilities Commission to fix a time and place for meeting to agree on the case on appeal. If the appellant delays longer than 15 days after the appellee serves its counter case or exceptions to request the Commission to set a meeting to agree on the case on appeal, then the exceptions filed by the appellee shall be allowed, or the counter case served by him shall constitute the case on appeal; but the time may be extended by agreement of counsel.

(f) The Commission shall forthwith notify the attorneys of the parties to meet before it for the purpose at a certain time and place, which time shall not be more than 20 days from the receipt of the request. At the time and place stated, the Commission shall determine if all parties have agreed on a case on appeal. If they have, the appellant shall within five days thereafter file it with the Clerk of the Court of Appeals, and if he fails to do so the appellee may file its copy. If the case on appeal is not agreed upon by all parties to the appeal at said meeting, the Commission shall immediately file with the Court of Appeals a request for appointment of a referee to settle the case on appeal, whereupon the chief judge of the Court of Appeals shall appoint a referee to settle and sign the case on appeal under such rules as may be set forth in his appointment.

(g) The Court of Appeals shall hear and determine all matters arising on such appeal, as in this article provided, and may in the exercise of its discretion assign the hearing of said appeal to any panel of the Court of Appeals. (1949, c. 989, s. 1; 1955, c. 1207, s. 1; 1959, c. 639, s. 1; 1963, c. 1165, s. 1; 1967, c. 1190, s. 1.)

#### I. GENERAL CONSIDERATION.

**Editor's Note.** — The 1967 amendment, effective Oct. 1, 1967, deleted former subsections (b) and (d), redesignated former

subsection (c) as present subsection (b), and added present subsections (c), (d), (e), (f), and (g).

**§ 62-91. Appeal docketed; title on appeal; priorities on appeal.**— Unless otherwise provided by the rules of the Court of Appeals, the cause on appeal from the Utilities Commission shall be entitled "State of North Carolina ex rel. Utilities Commission (here add any additional parties in support of the Commission Order and their capacity before the Commission), Appellee(s) v. (here insert name of appellant and his capacity before the Commission), Appellant." Appeals from the Utilities Commission pending in the superior courts on September 30, 1967, shall remain on the civil issue docket of such superior court and shall have priority over other civil actions. Appeals to the Court of Appeals under G.S. 7A-29 shall be docketed in accordance with the rules of the Court of Appeals. (1949, c. 989, s. 1; 1963, c. 1165, s. 1; 1967, c. 1190, s. 6.)

**Editor's Note.** — The 1967 amendment, effective Oct. 1, 1967, rewrote this section.

**§ 62-92. Parties on appeal.**— In any appeal to the Court of Appeals, the complainant in the original complaint before the Commission shall be a party to the record and each of the parties to the proceeding before the Commission shall

have a right to appear and participate in said appeal. (1949, c. 989, s. 1; 1963, c. 1165, s. 1; 1967, c. 1190, s. 2.)

**Editor's Note.** — The 1967 amendment, effective Oct. 1, 1967, substituted "Court of Appeals" for "superior court."

## § 62-94. Record on appeal; extent of review.

### I. GENERAL CONSIDERATION.

**Subsection (b) States Authority of Court.** — The authority of the court to which an appeal is taken from an order of the Utilities Commission is stated in subsection (b) of this section. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

Courts do not ordinarily review or reverse the exercise of discretionary power by an administrative agency such as the Utilities Commission, except on showing of capricious, unreasonable or arbitrary action or disregard of law. State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

**Commission without Discretionary Power Where No Evidence to Weigh.** — The weighing of the evidence and the exercise of judgment thereon within the scope of its authority are matters for the Commission; even so, the Commission has no discretionary power, where its function is to weigh the evidence and make judgment thereon, if there is no evidence to weigh. State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

### Determination by Commission Is, etc.—

In accord with 2nd paragraph in original. See State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

Upon appeal, rates fixed by the Commission shall be deemed prima facie just and reasonable. State ex rel. North Carolina Util. Comm'n v. Westco Tel. Co., 266 N.C. 450, 146 S.E.2d 487 (1966).

### Commission's Findings Are Conclusive, etc.—

Findings supported by competent, material, and substantial evidence in view of the entire record are binding upon the reviewing court. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

It is well established that the Commission's findings of fact are conclusive and binding when supported by competent,

material, and substantial evidence in view of the entire record as submitted. State ex rel. Utilities Comm'n v. Carolina Coach Co., 269 N.C. 717, 153 S.E.2d 461 (1967).

**When Order Remanded to Commission for Further Hearing.** — An order of the Commission based on erroneous interpretation of law should be remanded to the Commission for further hearing and not be terminated by the court, where the Commission has the duty to make a positive determination, such as the fixing of rates, and because of some error of law the determination is in suspense and the utility is entitled to have the determination made. State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

**Questions on appeal from the Commission must be determined upon the record certified by it.** State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

**Unless Facts Are in Record, Commission's Expert Knowledge Cannot Be Considered.** — The Commission's knowledge, however expert, cannot be considered by the Supreme Court on appeal, unless the facts embraced within that knowledge are in the record. State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

In the consideration of an appeal the court is required to review the whole record, or such portions thereof as may be cited. State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

And due account shall be taken of the rule of prejudicial error in the consideration of an appeal. State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

Applied in State ex rel. North Carolina Utils. Comm'n v. Southern Ry., 267 N.C. 317, 148 S.E.2d 210 (1966).

Stated in State ex rel. Utilities Comm'n v. Atlantic Coast Line R.R., 268 N.C. 242, 150 S.E.2d 386 (1966).

**§ 62-95. Relief pending review on appeal.** — Pending judicial review, the Commission is authorized, where it finds that justice so requires, to postpone the effective date of any action taken by it. Upon such conditions as may be required and to the extent necessary to prevent irreparable injury, a judge of the

Court of Appeals is authorized to issue all necessary and appropriate process to postpone the effective date of any action by the Commission or take such action as may be necessary to preserve status or rights of any of the parties pending conclusion of the proceedings on appeal. The court may require the applicant for such stay to post adequate bond as required by the court. (1949, c. 989, s. 1; 1963, c. 1165, s. 1; 1967, c. 1190, s. 8.)

**Editor's Note.** — The 1967 amendment, effective Oct. 1, 1967, substituted "a judge of the Court of Appeals" for "the judge of the superior court" in the second sentence.

**§ 62-96. Appeal to Supreme Court.**—In all appeals heard in the Court of Appeals, any party may file a motion for review in the Supreme Court of the decision of the Court of Appeals under G.S. 7A-31, and in cases entitled to be appealed as a matter of right under G.S. 7A-30 (3) any party may appeal to the Supreme Court from the decision of the Court of Appeals under the same rules and regulations as are prescribed by law for appeals, except that the Commission, if it shall appeal, shall not be required to give any undertaking or make any deposit to assure the cost of such appeal, and such court may advance the cause on its docket. (1949, c. 989, s. 1; 1963, c. 1165, s. 1; 1967, c. 1190, s. 3.)

**Editor's Note.** — The 1967 amendment, effective Oct. 1, 1967, rewrote that portion of this section preceding the words "under the same rules and regulations."

**When Supreme Court May Affirm Judgment Reversing Commission.**—Upon an appeal to the Supreme Court from a judgment of the superior court (now the Court of Appeals), reversing a decision of the Commission and remanding the matter for further proceedings, the Supreme Court may affirm the judgment of the superior court, if the record discloses one or more of the statutory grounds for such judgment and if such ground therefor is set forth specifically in the notice of appeal from the Commission to the superior court. State

ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

In order to affirm a judgment of the superior court (now the Court of Appeals) reversing and remanding a decision of the Commission, it is not required that the Supreme Court concur in the ruling by the superior court upon every ground for relief set forth in the notice of appeal from the Commission to the superior court. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

Applied in State ex rel. North Carolina Util. Comm'n v. Old Fort Finishing Plant, 264 N.C. 416, 142 S.E.2d 8 (1965).

### § 62-98. Peremptory mandamus to enforce order, when no appeal.

(b) An appeal shall lie to the Court of Appeals in behalf of the Commission, or the defendant, from the refusal or the granting of such peremptory mandamus. The remedy prescribed in this section for enforcement of orders of the Commission is in addition to other remedies prescribed by law. (1949, c. 989, s. 1; 1963, c. 1165, s. 1; 1967, c. 1190, s. 4.)

**Editor's Note.** — The 1967 amendment, effective Oct. 1, 1967, substituted "An appeal shall lie to the Court of Appeals" for "An appeal shall lie to the Supreme Court"

at the beginning of the first sentence in subsection (b).

As subsection (a) was not affected by the amendment, it is not set out.

**§ 62-99:** Repealed by Session Laws 1967, c. 1190, s. 5, effective October 1, 1967.

## ARTICLE 6.

### *The Utility Franchise.*

### § 62-110. Certificate of convenience and necessity.

The basis for the requirement of a certificate of public convenience and necessity, as a prerequisite to the right to serve, is the adoption, by the General Assembly, of the policy that, nothing else appearing, the

public is better served by a regulated monopoly than by competing suppliers of the service. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Certificate Is Not Required If Business Is Not Public Utility.**—One does not need a certificate of public convenience and necessity in order to engage in a business which is not that of a "public utility" as defined in § 62-3 (23). State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Nor before City Issues Franchise to Television Cable Company.**—Even if a television cable company be a "public utility" as defined in § 62-3, it is not required that it obtain from the Utilities Commission a certificate of public convenience and necessity before a franchise be issued by a city to it. Shaw v. City of Asheville, 269 N.C. 90, 152 S.E.2d 139 (1967).

**But It Is Required before Utility Commences Construction or Operation.** — A certificate of public convenience and necessity from the Utilities Commission is required by this section before a public utility may commence construction of its plant or operation of its business. Shaw v. City of Asheville, 269 N.C. 90, 152 S.E.2d 139 (1967).

**Issuance of Certificate Is Nullity If Applicant Is Not Public Utility.**—If an applicant's proposed service is not within the definition of "public utility" contained in subdivision (23) of § 62-3, the issuance of a certificate of public convenience and necessity by the Commission to the applicant would be a nullity. It would not supply a basis for a further order conferring upon the applicant a right which may be granted only to a public utility. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**And in Excess of Commission Authority.** —To grant a certificate of public convenience and necessity to conduct a business which is not a public utility, within the definition of the statute, would be both arbitrary and in excess of the statutory authority of the Commission. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**And Issuance Does Not Transform Ordinary Business into Public Utility.**—The issuance of a certificate of public convenience and necessity by the Commission does not transform an ordinary business into a public utility, so as to entitle its operator to the rights of a public utility, or so as to impose upon him the duties and limitations of a public utility. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Definition of Public Utility Cannot Be Extended.** — Neither the Commission nor the Supreme Court has authority to add to

the types of business defined by the legislature as public utilities. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Finding of Both Convenience and Public Need Is Required.**—A finding by the Commission that the rendering of the proposed service by an applicant would be a convenience to the public, even if supported by competent and substantial evidence, is not adequate basis for an order granting the applicant a certificate of public convenience and necessity. To entitle the applicant to such a certificate it is, of course, not necessary for him to show, and the Commission to find, that the proposed service is necessary in the sense of being indispensable. Nevertheless, a mere showing of convenience is not sufficient. There must be an element of public need for the proposed service by the applicant in the area. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

The Commission is authorized to issue a certificate of public convenience and necessity if, but only if, the Commission has made findings of fact, supported by competent, material, and substantial evidence, which findings, in turn, support the conclusion that public convenience and necessity "require or will require" the proposed operation by the applicant. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Certificate Will Not Be Granted to Competitor without Finding Service Will Not Be Rendered.**—The requirement of a certificate of public convenience and necessity is not an absolute prohibition of competition between public utilities rendering the same service. There is, however, inherent in this requirement the concept that, once a certificate is granted which authorizes the holder to render the proposed service within the geographic area in question, a certificate will not be granted to a competitor in the absence of a showing that the utility already in the field is not rendering and cannot or will not render the specific service in question. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

**Services Need Not Be Identical to Give Utility Serving Area Prior Right.** — Two services need not be identical in every respect in order to give the utility already serving the area the prior right. State ex rel. Utilities Comm'n v. Carolina Tel. & Tel. Co., 267 N.C. 257, 148 S.E.2d 100 (1966).

§ 62-110.1. **Certificate for construction of generating facility.**—(a) Notwithstanding the proviso in G.S. 62-110, no public utility or other person shall begin the construction of any steam, water, or other facility for the generation of electricity to be directly or indirectly used for the furnishing of public utility service, even though the facility be for furnishing the service already being rendered, without first obtaining from the Commission a certificate that public convenience and necessity requires, or will require, such construction.

(b) For the purpose of this section, “public utility” shall include any electric membership corporation operating within this State, and the term “public utility service” shall include the service rendered by any such electric membership corporation. (1965, c. 287, s. 2.)

§ 62-110.2. **Electric service areas outside of municipalities.**—(a) As used in this section, unless the context otherwise requires, the term:

- (1) “Premises” means the building, structure, or facility to which electricity is being or is to be furnished; provided, that two or more buildings, structures, or facilities which are located on one tract or contiguous tracts of land and are utilized by one electric consumer for commercial, industrial, institutional, or governmental purposes, shall together constitute one “premises,” except that any such building, structure, or facility shall not, together with any other building, structure, or facility, constitute one “premises” if the electric service to it is separately metered and the charges for such service are calculated independently of charges for service to any other building, structure, or facility; and
- (2) “Line” means any conductor for the distribution or transmission of electricity, other than

- a. In the case of overhead construction, a conductor from the pole nearest the premises of a consumer to such premises, or a conductor from a line tap to such premises, and

- b. In the case of underground construction, a conductor from the transformer (or junction point, if there be one) nearest the premises of a consumer to such premises.

- (3) “Electric supplier” means any public utility furnishing electric service or any electric membership corporation.

(b) In areas outside of municipalities, electric suppliers shall have rights and be subject to restrictions as follows:

- (1) Every electric supplier shall have the right to serve all premises being served by it, or to which any of its facilities for service are attached, on April 20, 1965.
- (2) Every electric supplier shall have the right, subject to subdivision (4) of this subsection, to serve all premises initially requiring electric service after April 20, 1965 which are located wholly within 300 feet of such electric supplier's lines as such lines exist on April 20, 1965, except premises which, on said date, are being served by another electric supplier or to which any of another electric supplier's facilities for service are attached.
- (3) Every electric supplier shall have the right, subject to subdivision (4) of this subsection, to serve all premises initially requiring electric service after April 20, 1965 which are located wholly within 300 feet of lines that such electric supplier constructs after April 20, 1965 to serve consumers that it has the right to serve, except premises located wholly within a service area assigned to another electric supplier pursuant to subsection (c) hereof.
- (4) Any premises initially requiring electric service after April 20, 1965, which are located wholly or partially within 300 feet of the lines of one electric supplier and also wholly or partially within 300 feet of the

lines of another electric supplier, as each of such supplier's lines exist on April 20, 1965, or as extended to serve consumers that the supplier has the right to serve, may be served by such one of said electric suppliers which the consumer chooses, and any electric supplier not so chosen by the consumer shall not thereafter furnish service to such premises.

- (5) Any premises initially requiring electric service after April 20, 1965 which are not located wholly within 300 feet of the lines of any electric supplier and are not located partially within 300 feet of the lines of two or more electric suppliers may be served by any electric supplier which the consumer chooses, unless such premises are located wholly or partially within an area assigned to an electric supplier pursuant to subsection (c) hereof, and any electric supplier not so chosen by the consumer shall not thereafter furnish service to such premises.
- (6) Any premises initially requiring electric service after April 20, 1965 which are located partially within a service area assigned to one electric supplier and partially within a service area assigned to another electric supplier pursuant to subsection (c) hereof, or are located partially within a service area assigned to one electric supplier pursuant to subsection (c) hereof and partially within 300 feet of the lines of another electric supplier, as such lines exist on April 20, 1965 or as extended to serve consumers it has the right to serve, may be served by such one of said electric suppliers which the consumer chooses, and the electric supplier not so chosen shall not thereafter furnish service to such premises.
- (7) Any premises initially requiring electric service after April 20, 1965 which are located only partially within a service area assigned to one electric supplier pursuant to subsection (c) hereof and are located wholly outside the service areas assigned to other electric suppliers and are located wholly more than 300 feet from other electric suppliers' lines, may be served by any electric supplier which the consumer chooses, and any electric supplier not so chosen by the consumer shall not thereafter furnish service to such premises.
- (8) Every electric supplier shall have the right to serve all premises located wholly within the service area assigned to it pursuant to subsection (c) hereof.
- (9) No electric supplier shall furnish temporary electric service for the construction of premises which it would not have the right to serve under this subsection if such premises were already constructed. The construction of lines for, and the furnishing of, temporary service for the construction of premises which any other electric supplier, if chosen by the consumer, would have the right to serve if such premises were already constructed, shall not impair the right of such other electric supplier to furnish service to such premises after the construction thereof, if then chosen by the consumer; nor, unless the consumer chooses to have such premises served by the supplier which furnished the temporary service, shall the furnishing of such temporary service or the construction of a line therefor impair the right of any other electric supplier to furnish service to any other premises which, without regard to the construction of such temporary service line, it has the right to serve.
- (10) No electric supplier shall furnish electric service to any premises in this State outside the limits of any incorporated city or town except as permitted by this section; provided, that nothing in this section shall restrict the right of an electric supplier to furnish electric service to

itself or to exchange or interchange electric energy with, purchase electric energy from or sell electric energy to any other electric supplier.

- (c) (1) In order to avoid unnecessary duplication of electric facilities, the Commission is authorized and directed to assign, as soon as practicable after January 1, 1966, to electric suppliers all areas, by adequately defined boundaries, that are outside the corporate limits of municipalities and that are more than 300 feet from the lines of all electric suppliers as such lines exist on the dates of the assignments; provided, that the Commission may leave unassigned any area in which the Commission, in its discretion, determines that the existing lines of two or more electric suppliers are in such close proximity that no substantial avoidance of duplication of facilities would be accomplished by assignment of such area. The Commission shall make assignments of areas in accordance with public convenience and necessity, considering, among other things, the location of existing lines and facilities of electric suppliers and the adequacy and dependability of the service of electric suppliers, but not considering rate differentials among electric suppliers.
- (2) The Commission, upon agreement of the affected electric suppliers, is authorized to reassign to one electric supplier any area or portion thereof theretofore assigned to another; and the Commission, notwithstanding the lack of such agreement, is authorized to reassign to one electric supplier any area or portion thereof theretofore assigned to another, except premises being served by the other electric supplier or to which any of its facilities for service are attached and except such portions of such area as are within 300 feet of the other electric supplier's lines, upon finding that such reassignment is required by public convenience and necessity. In determining whether public convenience and necessity requires such reassignment, the Commission shall consider, among other things, the adequacy and dependability of the service of the affected electric suppliers, but shall not consider rate differentials between such electric suppliers.
- (d) Notwithstanding the provisions of subsection (b) and (c) of this section:
- (1) Any electric supplier may furnish electric service to any consumer who desires service from such electric supplier at any premises being served by another electric supplier, or at premises which another electric supplier has the right to serve pursuant to other provisions of this section, upon agreement of the affected electric suppliers; and
- (2) The Commission shall have the authority and jurisdiction, after notice to all affected electric suppliers and after hearing, if a hearing is requested by any affected electric supplier or any other interested party, to order any electric supplier which may reasonably do so to furnish electric service to any consumer who desires service from such electric supplier at any premises being served by another electric supplier, or at premises which another electric supplier has the right to serve pursuant to other provisions of this section, and to order such other electric supplier to cease and desist from furnishing electric service to such premises, upon finding that service to such consumer by the electric supplier which is then furnishing service, or which has the right to furnish service, to such premises, is or will be inadequate or undependable, or that the rates, conditions of service or service regulations, applied to such consumer, are unreasonably discriminatory.
- (e) The furnishing of electric service in any area which becomes a part of any municipality after April 20, 1965, either by annexation or incorporation, (whether or not such area, or any portion thereof, shall have been assigned pursuant to subsection (c) of this section) shall be subject to the provisions of article 41 of

subchapter X of chapter 160 of the General Statutes, and any provisions of this section inconsistent with said article shall not be applicable within such area after the effective date of such annexation or incorporation. (1965, c. 287, s. 5.)

**§ 62-111. Transfers of franchises; mergers, consolidations and combinations of public utilities.**

(e) The Commission shall approve applications for transfer of motor carrier franchises made under this section upon finding that said sale, assignment, pledge, transfer, change of control, lease, merger, or combination is in the public interest, will not adversely affect the service to the public under said franchise, will not unlawfully affect the service to the public by other public utilities, that the person acquiring said franchise or control thereof is fit, willing and able to perform such service to the public under said franchise, and that service under said franchise has been continuously offered to the public up to the time of filing said application or in lieu thereof that any suspension of service exceeding 30 days has been approved by the Commission as provided in G.S. 62-112 (b) (5). (1947, c. 1008, s. 22; 1949, c. 1132, s. 20; 1953, c. 1140, s. 3; 1957, c. 1152, s. 10; 1961, c. 472, ss. 6, 7; 1963, c. 1165, s. 1; 1967, c. 1202.)

**Editor's Note.** — The 1967 amendment, effective Sept. 30, 1967, added subsection (e).

As the rest of the section was not affected by the amendment, it is not set out.

**Bond as Condition Precedent to Commission's Approval.**—This section requires as a condition precedent to Commission's approval of the sale of a motor carrier's franchise a bond from the seller conditioned for the payment of (1) taxes, (2) wages due employees of the seller, (3) unremitted C.O.D. collections due seller, (4) "for loss or damage of goods transported or received for transportation," (5) overcharge on property transported, and (6) for interline accounts to other carriers. *American Nat'l Fire Ins. Co. v. Gibbs*, 260 N.C. 681, 133 S.E.2d 669 (1963), decided prior to effective date of 1963 amendment.

**Contract to Pay Claims for Which Assured Liable under Section Is Surety Contract.**—That portion of a contract under which a company obligates itself to pay any shipper or consignee claims for which the assured would be liable by provision of this section, with stipulation that the assured should reimburse the company for any such payment, is a surety contract. *American Nat'l Fire Ins. Co. v. Gibbs*, 260 N.C. 681, 133 S.E.2d 669 (1963).

**§ 62-112. Effective date, suspension and revocation of franchises; dormant motor carrier franchises.**

(c) The failure of a common carrier or contract carrier of passengers or property by motor vehicles to perform any transportation for compensation under the authority of its certificate or permit for a period of 30 consecutive days shall be prima facie evidence that said franchise is dormant and the public convenience and necessity is no longer served by such common carrier certificate or that the needs of a contract shipper are no longer served by such a contract carrier. Upon finding after notice and hearing that no such service has been performed for

**Findings Obviating Application of Subsection (d).**—In a proceeding to obtain approval of the Utilities Commission for the transfer of all the capital stock of a franchise carrier from one holding corporation to another, findings of the Commission supported by substantial evidence to the effect that the franchise carrier did not in fact obtain its franchise for the purpose of transferring it to another obviates the application of subsection (d) of this section. *State ex rel. Utilities Comm'n v. Carolina Coach Co.*, 269 N.C. 717, 153 S.E.2d 461 (1967).

**Findings Supporting Conclusion That Transfer of Stock Is Justified.**—In a proceeding to obtain approval of the Utilities Commission for the transfer of all the capital stock of a franchise carrier from one holding corporation to another, findings supported by evidence that the franchise carrier was conducting active operations under the franchise and that its ability to render service to the public within the limits of its franchise rights would not be adversely affected by the proposed transfer of its stock, support conclusions that the proposed sale of its stock is justified by the public convenience and necessity within the meaning of this section. *State ex rel. Utilities Comm'n v. Carolina Coach Co.*, 269 N.C. 717, 153 S.E.2d 461 (1967).

a period of 30 days the Commission is authorized to find that the franchise is dormant and to cancel the certificate or permit of such common or contract carrier. The Commission in its discretion may give consideration in such finding to other factors affecting the performance of such service, including seasonal requirements of the passengers or commodities authorized to be transported, the efforts of the carrier to make its services known to the public or to its contract shipper, the equipment and other facilities maintained by the carrier for performance of such service, and the means by which such carrier holds itself out to perform such service. A proceeding may be brought under this section by the Commission on its own motion or upon the complaint of any shipper or any other carrier. The franchise of a motor carrier may be cancelled under the provisions of this section in any proceeding to sell or transfer or otherwise change control of said franchise brought under the provisions of G.S. 62-111, upon finding of dormancy as provided in this section. Any motor carrier who has obtained authority to suspend operations under the provisions of G.S. 62-112 (b) (5) and the rules of the Utilities Commission issued thereunder shall not be subject to cancellation of its franchise under this section during the time such suspension of operations is authorized. In determining whether such carrier has made reasonable efforts to perform service under said franchise the Commission may in its discretion give consideration to disabilities of the carrier including death of the owner and physical disabilities. (1947, c. 1008, s. 23; 1949, c. 1132, s. 21; 1963, c. 1165, s. 1; 1967, c. 1201.)

**Editor's Note.** — The 1967 amendment, effective Jan. 1, 1968, added subsection (c).

As the rest of the section was not affected by the amendment, it is not set out.

**Applied in** *Jones v. State Farm Mut. Auto. Ins. Co.*, 270 N.C. 454, 155 S.E.2d 118 (1967).

**§ 62-114. Contract carriers; issuance of permits; terms and conditions.**—When the Commission issues a permit to any contract carrier, it shall specify in the permit, or amendment thereto, the business of the contract carrier covered thereby and the scope thereof and shall attach to it, at the time of issuance, and from time to time thereafter, such reasonable terms, conditions, and limitations consistent with the character of the holder as a contract carrier, the requirements established by the Commission under § 62-261 provided, that the permit shall list the name of all contract parties the carrier is authorized to serve, and no additions or substitutions of contracts shall be made without approval of the Commission, and the Commission may adopt rules and regulations limiting the number of contract parties served by a contract carrier so that contract carriers shall not hold themselves out to serve in the manner of common carriers. (1947, c. 1008, s. 13; 1949, c. 1132, s. 12; 1963, c. 1165, s. 1; 1967, c. 1094, s. 3.)

**Editor's Note.** — The 1967 amendment, effective Sept. 30, 1967, rewrote the proviso at the end of this section.

#### **§ 62-118. Abandonment and reduction of service.**

**Waste of a utility's manpower or other resources, with no substantial resulting benefit to the public, is not in the public interest and is not required.** *State ex rel. Utilities Comm'n v. Atlantic Coast Line R.R.*, 268 N.C. 242, 150 S.E.2d 386 (1966).

**A railroad may not be denied the right to curtail or abandon a service for which there is no substantial public need, even though, upon its entire business, the company is earning a fair rate of return.** *State ex rel. Utilities Comm'n v. Atlantic Coast*

*Line R.R.*, 268 N.C. 242, 150 S.E.2d 386 (1966).

Though prosperous, a railroad or other utility company may not be denied the right to effect economies in its operation, so as to increase its earnings, unless it may reasonably be found, upon the evidence before the Commission, that the public convenience and necessity requires the continuation of the service in question. An occasional inconvenience to a shipper, which is trivial in comparison with the saving to the

railroad from the elimination of the service, will not suffice to show such public convenience and necessity. State ex rel. Utilities Comm'n v. Atlantic Coast Line R.R., 268 N.C. 242, 150 S.E.2d 386 (1966).

**But It May Be Required to Keep Open Station Required by Public Convenience and Necessity.**—A railroad may be required to keep a station open, with an agent in attendance, if the public convenience and necessity requires such service, even though this can be done only at a loss to the railroad, provided such loss is not so great as to be unreasonable in comparison with the public's benefit from the service. State ex rel. Utilities Comm'n v. Atlantic Coast Line R.R., 268 N.C. 242, 150 S.E.2d 386 (1966).

**And It May Not Substantially Reduce Hours Station Is Open without Commission's Order.**—A liberal construction of §§ 62-2, 62-32, 62-131, 62-247, and this section, so as to effectuate the policy of the State as therein declared, compels the conclusion that when a railroad corporation has established and maintained a freight depot or passenger station pursuant to the order of the Commission, or has established and maintained for a year or more such depot or station on its own initiative, it may not,

without first obtaining an order from the Commission authorizing it to do so, substantially reduce the number of hours per day during which such station shall be kept open for the service of the public and attended by an agent of the railroad. State ex rel. Utilities Comm'n v. Atlantic Coast Line R.R., 268 N.C. 242, 150 S.E.2d 386 (1966).

**But Commission May Not Withhold Approval of Reduction Unreasonably.**—When a railroad company applies for an order authorizing it to substantially reduce the number of hours per day during which a depot or station shall be kept open and attended by an agent, the Commission may not withhold its approval unreasonably and arbitrarily. It may deny such permission only after a hearing and only if it finds and concludes, upon competent, material and substantial evidence in view of the entire record, both that the public convenience and necessity requires the station or depot to be so kept open for a greater portion of the day, and that the railroad, by so doing, will not incur costs out of proportion to any benefit to the public. State ex rel. Utilities Comm'n v. Atlantic Coast Line R.R., 268 N.C. 242, 150 S.E.2d 386 (1966).

## ARTICLE 7.

### *Rates of Public Utilities.*

#### § 62-130. Commission to make rates for public utilities.

##### **General Rate-Fixing Power.**—

This section, in general terms, directs the Commission to establish just and reasonable rates for all utilities. Southern Bell Tel. & Tel. Co. v. Clayton, 266 N.C. 687, 147 S.E.2d 195 (1966).

##### **Duty to Fix Rates.**—

The General Assembly has delegated to

the Commission, and not to the courts, the duty and power to establish rates for public utilities. State ex rel. North Carolina Util. Comm'n v. Westco Tel. Co., 266 N.C. 450, 146 S.E.2d 487 (1966).

#### § 62-131. Rates must be just and reasonable; service efficient.

**Cross Reference.**—See note to § 62-118.

The term "public utility" in subsection (b) includes a railroad corporation. State

ex rel. Utilities Comm'n v. Atlantic Coast Line R.R., 268 N.C. 242, 150 S.E.2d 386 (1966).

#### § 62-132. Rates established under this chapter deemed just and reasonable; remedy for collection of unjust or unreasonable rates.

Stated in State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

#### § 62-133. How rates fixed.

This section merely codified the former statute as interpreted by Supreme Court. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

The responsibility for fixing rates rests with the Utilities Commission and not on the Supreme Court. However, there is nothing in the statutes that requires the

Commission to accept the rate or rates proposed, or to reject them altogether. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

**Manner of Arriving at Rate.—**

In accord with 2nd paragraph in original. See State ex rel. North Carolina Util. Comm'n v. Westco Tel. Co., 266 N.C. 450, 146 S.E.2d 487 (1966).

Necessarily, what is a "just and reasonable" rate which will produce a fair return on the investment depends on (1) the value of the investment—usually referred to in rate-making cases as the rate base—which earns the return; (2) the gross income received by the applicant from its authorized operations; (3) the amount to be deducted for operating expenses, which must include the amount of capital investment currently consumed in rendering the service; and (4) what rate constitutes a just and reasonable rate of return on the predetermined rate base. When these essential ultimate facts are established by findings of the Commission, the amount of additional gross revenue required to produce the desired net return becomes a mere matter of calculation. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

**Commission Must Consider Requirements of Section in Arriving at Value of Property.—**In arriving at the fair value of a public utility's property used and useful in providing the service rendered to its customers, the Commission is charged with the duty to consider the requirements set forth in this section, as well as other relevant factors. State ex rel. North Carolina Util. Comm'n v. Westco Tel. Co., 266 N.C. 450, 146 S.E.2d 487 (1966).

**Value of Property Determined as of End of Trial Period.—**The Commission is required under subsection (c) to determine the fair value of the utility's property as of the end of the trial period based on the plant and equipment in operation at that time. State ex rel. North Carolina Util. Comm'n v. Westco Tel. Co., 266 N.C. 450, 146 S.E.2d 487 (1966).

**Trended Cost Evidence Deserves Weight.—**In these times of increased construction costs and decreased dollar value, trended cost evidence deserves weight in proportion to the accuracy of the tests and their intelligent application. The objections to such evidence apparently came from jurisdictions where the base rate is fixed at "book value" or "original cost" rather than present value. Of course, the book value or original cost can be ascertained with exactness from the books and rec-

ords. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

**When Necessary to Fix Present Value and Replacement Is Expensive.—**Trended cost is useful only when it becomes necessary to fix the present value of facilities constructed when the cost was low and replacement has become expensive. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

**Although Such Evidence Is Not Conclusive.—**The trended cost takes into account the type of facility, its age, its original and replacement cost, terrain, location, its probable useful life, and other factors. Such evidence is not conclusive but it does appear to be a useful guide in determining value of facilities. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

**In fixing intrastate rates, etc.—**

When a company operates in two or more states, the operations are treated as separate businesses for the purpose of rate regulation. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

The reasonableness of the rates to be fixed by the State must be decided with reference exclusively to what is just and reasonable in respect of domestic business. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

An inadequate return in Virginia would not of itself justify a rate increase in North Carolina, nor would a high rate of return in Virginia justify less than a fair and reasonable rate in North Carolina. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

The Utilities Commission is empowered and directed to make reasonable and just rates as applied to the distribution and sale of power in this State and not otherwise, and such power cannot be directly controlled or weakened by conditions existent in other states, either from the action or nonaction of official bodies there, or the dealings between private parties. To hold otherwise would, in its practical operation, be to withdraw or nullify the powers that this section professes to confer and should not for a moment be entertained. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

The Utilities Commission of this State does not have the right to fix less than a reasonable or fair rate of return on a telephone company's investment in North Carolina because the utilities commission in Virginia may have fixed rates in Virginia which, in the opinion of the Utilities Com-

mission in this State, gives the company a reasonable return on its entire properties when its Virginia and North Carolina revenues are combined. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

**Reasonableness of Rate of Return Depends on Whether Property Is Fairly**

**Valued.**—Whether a 4%, 5%, or 6% return is just and reasonable depends very largely on whether the Commission has placed a fair value on the property of the utility which is used and useful in producing its revenue. State ex rel. Utilities Comm'n v. Lee Tel. Co., 263 N.C. 702, 140 S.E.2d 319 (1965).

**§ 62-134. Change of rates; notice; suspension and investigation.**

**Petition Determined on Basis of Facts Existing When Increase Effective.**—The Utilities Commission must determine a petition for an increase in telephone rates on the basis of the facts existing at the time such increase is effective. State ex rel. North Carolina Util. Comm'n v. Western Carolina Tel. Co., 260 N.C. 369, 132 S.E.2d 873 (1963).

**And Commission Cannot Consider Subsequent Events.**—The Utilities Commission cannot consider events occurring subsequent to the date certain rates went into effect, to ascertain what were proper rates on that date. State ex rel. North Carolina Util. Comm'n v. Western Carolina Tel. Co., 260 N.C. 369, 132 S.E.2d 873 (1963).

**New Rate on Changed Conditions Relates to Date of Change.**—If a subsequent change in conditions warrants a new rate, such new rate must relate to the date of change. State ex rel. North Carolina Util. Comm'n v. Western Carolina Tel. Co., 260 N.C. 369, 132 S.E.2d 873 (1963).

**And Parties Must Be Given Hearing on Effect of Change.**—The parties must be

accorded an opportunity to be heard with respect to the effect, if any, a subsequent change in conditions had on the rate structure, and a denial of such opportunity would be a deprivation of due process. State ex rel. North Carolina Util. Comm'n v. Western Carolina Tel. Co., 260 N.C. 369, 132 S.E.2d 873 (1963).

**Transfer of Exchanges during Pendency of Petition.**—Where a telephone company, during the pendency of its petition for an increase in rates, transfers part of its exchanges to a subsidiary, the Utilities Commission, in the exercise of its discretion, may make the subsidiary a formal party and treat the original petition as a joint petition for a uniform system of rates; or it may make the subsidiary a party and fix proper rates for the subsidiary's exchanges and for the original petitioner's exchanges. State ex rel. North Carolina Util. Comm'n v. Western Carolina Tel. Co., 260 N.C. 369, 132 S.E.2d 873 (1963).

**Applied in** State ex rel. North Carolina Util. Comm'n v. Southern Ry., 267 N.C. 317, 148 S.E.2d 210 (1966).

**§ 62-138. Utilities to file rates, service regulations and service contracts with Commission; publication.**

(f) Under such rules as the Commission may prescribe, every electric membership corporation operating within this State shall file with the Commission, for information purposes, all rates, schedules of rates, charges, service regulations, and forms of service contracts, used or to be used within the State, and shall keep copies of such schedules, rates, charges, service regulations, and contracts open to public inspection. (1899, c. 164, s. 7; Rev., s. 1109; 1907, c. 217, s. 5; C. S., s. 1074; 1933, c. 134, s. 8; c. 307, s. 4; 1941, c. 97; 1947, c. 1008, s. 25; 1949, c. 1132, s. 23; 1959, c. 209; 1963, c. 1165, s. 1; 1965, c. 287, s. 7.)

the amendment, the rest of the section is not set out.

**§ 62-140. Discrimination prohibited.**

(c) No public utility shall offer or pay any compensation or consideration or furnish any equipment to secure the installation or adoption of the use of such utility service except upon filing of a schedule of such compensation or consideration or equipment to be furnished and approval thereof by the Commission, and offering such compensation, consideration or equipment to all persons within the same classification using or applying for such public utility service; provided, in considering the reasonableness of any such schedule filed by a public utility the Commission shall consider, among other things, evidence of consideration or

compensation paid by any competitor, regulated or nonregulated, of the public utility to secure the installation or adoption of the use of such competitor's service. Provided, further, that nothing herein shall prohibit a public utility from carrying out any contractual commitment in existence at the time of the enactment hereof, so long as such program does not extend beyond December 31, 1963. For the purpose of this subsection, "public utility" shall include any electric membership corporation operating within this State, and the terms "utility service" and "public utility service" shall include the service rendered by any such electric membership corporation. (1899, c. 164, s. 2, subsecs. 3, 5; Rev., s. 1095; 1913, c. 127, s. 6; C. S., s. 1054; 1933, c. 134, s. 8; c. 307, s. 6; 1941, c. 97; 1963, c. 1165, s. 1; 1965, c. 287, s. 8.)

#### Editor's Note.—

The 1965 amendment added the last sentence in subsection (c).

As only subsection (c) was affected by the amendment, the rest of the section is not set out.

Subsection (a) is similar to § 3 of the Interstate Commerce Act. State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

#### Common Law.—

The duty now imposed by this section upon privately owned distributors and sellers of electric power not to discriminate in service or rates is merely a development of the common-law obligation of equal and undiscriminating service. Dale v. City of Morganton, 270 N.C. 567, 155 S.E.2d 136 (1967).

There must be no unreasonable discrimination between those receiving the same kind and degree of service. State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

**But Rates May Differ under Varying Conditions.** — The charging of different rates for service rendered under varying conditions and circumstances is not unlawful. State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

**Provided Differences in Service or Conditions Are Substantial.** — There must be substantial differences in service or conditions to justify difference in rates. State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

### § 62-146. Rates and service of motor common carriers.

Carriers have legal right to contract inter se, and the law encourages cooperation and agreements between them respecting their service to the public. State

#### Any Substantial Ground for Distinguishing between Customers Is Material Factor.

—Any matter which presents a substantial difference as a ground for distinction between customers, such as quantity used, time of use, or manner of service, is a material factor in the determination of rates. State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

**Rates for Shipments from Different Origins Need Not Be Equal.**—Subsection (a) of this section does not require an equality of rates where the shipments are from different points of origin to the same destination even though the distances be equal or approximately so. State ex rel. Utilities Comm'n v. Nello L. Teer Co., 266 N.C. 366, 146 S.E.2d 511 (1966).

**Right of City to Refuse Service Is Same as Private Company's.**—The right of a municipal corporation operating a plant for the distribution and sale of electricity to its inhabitants to refuse to serve is neither greater nor less than that of a privately owned electric power company to do so. Dale v. City of Morganton, 270 N.C. 567, 155 S.E.2d 136 (1967).

**City May Not Deprive Inhabitant of Service to Compel Obedience to Police Regulations.**—A city may not deprive an inhabitant, otherwise entitled thereto, of light, water, or other utility service as a means of compelling obedience to its police regulations, however valid and otherwise enforceable those regulations may be. Dale v. City of Morganton, 270 N.C. 567, 155 S.E.2d 136 (1967).

Highway Commission May Require Railroad to Widen Crossings.—Section 60-43, prior to its repeal and reenactment as this section, empowered the Highway Commission, upon the widening of a highway, to require a railroad company to widen its highway crossings so as to conform to the increased width of the highway. *Atlantic Coast Line R.R. v. State Highway Comm'n*, 268 N.C. 92, 150 S.E.2d 70 (1966).

And Is Not Subject to Suit for Railroad's Costs in Widening. — The State Highway Commission is not subject to suit on the theory of unjust enrichment to recover costs incurred by a railroad company in widening its grade crossings pursuant to lawful order of the Highway Commission, there being no contention of any "taking" by the Commission, since there is no statutory provision authorizing suit in such instance, and the right to bring a common-law action against the Highway Commission where there is no statutory remedy is applicable solely where there has been a "taking" of property by the Commission. *Atlantic Coast Line R.R. v. § 62-260. Exemptions from regulations.

(f) Notwithstanding the exemptions for transportation of passengers and property provided under subsections (a) through (e) of this section, all motor carriers transporting passengers for compensation under said exemptions or under

any special exemptions granted by the Utilities Commission under G.S. 62-261 shall be subject to the same requirements for security for protection of the public as are established for regulated motor common carriers by the rules of the Utilities Commission pursuant to G.S. 62-268, and all such motor carriers transporting for hire under said exemption provisions shall further be subject to the same requirements for safety of operation of said motor vehicles as are required of regulated motor common carriers under the provisions of this chapter and the regulations of the Commission adopted pursuant thereto. The Commission is authorized to promulgate rules and regulations for the enforcement of said requirements in the case of all such exempt operations, and the officers and agents of the Commission shall have full authority to inspect said exempt vehicles and to apply all enforcement regulations and penalties for violation of said security regulations and safety regulations as in the case of regulated motor carriers.

(g) The owners of all motor vehicles used in any transportation for compensation which is declared to be exempt under this section shall register such operation with the Utilities Commission and shall secure from the Utilities Commission a certificate of exemption. (1947, c. 1008, s. 4; 1949, c. 1132, s. 5; 1951, c. 987, s. 1; 1953, c. 1140, s. 2; 1955, c. 1194, ss. 1, 2; 1959, c. 102; c. 639, s. 14; 1963, c. 1165, s. 1; 1967, cc. 1135, 1203.)

**Editor's Note.**—The first 1967 amendment, effective Feb. 15, 1968, added subsection (f). The second 1967 amendment added subsection (g).

As the rest of the section was not affected by the amendments, it is not set out.

**Franchise for Limousine Service to Airport.**—The provisions of §§ 160-1, 63-2, 63-

49, 63-50, 63-53, and this section authorize a municipal corporation to award a franchise contract granting the right to provide limousine service to a municipal airport upon certain terms and conditions set forth in the franchise ordinance. *Harrelson v. City of Fayetteville*, 271 N.C. 87, 155 S.E.2d 749 (1967).

## § 62-262. Applications and hearings.

(d) Any motor carrier desiring to protest the granting of an application for a certificate or permit, in whole, or in part, may become a party to such proceedings by filing with the Commission, not less than ten (10) days prior to the date fixed for the hearing, unless the time be extended by order of the Commission, its protest in writing under oath, containing a general statement of the grounds for such protest and the manner in which the protestant will be adversely affected by the granting of the application, in whole or in part. Such protestant may also set forth in his protest its proposal, if any, to render either alone or in conjunction with other motor carriers, the service proposed by the applicant, either in whole or in part. Upon the filing of such protest it shall be the duty of the protestant to file three copies with the Commission, and the protestant shall certify that a copy of said protest has been delivered or mailed to the applicant or applicant's attorney. When no protest is filed with the Commission within the time herein limited, or as extended by order of the Commission, the Commission may proceed to hear the application and make the necessary findings of fact and issue or decline to issue the certificate or permit applied for without further notice. Persons other than motor carriers shall have the right to appear before the Commission and give evidence in favor of or against the granting of any application and with permission of the Commission may be accorded the right to examine and cross-examine witnesses.

(1965, c. 214.)

**Editor's Note.** — The 1965 amendment substituted "protestant" for "applicant" preceding "shall certify" in the third sentence of subsection (d). As only subsection (d) was affected by the amendment, the rest of the section is not set out.

### The convenience and necessity, etc.—

The granting of franchise authority for the operation of buses over the highways of this State, for the transportation of persons and property for compensation, must be predicated upon public convenience and

necessity. State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

**Burden Is on Applicant to Show Public Convenience and Necessity.**—The burden of proof is upon the applicant for franchise authority to show public convenience and

necessity. State ex rel. North Carolina Util. Comm'n v. Carolina Coach Co., 261 N.C. 384, 134 S.E.2d 689 (1964).

sured by a person allegedly injured by the negligence of the insured. Jones v. State Farm Mut. Auto. Ins. Co., 270 N.C. 454, 155 S.E.2d 118 (1967).
